

OLIVER FOR ASSISTANT

Will Succeed Carey Sanger in War Department.

CHANGE SOON TO OCCUR

Retiring Assistant Secretary Desires to Be Released as Soon as Practicable.

(By Associated Press.) OYSTER BAY, N. Y., July 13.—At the conference to-day between President Roosevelt and Secretary Root, it was decided to appoint Robert Shaw Oliver, of Albany, to be assistant secretary of war, vice Carey Sanger, resigned.

General Oliver has a military career of distinction. He served in the Civil War as a volunteer officer, and subsequently served as an officer of the regular army establishment, in both the infantry and cavalry branches. For many years he has been identified with the National Guard of New York. General Oliver is engaged in the iron business, and is quite as prominent in commercial circles as he is in military affairs.

It has not been decided definitely when he will assume his new office, but as Colonel Sanger desires to relinquish his duties as soon as possible, the probabilities are that General Oliver will undertake this task as soon as he can arrange his business affairs.

In connection with the consideration of appointments, it can be said that the President has not thought seriously of naming Charles S. Francis, of Troy, N. Y., as ambassador to Italy, because so far as the President is aware, Ambassador Myer has no intention of resigning that post.

Secretary Root is still the guest of President Roosevelt at Sagamore Hill. He will leave for Washington to-morrow at 8:50. He and the President have considered the Alaskan boundary question with some care during his visit. The Secretary will leave for London on the steamship Celtic on August 23. The sessions of the joint commission will begin on September 30th.

LONGSHOREMEN MEET

Twelfth Annual Convention in Session at Bay City, Mich.

(By Associated Press.) BAY CITY, MICH., July 13.—The twelfth annual convention of the International Longshoremen, Marine and Transportation Workers' Association, opened in Armory Theatre, in this city, to-day, with over two hundred delegates in attendance, representing five hundred and sixteen subordinate organizations, with a total membership of close to 150,000.

In his report President Daniel J. Keefe said: "It has been the past policy of our organization to exhaust all means of arriving at a satisfactory settlement before ordering a strike, but the great extent of the success of our organization has given us the ability to meet with our employers and to enable them to see how our labor merits increased wages and reduced hours."

James Robertson was elected assistant secretary and James McGovern sergeant-at-arms.

REPUBLICAN CONVENTION

Interesting Political Contests in Wythe County.

(Special to The Times-Dispatch.) WYTHEVILLE, VA., July 13.—The outcome of the precinct mass-meetings held Saturday to elect delegates to a county convention, to be held in Wytheville next Saturday, will probably be the nomination of Deputy County Treasurer, R. Kincer, for county treasurer. The contest has been warmly waged between five candidates, and Mr. Kincer claims the greatest majority in the precincts.

He has served for the past four years as deputy for Treasurer James R. Hille.

Another contest of interest is that for commissioner of the revenue for the Eastern District. There are four candidates, and the outcome is doubtful. No victims for the Democratic slaughter for member of the House of Delegates, and for Commissioner of the Revenue, have offered themselves, but it is presumed that the convention will trot one out for each office.

Ex-Deputy Sheriff T. S. Davidson has no opposition for the nomination for sheriff, nor has Frank M. Withers, commissioner of the Western District.

THE HOTEL MEN

A Plan Suggested of Mutual Fire Insurance.

(Special to The Times-Dispatch.) ROCKBRIDGE ALUM SPRINGS, VA., July 13.—The Virginia Hotel Association held a large meeting here on the 10th and 11th instant. The most important feature of this meeting was a resolution offered by Mr. James Frazier, of Rockbridge Alum Springs, to form a mutual hotel fire insurance protection. Thirty very prominent hotel attorneys have expressed with the resolution and no doubt at the next meeting it will be adopted. Since the last meeting, the membership has more than doubled and they expect to have one hundred members at their next meeting, which will be held in Norfolk, Va., at the Hotel Clarendon, January, 1904.

A rising vote of thanks was given to the Hon. James Frazier for the hospitable manner in which he entertained those present.

SERVICES AT SUNRISE

Christian Endeavor Convention Comes to an End.

MANY ADDRESSES MADE

Bishop Joyce Declares the Proposition to Amalgamate the Societies of the Churches Impracticable.

(By Associated Press.) DENVER, COLO., July 13.—Sunrise services in five churches marked the opening of the final day of the twenty-first biennial international Christian Endeavor convention. Large audiences attended these early meetings and thousands of Endeavorers pledged themselves anew to carry on the work which the organization has undertaken.

"China" was the subject of discussion by the foreign mission classes, of which Rev. Harlin P. Beach, of New York, was the leader. Rev. E. E. Chivers, D. D., of New York, led the discussion of "Our Brother in the East" at the session of the home mission study class.

A conference of "floating society workers" was held at the First Universalist Church, at which the subject, "How Can Floating Christian Endeavorers Be Extended?" was discussed by Chaplain R. E. Steele, of Newport News, Va., and Captain J. O'Fall, of Cleveland, Ohio.

"The Field is the Work" was the topic of the forenoon mass meeting in tent Endeavor. Rev. Dr. Dennis S. Hamlin, of Washington, D. C., presided. Among the addresses delivered under the general head "Our Home Problems" was that of Rev. Sherman H. Doyle, of Philadelphia, on "The Foreign Problem at Home."

"Our Foreign Problems, and How Christian Endeavor Helps Solve Them" was discussed by Rev. W. P. Bentley, secretary of China; Rev. H. O. Wyckoff, for India; and Rev. Ellis Hotchkiss, for Africa.

Mr. Chivers drew from colored preachers and professors presented an admission that not one colored preacher in the South is an educated man. The missionary schools, he thought, are doing little good, because the colored preachers and teachers could properly be trained.

The recent lynching of negroes was touched upon by Mr. Chivers, not all the colored people present to agree with him that the outrages committed by the victims of mob violence were of the most heinous kind and called for the most severe punishment.

DOWNPOUR YESTERDAY

No Great Rise in River, However, is Predicted—Low Temperature.

The rain, which began in Richmond Sunday, continued yesterday afternoon and at no time yesterday did the sun peep from behind the clouds. The temperature is decidedly lower than for many days. At midnight the thermometer had dropped to sixty-four, which is a remarkably low point for July. But the moon was shining and the stars were modestly twinkling, being harbinger of a clear day to-day.

The Weather Bureau announces that the rain will not have the effect of producing anything like a serious flood. The water level in the James River is greatly increased—an unlikely contingency.

(By Associated Press.) PARIS, July 13.—The Patrie's Rome correspondent has interviewed Cardinal Oreglia, who denies the reports of disagreements between himself and Rampolla. He said that as Camerlingo he had been forced to take certain measures, but that he has always acted in agreement with Cardinal Rampolla, except on political subjects. He indignantly protested against the insinuations of certain papers, saying that he had not the slightest doubt of the probity of all the cardinals.

The dispatches cover the period from May, 1901, to June, 1903. OCEAN VIEW ALIVE WITH GUESTS

A Number of Richmond People are Summer Guests—A Delightful Innovation.

(Special to The Times-Dispatch.) OCEAN VIEW, VA., July 13.—Old King Sol has awakened people everywhere out of a fabled slumber spring where to dwell eternally amidst spring weather, consequently, the managers of seaside resorts have put on their best summer grin. Ocean View, always popular, is blossoming now with many new graces. The grounds are beautiful and picturesque, the hotel is better than ever, and everybody who comes goes away satisfied.

A fine vaudeville show is running. Mrs. William L. Royall and Mrs. W. C. Preston, among the Richmond contingent here, are enthusiastic over the surf bathing, and last night organized a moonlight bathing party, much fun and laughter until 10 o'clock.

This was an innovation at Ocean View, but is sure to become a popular fad. Mrs. J. D. Patton returned to Richmond Thursday, but left her little daughter, Fannie Leary, under the care of Mrs. Royall.

Mrs. A. Osterloh arrived yesterday. Mr. W. S. Rhoads and family are here, and Mr. Rhoads witnessed the annual outing of the great Miller-Rhoads Company, of Norfolk, when one hundred and seventy-five of the company's partook of a picnic at the Ocean View Hotel, after a dip in the water and a turn at the varied amusements around the grounds.

These annual events furnish great delight to their employes as well as being a liberal treat. Mr. J. H. Tiller and wife and Mr. E. H. Gunst and family are also here, and many Richmond people are slated to arrive this week.

A number of Atlanta society people are to visit Ocean View this summer. Mr. J. R. McKelden, wife and child, from Atlanta, have arrived and are enthusiastic. Mr. W. E. Christian and other Atlantians, who had preceded Mr. McKelden here, have carried the news to Georgia.

Congressman F. M. Simmons and family, of Raleigh, N. C., are guests here. C. E. Massenburg and family, of Oxford, have arrived and are here. George Kerchival and son, of Nashville, are here; also Dr. Hugh N. Blair and party and Mrs. J. S. Colgan, of Sheffield, Ala.

Miss Mary Bradley Bailey, of Lexington, Ky., arrived a few days ago. She is always a charming and popular guest, and she has had a very successful year.

Many other prominent people are here and are coming. Yesterday, as usual, in the chapel, a gift of Mr. John L. Williams, Sunday services were held.

A fine organist and trained choir furnish the music. Many eminent divines will preach during the season. Last Sunday the clarion tones of a new bell, recently added in the tower, sang out its music for the first time, which was waited upon and down the beach.

There seems to be nothing that Ocean View cannot get if it is wanted.

ST. PETERSBURG, July 13.—According to the newspaper Novokral, published at Port Arthur, Russia has informed China that she is compelled to exclude foreigners from Manchuria and postpone the opening of Manchurian ports, owing to the presence of Englishmen and Americans who, in Russia, are engaged in espionage. EXERCISE SELF-CONTROL

Letter Read from Governor Terrill, and an Address on the Part of Mayor Howell Was Given by His Private Secretary.

(By Associated Press.) ATLANTA, GA., July 13.—Booker T. Washington to-night addressed an immense audience in the People's Tabernacle, the occasion being the thirty-sixth anniversary of the First Congregational Church (colored).

A letter was read from Governor Terrill, and an address on behalf of Mayor Howell was given by his private secretary.

Professor Washington spoke in part as follows: "Every decent white man and negro in the South is glad that the time will soon be at an end when the negro will be popular with his people in proportion as he cures the white man, or when a white man can be promoted to positions of trust and honor in proportion as he has been successful in unfairly treating the negro. Wade Hampton, of South Carolina, when on his dying bed uttered the words, 'God bless all my people; white and black.'"

"I appreciate from the bottom of my heart the tremendous and trying strain that is now upon us, and how difficult it is for us to make progress under such circumstances; but I believe that the momentous period through which we are now passing will draw to our support the good will, the sympathy and helpful cooperation of larger numbers of white men in the South, as well as in the North, if we only exercise due patience, self-control and courage."

Pope's Remaining Strength Sapped by Number of Visitor.

(By Associated Press.) PARIS, July 13.—According to a dispatch received here from Rome the Pope's strength was heavily taxed and his sufferings increased by the number of visitors, altogether sixty-seven, whom he received during the past couple of days. Eighteen cardinals, thirteen relatives and a number of high papal officials imposed their visits on him, and as the Pope wished to say a few words to each the fatigue caused fresh progress of his malady.

He was last heard of going in the direction of a swamp with a posse of determined men close on his trail. The men returned a few hours later, stating that they had lost Kelly in the swamp, and had abandoned all efforts to capture him.

It is almost a certainty that the negro was captured and lynched.

HEALTHY OLD AGE

Peru-na invaluable for the Catarrhal Diseases Peculiar to Old Age.

In old age no matter how healthy the person may be, there is a tendency to coldness, sluggishness of the circulation, inadequate digestion of food. Such a condition is not exactly a disease, but is one of the inevitable consequences of old age. Peru-na is peculiarly adapted to these conditions, which result from old age. It spreads a grateful warmth throughout the whole system. It invigorates the circulation. It increases the digestive powers. In short, it mitigates all of the symptoms which are directly caused by old age.

Peru-na never fails to be of inestimable worth to old people. It prevents premature wrinkles. It gives health and elasticity to the skin, and under its use the sallowness and wizened expression disappears. It has been stated over and over again in letters from old people, that "Peru-na has made me look twenty years younger."

In old age the mucous membrane becomes thickened and partly loses their function. This leads to partial loss of hearing, smell and taste, as well as digestive disturbances. Peru-na corrects all this by its specific operation on all the mucous membranes of the body.

Mrs. Jerusha M. Crane, Deerfield, Mich., writes: "I must claim you as a friend, for you have cured me of my suffering. I cannot speak too highly of you and Peru-na, for I believe it has saved my life. I suffered with my head, throat, lungs, stomach, intestines and bladder (systemic catarrh). I am now feeling well, thanks to Peru-na. I can eat anything I want and it does not hurt me. I can sleep, and get up feeling well and good. I am so thankful that I found your Peru-na. I am almost seventy-one years old."

A New Man at 79. Major Frank O'Mahoney, West Side, Hannibal, Mo., writes: "Up to a few years ago I felt no need to test its medicinal potency, but lately when my system needed it, your Peru-na relieved me of many catarrhal troubles. Some two years ago I weighed 210 pounds, but fell away down to 168 pounds, and besides loss of flesh, I was subject to stomach troubles, indigestion, loss of appetite, insomnia, night sweats, and a foreboding of getting my entire system out of order. During some months I gave Peru-na a fair trial, and it

rejuvenated my whole system. I feel thankful, therefore, for about 70 years old, I feel like a young man."—Major Frank O'Mahoney.

One bottle will convince anyone. Once used and Peru-na becomes a life-long stand-by with old and young.

If you do not derive prompt and satisfactory results from the use of Peru-na, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Dr. Hartman, President of the Hartman Sanitarium, Columbus, O.
