

BIG REBELLION MAY MAKE HIM KING

Don Carlos, Pretender to the Spanish Throne, Now Has Very Strong Backing and Will Soon Move.

The Carlist agitation in Spain is said to have assumed gigantic proportions. The agitators are fully prepared to take up arms and promise to strike a heavy blow before the coming of age of the boy King of Spain.

THE OCTOBER BRIDES.

DON CARLOS MADE ANOTHER BIG HARVEST IN VIRGINIA YESTERDAY.

A PRETTY SUFFOLK WEDDING.

Mr. Milton Riddick and Miss Eunice O. Lynn—Three Marriages in Roanoke and Vicinity—One in Staunton, and One in Norfolk City.

SUFFOLK, VA., October 17.—(Special.) A pretty wedding took place this afternoon at the residence of the bride's parents, Mr. and Mrs. N. S. Lynn, on the eastern suburbs of Suffolk.

Mr. Fred P. Mitchell was best man, and the maid of honor was Miss Alpha Lynn, a sister of the bride.

Rev. R. H. Potts, pastor of the Main-Street Methodist church, was the officiating minister, and Miss Etta Moore played the wedding march.

Upon the conclusion of the ceremony, Mr. and Mrs. Riddick took the Norfolk and Western "Cannon Ball" train for a northern tour.

The bride is the youngest daughter of Mr. and Mrs. N. S. Lynn, and is an attractive blonde.

Mr. Riddick is a well known and popular young Suffolkian, who has for some time been engaged as a machinist in the ship-yards at Newport News, in which city the young couple will reside.

Mr. and Mrs. Hope Rippey, of Suffolk, and Miss Florence Ely Buttz, of Allentown, Pa., who is a trained nurse, and met the Doctor some years ago, were married in Norfolk to-day.

Dr. Rippey has been living in Suffolk and vicinity for years. He is a veterinary surgeon, and doubtless has more titles than any man in Virginia.

He was summoned before the Suffolk Society for the Suppression of Spurious Titles to prove that he was entitled to be called "Doctor," and then cited various colleges in England, Canada, and the United States, from which he has received degrees.

Manager Egan is presenting at the City Hall Theatre to-night "The Pride of Jennico," which is the best attraction ever produced in Suffolk, and is being witnessed by a large and fashionable audience.

A HEARTY WELCOME.

PETERSBURG PREPARING FOR THE GRAND CAMP OF C. V.

BUSINESS IN THE COURTS.

White Republicans Repudiate the Negro Candidate for the Legislature—Inquiries About C. R. Brotherton's Sister.

PETERSBURG, VA., October 17.—(Special.)—Arrangements have been made for a thorough decoration of the city and the brilliant illumination of the principal streets by electricity, in honor of the Grand Camp of Confederate Veterans to assemble here next week.

Some handsome decorations have already been put up, and the Southside Railway and Development Company will attend to the illuminations by the putting up of scores of arc and hundred of incandescent lights. On every building will float flags and bunting, and by the time the camp meets, the city will present a gala appearance.

In the Hustings Court to-day the will of the late John C. Armistead was admitted to probate, the widow qualifying as executrix, without bond.

Rev. Harry W. Pratt, pastor of Old-Street Presbyterian church, appeared in court, and qualified by giving bond to solemnize the rites of matrimony.

Mr. Charles E. Shannon, an attorney at law, was appointed a committee of the estate of William Jones (colored) convicted of felony at the last term of the Hustings Court and sentenced to the penitentiary for one year.

THE NEGRO CANDIDATE. The white Republicans of this city disclaim any responsibility for the candidacy of Joseph Anderson (colored), for the House of Delegates, do not recognize him in any way, and do not intend that he will not be supported by the party.

Anderson was nominated by some of the colored Republicans. The United States Consul at Vera Cruz, Mexico, has written to Messrs. Hamilton & Manne, attorneys in this city, making inquiries about the sister of Mr. Charles R. Brotherton, who is supposed to have lived in or near Petersburg.

The Consul says that Mr. Brotherton recently died in Mexico, and that a considerable estate, and it is desired that the sister should be found.

Mr. and Mrs. Thomas Platt, of Staten Island, N. Y., are guests in the family of Mr. David Bally.

THE NORFOLK "ANARCHISTS."

Federal Government Takes Cognizance of Case—Bald Robbery. NORFOLK, VA., October 17.—(Special.) Ambrose Martell, the crank who was arrested for making a speech in the city, was taken from the steps of the Confederate monument in the heart of the business section, in jail. He is held in default of a \$10 fine for disorderly conduct and a bond for his good behavior.

The Federal Government has through Assistant District Attorney Hugh Miller, taken cognizance of the case. That official interrogated the prisoner to-day, but was unable to pump him. Police Justice Taylor declared that he will retain the prisoner unless as soon as the Federal Government desires, should it decide to take up the case. The Assistant District Attorney had Martell photographed, whereupon the prisoner was discharged.

Martell was recently examined here by a lunacy commission, composed of Justice Dalton and Doctors Baker and Moncure. The papers in the case, which were never signed by the commission, led to the conclusion that the patient is "held for information from Denning, Ill., where, he claims he was confined once." It seems that before anything was heard from that place Martell was discharged from custody and the papers were never completed.

Judge Hancock to-day granted a charter to the Virginia Paper-Box Company, which manufactures paper and other boxes here. The charter provides that not less than \$17,000 nor more than \$25,000 of preferred and common stock shall be issued, and this shall be in 300 shares. W. D. Hemmings is president; J. S. Helt, secretary; and Samuel L. Lanthicum, treasurer. These, with Ernest H. Crawford and Edward R. Baird, constitute the directory.

If the Secretary of the Navy secures the amount asked for from Congress, the navy for the years 1902 and 1903, the navy-yard here will be greatly enlarged by the purchase of a large tract of land from the Portsmouth company, including the present site of the old barracks, which was owned by the late Mrs. H. T. Bacon.

Mr. Martell was called to order by the president, Mr. Ivey, of Lynchburg, after she had offered prayer. Mrs. Cheatham then read a series of Bible texts on the topic, "The I Am of Our Lord." Miss Farmer sang a solo, and the reports from the individual auxiliaries were then resumed.

These reports, showing, as they do, the work of the separate societies, and the year past, were of great interest and importance to the members of the society. They are uniformly encouraging.

The ladies of the Society for the Suppression of Spurious Titles, which was organized for the purpose of the society by the members thereof in the Norfolk District alone.

A reading of these reports has not yet been concluded, but will again be taken up at the next meeting.

THE BOMB. GOOD DEBATES. The debates on the floor of the conference are interesting and spirited, and give one the impression that the intricacies of parliamentary law are as well understood by them as their husbands and brothers.

A matter which will come before the State Conference of the Methodist Episcopal Church, South, at Newport News, Va., was sprung on the conference to-day by Mrs. H. T. Bacon.

Health Committee. A member of the board was of the opinion last night that any criticisms of the report to the effect that it "whitewashes" the School Board were at least premature as the report has not yet been made public. From statements made by members of the board after the visit to the High School, the first taken up, it is believed that the report will be in effect that the conditions are as good as is possible with old buildings like the High School. Accompanying the report the board will send in some valuable sanitary suggestions and recommendations. It seems that the Health Board entered upon its work by making formal visits in a body to certain schools at fixed times. It was reported, however, that at one of the schools special preparation was made to receive the board and when it came everything was in apple-pie order. So the board decided to visit the other schools individually and not in a body and at an hour that the members might happen to be in the locality of the school.

MRS. WELLS ON TEMPERANCE. She Spoke to a Large Gathering at Tracy Tabernacle Last Night. Mrs. M. L. Wells, one of the national lecturers of the Woman's Christian Temperance Union spoke to more than 1,200 people in the Tracy Tabernacle at Jefferson Park last night. The large crowd had gathered to hear Dr. Tracy, and when Mrs. Wells was presented to the audience there was a slight ripple of disapproval. The audience failed to hear Dr. Tracy and wanted him, but Mrs. Wells had not spoken many minutes until she had the large gathering with her and right well did she entertain it.

IN LANCASTER COUNTY. Happenings at Irvington—Personal Notes—The Fishing Industry. IRVINGTON, VA., October 17.—(Special.)—The balmy days of this week have been just the thing for planting wheat and the farmers of Lancaster and Northumberland counties have been busily engaged in putting in large quantities of seed. The acreage to be planted in wheat this fall is a large one as the wheat crop of this year was fairly good. Reports from Redville, Northumberland county, to-day are to the effect that trap fishermen reaped a big harvest in that section, and Redville wharf being filled with barrels and boxes of fish. It is time such a run of fish was striking, as the season heretofore had been exceeding poor. Mr. and Mrs. P. R. Waller, who have been visiting relatives in Delaware, have returned to their home at Redville, Northumberland county. W. McD. Lee, Bonner Brussels, J. B. McKenney, and E. L. Wagner were among those from Irvington, who spent the latter part of last week in Richmond attending the Carnival. There will be no services in the Episcopal churches of this county next Sunday owing to the indisposition of the rector, Rev. G. R. Micou. Miss Edith Hathaway, of White Stone, of Lancaster county, left a few days ago to teach school near Norfolk. Cyverton Minson and Mrs. Genia Ingram, of Fisherman, Lancaster county, were expected last week and were married in Baltimore. They were well known in this county. Mr. and Mrs. Archibald Crozier, a bridegroom and bride, of Washington, Del., are spending some days with friends at Weems, Lancaster county. Mrs. Harry Hopkins, of Irvington, is spending some weeks with her parents, Mr. and Mrs. P. H. Sadler, in the city of Baltimore. Miss Ruth Noble, a young lady of Caroline county, Md., has come to brighten our village for the next four or five months. Colonel B. L. Farinholt, of Monaskon, Lancaster county, is attending the bedside of his brother, who is extremely ill, in Asheville, N. C. William M. Brudenburg, of Lancaster Courthouse, left a few days ago for his home in Skykesville, Md., where he was married Wednesday of this week. Miss Bertha Dyke, of King and Queen county, is teaching in the family of Mr. S. M. Marter near Monaskon, Lancaster county. Mrs. Lizzie Wishin, of Norfolk, is on a visit to relatives in Irvington, Lancaster county. Nearly all our people throughout the Northern Neck have laid in their winter supply of coal and wood. Coal is an article that money cannot buy when winter sets in earnest, as at that time of the year all the vessels are busily engaged in the oyster business. Coal in this section costs about \$1.50 more per ton than in the city, this being about the amount charged as freight from Baltimore to Norfolk. But few are doing much hook and line fishing now, as the mornings are so cold on the water before day that the sportsmen had rather go without fish than stand the exposure. A few go out in the afternoon, but the catches are becoming quite small. This is doubtless accounted for by the fact that fish will not bite as well by day as they will just at dawn.

Assaulted by a Negro in Lynchburg—H. B. Fortune Killed. LYNCHBURG, VA., October 17.—(Special.)—Clinton W. Hitt was badly cut by a negro named James Walker, on Main street this afternoon. Somebody knocked the negro's hat off and he thinking it was Hitt, struck the latter in the face and then stabbed him fifteen times with a knife. The wounds are dangerous but the doctors hope Hitt's life may be saved. Hitt came here about a year ago, and is a pressman at the J. P. Bell Company's. A man supposed to be R. H. Fortune, of Amherst, was run over and killed by a train on the Chesapeake and Ohio last night. I. Briggs, Manchester, who had gone for treatment for stomach trouble, and Mr. Baker was a son of the late George W. Baker, and was born in Winchester, fifty-three years ago. After graduating at Roanoke College he studied law and later entered the shoe business which he conducted until a short time ago. He served in the City Council for a number of terms and his labors there resulted in an almost perfect system of streets, while it was he who brought to a successful issue the fight for a better water system which is now one of the best in the State. His ancestors were among the settlers of the valley and founded the wholesale grocery firm, in 1759, of Baker & Co., which is now operated by another branch

Rheumatism. Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison, and until the blood has been purified and brought back to a healthy condition will the aches and pains cease. Mrs. James Hill, of 707 Ninth street, N. E., Washington, D. C., writes as follows: "A few months ago I had an attack of Sciatic Rheumatism which was so intense that I became completely paralyzed. The attack was unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is a member of the faculty of a leading medical college. He told me to continue to take medicine and I would get well. After having it filled with times without receiving the slightest benefit, I decided to try your medicine. Having heard of S. S. S. (Swift's Specific) for Rheumatism, I decided to try it, and after I had taken a few bottles I was able to get around on crutches, and very soon thereafter had no use for them at all. S. S. S. has cured me and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health. I can say that S. S. S. is the great vegetable purifier and tonic, is the
