### DANVILLE AFFAIRS.

SITUATION IN THE FIFTH CONGRESSIONAL DISTRICT AT PRESENT IT LOOKS EASY FOR SWANSON

Davis Voted Against the Corporation Commission and Employees Liability Provision—Retail Grocers Organize.

DANVILLE, Va., Sept. 27.—(Special.)—There have been no developments in the political situation in the Fifth District this week. Registration continues with the result that few colored men are getting their names on the poll books and on this account numbers of precincts will return Democratic majorities. Nothing has been heard from Hon. E. A. Davis, the Republican candidate. So far he has failed to create any enthusiasm in the ranks of his party, and no effort has been made to get the Republican vote registered.

The fact that Mr. Davis declined to vote for the Corporation Commission bill and the Employees' Liability law while a member of the Constitutional Convention is being made against him in his campaign for Congress.

NEW FURNITURE PLANT. The Boatright Furniture Manufacturing Company has completed its new plant and is now ready for business. Up-to-date machinery has been installed and only a high grade of goods will be manufactured.

At the meeting of the retail grocers of Danville held Tuesday night a permanent organization was effected by the election of W. A. Moorman, president, and James W. Carter, secretary. The association starts off with nearly forty members.

CAPTAIN DONALDSON ASSAULTED. Captain John Donaldson, of the Southern Railway, who is a conductor on a similar train between Salisbury, N. C., and Greenville, S. C., was assaulted at the latter place a few days ago by an unknown party and quite seriously injured. The Captain formerly resided here, and his friends regret to hear of his misfortune.

Dove Commandery, Knights Templar, of this city, has invited the Bayard Commandery, of Roanoke, and the Le Moyne Commandery, of Lynchburg, to visit Danville on October 16th and take part in the exercises attendant upon the annual inspection of Dove Commandery. Two years ago commanderies of Roanoke and Danville went to Lynchburg on a similar occasion and spent a most delightful afternoon and evening there. Danville is now returning the courtesy. The members of Dove Commandery are preparing to give their visitors a hearty welcome.

### TIDINGS FROM MONTEREY.

School Board Enjoined—Jno. Shultz Dead—Personal Information.

MONTEREY, Va., September 27.—(Special.)—Although work on the new public school building is rapidly progressing, it will be necessary to open the school again in rented rooms, as the new building is not to be completed before November 15th. The location of the building is such as to necessitate a six-foot wall on two sides, the stone work being retarded by the fact that suitable stone is not available, the quarry being on lands whose owners refuse to have them opened. This work is in charge of Mr. George W. Armstrong, of Eastern Highland, and is nearing completion.

Mr. O. A. Bird, through his attorney, S. B. Sigs, has asked Judge Letcher for an injunction against the School Board of Stonevale District, to restrain further work on the public school house at Doe Hill, in this county. The new building is closer than 100 feet to Mr. Bird's residence, and he claims the right to prevent its erection under the law that applies to incorporated towns.

TWO PRETTY HOME WEDDINGS. On Thursday last, two pretty home weddings were solemnized in the Monterey neighborhood, at points about equal distances south and east. At the residence of Mr. Jacob N. Hull, the bride's father, Miss Bruce Hull was united in marriage to Mr. A. G. Wine, of Rockingham county. The ceremony was performed by Rev. H. D. Helronimus, of the Northern Methodist church, and the young couple left immediately for the groom's home, near Springs Creek.

The contracting parties to the other union were Miss Mary M. Beverage, daughter of James C. Beverage, Esq., and Mr. Cecil Halston, one of Highland's young pedagogues. The officiating minister was Rev. R. L. Entler. A reception was held at the groom's home, four miles east of Monterey.

Mr. John Trimble, of Monterey, one of the leading graziers of the county, this week shipped the remainder of his herd—about 100. This lot weighed within a few pounds of 1,400, a figure a little short of other years, and for which the dry season is responsible.

MR. JOHN SHULTZ DEAD. Yesterday evening another of Highland's oldest citizens passed away in the person

of Mr. John Schultz, whose home was near Hill Gap, in the Deep Creek Valley. About three weeks ago he was taken with an illness, which he was unable long to combat, having reached a feeble old age—82 years.
