WILL BOYCOTT THE MEN.

New Jersey Girls Form a "Bachelors' Club."

JERSEY CITY, N. J., October 2.—(Special.)—Several young women of Greenville section, disappointed with the opposite sex, have decided not to associate with, or even speak to the men.

They have organized the Ladies' Bachelors' Club, with the object of declaring a boycott upon men in general. There are eight members of the organization, and all of them hold office. The members are among the advanced Greenville girls, and they all emphatically declare that men are "mean creatures," and that selfishness is their chief characteristic. So they prefer to remain "bachelors." The oldest member, the president of the club, has some interesting remarks to make on the subject of "mean creatures." It is the younger members think she knows about everything there is to know in the world, and the young lady in question does not attempt to disguise their minds of that impression. One section of the constitution sets forth that "men are no use, except to work and support women." The dues are 25 cents a month. This money the girls will devote to treating themselves.

HICKS WILL HANG TO-DAY.

Ladies Did Not Appeal to Governor Montague.

Wesley Hicks will hang at Louisa this morning, at 8 o'clock, for the murder of his son-in-law some months ago. The Governor will not interfere in the case. It will be the first execution of a white man in the county.

It was stated at the Governor's Mansion last night that some ladies of Louisa were to have come down yesterday for the purpose of interfering for the life of Hicks, but they did not appear. It is understood that the sentiment of the county is violently opposed to commutation of sentence or pardon. A well-known lady of Louisa was deeply interested in the case, and had proposed to apply to the Governor for the pardon of the wretch, but she was unable to get the trial judge or the Commonwealth's attorney to sign the application, without which there can be no hope for clemency.

CROKER OUT OF POLITICS.

New York Convention Reports Interesting, But He Is Done.

LONDON, October 2.—"I do not suppose that I have said more than a hundred times that I am out of politics," replied Richard Croker, at Wantage, to-night, when questioned by a representative of the Associated Press, for his opinion concerning the New York Democratic State Convention at Saratoga. "Maybe, if I do not say anything now, people will begin to believe it." "Yes," continued Mr. Croker, "I have read all the reports of the convention; they are very interesting, but I am done. I have seen nobody and said nothing, and do not intend to. They can get along without me."

ANGLE OFF THE FORCE

HIS RESIGNATION ACCEPTED AND SERGEANT SHINBERGER ELECTED CAPTAIN.

HOLDCRAFT MADE SERGEANT.

Board Will Next Direct Investigation Against Another Captain.

INQUIRY IS NOT YET ENDED.

It Will Be Resumed at the Next Meeting to Be Held Tuesday—Five Ballots Necessary to Elect Shinerberger—Thirteen Ballots on the Sergeancy—Brief Sketch of the New Captain.

From what can be gathered, the next investigations of the board will be directed against another police captain, in whose district gambling paraphernalia was found. It is certain that the board does not feel that the settlement of the Angle case should cause it to drop further examination of the police department.

There was opposition in the board at the meeting yesterday to accepting Captain Angle's resignation, in view of the charges that existed, but after no little discussion it was decided to receive the resignation and end the matter so far as that case is concerned.

Three of the commissioners, it is understood, were in favor of postponing the election of Captain Angle's successor, and on the tie vote Mayor Taylor broke the tie by voting for the election yesterday afternoon.

Former Captain J. B. Angle offered his resignation to the Board of Police Commissioners yesterday afternoon, and it was accepted.

Captain Angle's letter of resignation was couched in the following words: Richmond, Va., October 1, 1902. To the Honorable Board of Police Commissioners:

Gentlemen—I hereby tender my resignation as captain of police, and as a member of the police force of the city of Richmond, to take effect immediately.

J. B. ANGLE. To fill the vacancy, Sergeant J. F. Shinerberger was elected, and Officer S. W. Holdcraft was promoted to the position of sergeant, made vacant by Captain Shinerberger's election.

The resignation of Captain Angle, which has been in the form of a rumor for several days, and which was exclusively forecast in the Dispatch twice this week, became a certainty yesterday afternoon, although the positive information was not given out by the press. Captain Angle's resignation was considered by the board in executive session yesterday, and none of the members had anything to say about their action on it other than that it had been accepted.

The Inquiry Not Ended. But the board did officially announce

that the further investigations of the police department would be taken up at the next meeting, Tuesday, October 7th. In just what direction the investigation would extend was not said, and when the second executive session closed at 7 o'clock yesterday evening, one of the commissioners said to the reporters present that the investigations would certainly be continued, but should his head when called upon by the press, he would not say more.

It took five ballots to elect Captain Shinerberger, but his friends stuck to him throughout the balloting, and finally won over the necessary fourth vote to secure his election. Officer Holdcraft was made sergeant after thirteen ballots were taken, and there was plenty of switching among the commissioners before the requisite combination was effected that gave him the needed votes. The commissioners present yesterday, in addition to Mayor Taylor, were Messrs. Boshor, Manning, Welsh, Landarkin, Jacobs, and McCarthy. The Mayor did not have a chance to cast

a deciding vote, as there was no tie between any two candidates.

In Charge First District. Captain Shinerberger was immediately assigned to the First District in place of ex-Captain Angle, and Sergeant Holdcraft was assigned to the Third District. Captain Shinerberger has been acting as clerk of Chief of Police Howard since 1894. The board decided yesterday to elect a stenographer and typewriter to fill this position next Tuesday night, and applicants are requested to send in their applications in writing, with references, to the Board of Police Commissioners before that time. The position will pay \$15 a month, and whoever is chosen will be elected a policeman. For that reason, only men will be eligible to the position, although it is understood there was some sentiment in the board in favor of electing a young lady.

The board met promptly at 5 o'clock. As the members entered the City Hall they were button-holed here and there, and quiet suggestions whispered in their ears. When they assembled in Chief Howard's room they went into executive session at once, and so remained for an hour and a quarter. During this time Captain Angle's resignation was read, and, after some discussion of it, it was accepted. As no specifications had been made out against the retiring captain, there was nothing to prevent the board from this action, and there is little doubt that Captain Angle was apprised of the fact that the board would receive his resignation in the event that it was offered, before any specifications were named.

A Batch of Applicants. CIRCUS MAN KILLED.

LOUIS LUTZ, SAUTELLE'S FOREMAN, SHOT DOWN BY A NEGRO.

THE MURDERER IS AT LARGE.

Was Peeping Under the Canvas and Fired When Detected.

SAVED BY THOSE OF HIS RACE.

They Prevented His Being Pursued—Circus Cooks Fought With an Axe, and Chariot Horse Going at Full Till, Tell Down, and Smashed Things—Team in the Parade Ran Away.

Louis Lutz, foreman of Sautelle's circus, was shot by a negro during the performance yesterday afternoon. He died at the City Hospital about 3 o'clock this morning.

"Never in the history of this show," said Sig. Sautelle last night, "nor in the history of any other, has there ever been such a day as this before; first the shooting of Lutz, then the accident during the chariot race, and lastly a fight between the cooks."

While trying to prevent a big, black negro from entering the
