

Representative Women From All Sections Proclaim PE-RU-NA of Special Benefit for Catarrhal Ailments Peculiar to Their Sex.

NOTABLE CURES THAT ARE THE TALK OF THEIR LOCALITY

FEMALE WEAKNESS IS PELVIC CATARRH.

Always Half Sick Are the Women Who Have Pelvic Catarrh.

Catarrh of any organ, if allowed to progress, will affect the whole body. Catarrh without nervousness is very rare, but pelvic catarrh and nervousness go hand in hand.

It is worse than foolish for so many women to suffer year after year with a disease that can be permanently cured.

Peruna cures catarrh permanently. It cures old chronic cases as well as an acute attack, the only difference being in the length of time that it should be taken to effect a cure.

"About twelve years ago I was afflicted with female trouble (pelvic catarrh). I was doctoring with several skillful physicians, but kept getting worse, until I became bedfast. I was in this condition about two years, under the attendance of four physicians. I got no better during this time. Finally looking over Dr. Hartman's female book, I concluded I would write for advice. I am not sorry I did so. I owe my life to Dr. Hartman and Peruna. My friends and neighbors never expected to see me well again."—Mary F. Bartholomew, St. Francisville, Ill.

"In connection with my official work I have repeatedly found Peruna a most reliable remedy in cases of catarrh of the system there is nothing which will cure any quicker, and as a remedy for women it is superior to anything I know.

"It restores a mother after severe childbirth and prevents pain and irregularities in a very short time. I have found it of much value, both as a preventive of colds and as a tonic when I have been feeling badly, and although I never give a testimonial for anything, I make an exception in favor of Peruna, as I consider it of exceptional value."—Mrs. Van Vranken.

Peruna Invigorates.
In all such cases Peruna is a godsend. Peruna comes to those who are unable to afford the expensive luxuries of change of scene and climate. Peruna comes to such people with refreshment, recuperation and a renewal of life.

Nervous Women.
No nervous woman ought to neglect to give Peruna a fair trial. It is almost absolutely certain to help her, and in some cases the relief is magical.

Margaret Reimer, 21 Cedars Terrace, Hot Springs, Ark., writes: "I was very much run down about a year ago and all medical treatment failed to bring the required relief and toning my system needed. I was advised to try Peruna, which I did only when everything else failed. One bottle really made an entirely different woman of me and four bottles toned up the system and restored me to perfect health. I shall always speak in the highest praise of Peruna and cheerfully recommend it to any and all in need of a tonic. With the very best wishes for your success."—Margaret Reimer.

Peruna Prevented an Operation.
Mrs. Minnie Steeves, President Illinois Women's Alliance, writes from 42 Delaware Place, Chicago, Ill.: "Ever since my son, now grown, was born I have suffered with some peculiar weakness of the pelvic organs which no medicine seemed to reach.

"My physicians finally suggested an operation, which I was considering, when my sister asked me to try Peruna as a last resort. She had used it and been greatly helped. Peruna simply worked wonders with my whole system, and in a few weeks the pains began to go away. I felt so much better that I kept on taking it and am now in perfect health. I give great praise to this splendid medicine and certainly advise suffering women to try it when all else fails."—Mrs. Minnie Steeves.

MISS MURIEL ARMITAGE.

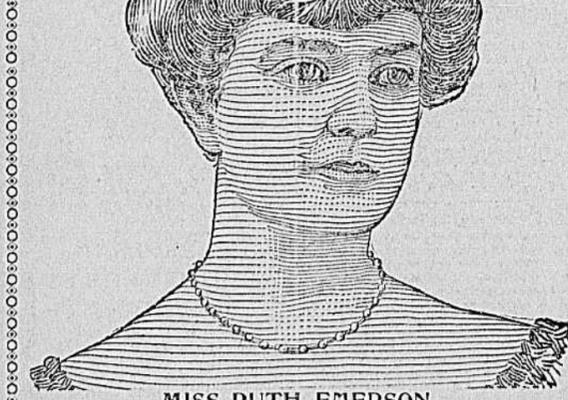

Miss Muriel Armitage, 36 Greenwood Avenue, Detroit, Mich., district organizer of the Royal Templars of Temperance, in a recent letter says: "The Peruna Medicine Co., Columbus, O., Gentlemen:—I think that a woman naturally shrinks from making her troubles public, but restored health has meant so much to me that I feel for the sake of other suffering women it is my duty to tell what Peruna has done for me. I suffered for five years with irregularities, which brought on hysteria and led to a physical wreck. I tried doctors from the different schools of medicine, but without any perceptible change in my condition. In my despair I called on an old nurse, who advised me to try Peruna, and promised good results if I would persist and take it regularly. I thought this was the last I could do and procured a bottle. I knew as soon as I began taking it that it was affecting me differently from anything I had used before, and so I kept on taking it. I kept this up for six months, and steadily gained strength and health, and when I had used fifteen bottles I considered myself entirely cured. I am a grateful, happy woman to-day. I am a grateful, happy woman to-day. I am a grateful, happy woman to-day."

Peruna has cured thousands of cases of female weakness. As a rule, however, before Peruna is resorted to, several other remedies have been tried in vain. A great many of the patients have taken local treatment, submitted themselves to surgical operations, and taken all sorts of doctor's stuff, without any result.

fact that diseases peculiar to the female sex are not commonly recognized as being caused by catarrh. These organs

The reason of so many failures is the are lined by mucous membranes. Any mucous membrane is subject to catarrh. Catarrh of one organ is exactly the same as catarrh of any other organ. What will cure catarrh of the head will also cure catarrh of the pelvic organs. Peruna cures these cases simply because it cures the catarrh.

Female Trouble Not Recognized as Catarrh.

MRS. J. E. FINN.

Mrs. J. E. Finn, 82 East High Street, Buffalo, N. Y., writes: "Peruna Medicine Co., Columbus, O.: Gentlemen:—A few years ago I had to give up social life entirely, as my health was completely broken down. The doctor advised a complete change and rest for a year. As this was out of the question, for a time I began to look around for other means of restoring my health.

"I had often heard of Peruna as an excellent tonic, so I bought a bottle to see what it would do for me, and it certainly took hold of my system and rejuvenated me, and in less than two months I was in perfect health, and now when I feel worn out or tired a dose or two of Peruna is all that I need."—MRS. J. E. FINN.

Most of the women afflicted with pelvic diseases have no idea that their trouble is due to catarrh. The majority of the people think that catarrh is a disease confined to the head alone.

This is not true. Catarrh is liable to attack any organ of the body: throat, bronchial tubes, lungs, stomach, kidneys, and especially the pelvic organs.

Many a woman has made this discovery after a long struggle of useless treatment. She has made the discovery that her disease is catarrh, and that Peruna can be relied upon to cure catarrh wherever located.

Mrs. Esther M. Miller, De Graff, O., writes: "I was a terrible sufferer from female weakness and had the headache continuously. I was not able to do my housework for myself and husband. I wrote you and described my condition as near as possible. You recommended Peruna. I took four bottles and was completely cured. I think Peruna a wonderful medicine."—Mrs. Esther M. Miller.

Miss Ruth Emerson, 72 Sycamore Street, Buffalo, N. Y., writes: "I suffered for two years with irregular and painful periods and Peruna cured me within six weeks. I cannot tell you how grateful I feel. Any agency which brings health and strength to the afflicted is always a welcome friend, and to-day the market is so filled with useless and injurious medicines that it is a pleasure to know of so reliable a medicine as you place before the public."—Miss Ruth Emerson.

Mrs. Anna B. Fleharty, recent superintendent of the W. C. T. U., headquarters at Galena, Ill., was for ten years one of the leading women there. Her husband, when living, was first president of the Nebraska Wesleyan University at Lincoln, Neb.

In a letter written from 401 West Sixty-seventh Street, Chicago, Ill., Mrs. Fleharty says the following in regard to Peruna: "Having lived a very active life as wife and working partner of a busy minister, my health failed me a few years ago. I lost my husband about the same time, and gradually I seemed to lose health and spirit. My daughter is a confirmed invalid, and we both felt great need of an invigorator.

"One of my neighbors advised me to try Peruna. A bottle was immediately secured and a great change took place in my daughter's as well as in my own health. Our appetites improved very greatly, the digestion seemed much helped, and restful sleep soon improved us, so that we seemed new women.

"I would not be without Peruna for ten times its cost."—MRS. ANNA B. FLEHARTY.

Peruna Cannot be Imitated.
There is no one trying to imitate Peruna. It has been tried many times by men skilled in pharmacy and chemistry, but they have always failed. The imitators of Peruna don't fool any one who has ever taken Peruna or who has ever witnessed the good results of Peruna.

Peruna acts so promptly, its benefits are so lasting, located in the body, that no imitations of Peruna can succeed.
