NOTES OF SOCIETY

A beautiful wedding was solemnized at Washington Thursday evening in the First Congregational church, when Miss Minnie May Torbert became the bride of Mr. Edmund R. Blumenberg. The bride's gown was an artistic imported creation of silk and lace, the skirt was garlanded in lilies of the valley, and the same flowers fringed the hem of the sweeping shawl of lace, which fell over the train. A shower bouquet of lilies of the valley fell to the bride, and she carried in front and completed a remarkably graceful and effective toilet. About 600 guests witnessed the ceremony. The bride was unattended, a distinguishing feature from all of the other church weddings of the season. Mr. John Porter Lawrence presided at the organ, playing selections from "Tannehauser" as the bridal party entered, and from Mendelssohn as they left the church. The groom had as his best man Mr. George C. LaFetty, and the ushers who seated the large number of guests were Mr. R. A. Johnson, Mr. Alex R. Muljoney, Mr. W. A. Mills, Mr. W. H. Connolly, Mr. J. J. McAuliffe, and Mr. M. Blumenberg. Among the distinguished guests at the church and reception was Representative Charles H. Grosvenor, of Ohio, who returned to Washington especially for the wedding. A beautiful reception at the New Willard followed the ceremony, when relatives and intimate friends to the number of over a hundred were given an opportunity of congratulating the happy pair. The entertainment consisted of the enjoyment of the occasion. The many handsome gifts attest the wide popularity of both bride and groom. Among the most beautiful presents was a full Haviland china dinner set, accompanied with an array of cut glass and silver from General Grosvenor and the groom's friends at Athens, O. Mrs. Blumenberg is a Washington girl, and was educated at the Convent of the Visitation. She is however, of the scene of the last few years in New York, until recently, when she came to Washington to again reside with her parents. Mr. Blumenberg is one of the best known young men of Washington. Mr. and Mrs. Blumenberg left Washington at midnight for several days. Mr. Pierpont Morgan has placed his beautiful home on the Hudson, Highland Falls, at their disposal. On July 23 Mr. and Mrs. Blumenberg will until 4 London, where they will be crowned with a coronation, and will then tour Europe, remaining in Paris for several weeks before coming home. In November they will be the guests of General Grosvenor at his home in Washington after December 15. Mr. Blumenberg has rented the old Field mansion on First street, opposite the capitol, until he builds a suitable home for his bride.

Many Richmond people will be interested in the approaching wedding of Miss Bessie Pattison, daughter of the late Thomas Pattison and Mrs. Elizabeth Pattison, and Mr. Wm. Robert Pattison, of the Manor, Baltimore county, which will take place this evening at 6 o'clock at the home of the bride's sister, Mrs. H. C. Crisp, 2706 St. Paul street. Rev. Perrin Wrooth will perform the ceremony. Miss Pattison is a daughter of the late Governor Robert E. Pattison, of Pennsylvania, and the groom is well-known in Baltimore county.

The Young Men's League of West View Baptist church will give on August 7, a very delightful excursion to Yorktown and Old Point. The train will leave Richmond at 8 A. M. via the Chesapeake and Ohio road, and arriving at Old Point will connect with the steamer here for Yorktown at 10:30 A. M. Returning, they will arrive in Richmond at 8 P. M. that evening. Those who take advantage of this excursion will have a delightful day spent on the water and will have an opportunity of visiting the historic old Yorktown with its many revolutionary associations. Among the prominent summer residents at North Hatfield, Canada, are General Joseph C. Breckinridge, inspector-general, United States army, and family, who occupy one of the handsomest cottages, General G. Norman Lieber, United States army, and family; Colonel Wallace F. Randolph and family; Major Eric Berglund and Mrs. Berglund, of Baltimore, and Major M. M. Macomb, Artillery Corps.

"Aliendale," the beautiful country home of Mr. and Mrs. Allen Langhorne in Alleghenie county, will give on Yorktown at a charming house party recently. Among the guests were Mr. A. F. Anderson, Mrs. A. T. Powell, Miss Bercey Anderson, Miss Katie Pryor, Miss Alice Langhorne, and Mr. Lawrence Langhorne, of Lynchburg.

THOUSANDS FOR LOSS OF LIMBS OF SMALL BOY.

Holland Wilkerson Secures Verdict Against Richmond Traction Co. for \$7,000. The jury in the case of Holland R. Wilkerson, the Richmond Traction Company yesterday afternoon rendered a verdict for the plaintiff for \$7,000. The amount sued for was \$20,000. Last summer the plaintiff, who is a 12-year-old boy, was run over by a Traction car at Chalmers Park, where the cars of the Broad-street line turn. Both legs were so badly mangled that they were afterwards amputated at one of the hospitals of the city - one above the other - and the other still higher. The jury visited the scene of the accident yesterday and carefully inspected the manner in which it happened. Afterwards the verdict was arrived at. Holland Wilkerson, of counsel for the Traction Company, moved the court to set the verdict aside and award a new trial, alleging the usual grounds for such a motion. Judge Minor overruled the motion and entered a judgment in accordance with the verdict. To this ruling the defendant company took exceptions, and an order was entered giving it the right to file its bill of exceptions at any time during the present term of court. This is a serious doubt but that the case will go to the Supreme Court, if a writ of error can be secured from one of the judges of that tribunal.

Will and Shere obtained a judgment yesterday in the Law and Equity Court vs. B. W. Ford for \$650. In the Law and Equity Court yesterday a suit was instituted for divorce by W. H. Hattie L. Mayo. The bill was not filed. The chancery cause of W. T. Todd and others vs. the Savings Bank of Richmond was argued yesterday in the Law and Equity Court to that of the Law and Equity Court, where it will be heard by Judge Minor. A divorce was granted yesterday by Judge Minor in the Law and Equity Court to Mrs. Capitia D. Lowe from her husband, Robert A. Lowe. The separation was on the grounds of desertion.

INTERESTING DIVORCE CASE. Mrs. Blackiston Seeks a Separation from Her Husband in Hampton. HAMPTON, Va., July 18. (Special.) - Mrs. Leonora Ashmore Blackiston entered suit for divorce against her husband, Mr. McCaull Blackiston, in which she seeks a divorce, a mensa et thoro. While the papers in the suits were not filed, the case will be one of the most interesting heard in a court here for many years. Mrs. Blackiston is prominent in social circles. Back of the mere memoranda of the suit is a story of romance, pathos and love. Two years ago last August, Mr. Blackiston and Mrs. Ashmore quietly slipped off to Elizabeth City, N. C. where they were secretly married. They have never lived together here as man and wife, and the announcement of their marriage created a profound surprise when it was made two or three months ago. For some reason Mr. and Mrs. Blackiston decided that the step they had quietly taken was an unwise one and although the husband had provided a home for his wife, she decided to have the marriage annulled. Mrs. Blackiston went to California, where she remained for nearly a year. When she returned the rumor of her marriage to Mr. Blackiston was circulated and finally a young people's union, according to its truthfulness. Parental objection on the part of Mrs. Blackiston's mother was given as the reason for the separation of the couple. At the time of the announcement of the divorce, Mr. Blackiston had never lived together as man and wife, and would simply ask the court to enter an order annulling the marriage contract. The decision of the wife to sue for a divorce, from and to ward will come in the nature of a surprise to the friends of the couple. It is stated on the authority of one of the attorneys for Mrs. Blackiston, that she will ask for alimony, but just how much she wishes is not known. Messrs. Jones, Woodward and Phillips represent Mrs. Blackiston as counsel. Mr. Blackiston will, it is understood, file a cross bill, and some very interesting developments may follow. So far Mrs. Blackiston's attorneys have not stated upon what ground they will seek the separation, but the papers in the case are to be filed at the regular rule day of the Circuit Court next Monday.

AGRICULTURAL FERTILIZERS DISCUSSED - Sick Veterans at Home in Raleigh. RALEIGH, N. C., July 18. (Special.) - The Commissioner of Agriculture did not think last week that the fertilizers of commercial fertilizer the past spring would bring to equal those during the spring of 1901, whereas they exceeded the latter slightly, being nearly 250,000 tons. Last year at least 50 per cent. of the fertilizers were "leached" away by the rains. This year it all took effect on the crops. The increase in the amount of such fertilizer used during the past ten years is remarkably great. While the special fertilizers for cotton have been used in this year, the tobacco increased so greatly as to more than make up for the deficiency. The tobacco season here will be formally opened August 1st by large sales at all the warehouses, for which preparations are in progress. Tobacco from several counties will be on the floors. There are many prizes offered to growers this season. J. S. Scarlett, of Durham, aged 56, died at the Soldiers' Home here this morning of paralysis. There are twenty sick men now in the hospital at the home and the odds are that none of them will be able to leave it. Their diseases are really the breaking down due to old age. The report of State Chemist Kilgore on the soil test results in Edgecombe and Robeson counties. He says the farms are a great success. It is the purpose to have such a farm in each Congressional district. In this way the various soils will be fully tested. The Corporation Commission calls for a report on the condition of the banks up to the close of business July 16th. Reporters will be required to show that there is no sort of foundation for the rumor that their party will nominate Senator Pritchard for chief justice. State Superintendent of Public Instruction Joyner is not convalescing as rapidly as expected. It may be quite a while before he is able to be in his office.

TOOK POISON AT HIS BIDDING. Under Hypnotic Spell They Obey Man With Whom She Eloped. PROVIDENCE, R. I., July 18. - Annie Graham, the pretty but fragile girl of 17 who eloped with David D. Bourne, an old married man from Pawtucket, is recovering slowly at her mother's home, probably a week prior to the elopement. Bourne leaves a widow and a 13-year-old daughter.

DR. HAYDEN, who attended her, says this story is probably true, and that there had been a systematic poisoning of the girl by small doses of chloral for some time, probably a week prior to the elopement. Bourne leaves a widow and a 13-year-old daughter.
