Thousands of Women Have Kidney Trouble and Never Suspect It.

Almost every one, from personal experience, knows that the effects of any kind of severe physical strain are felt, first of all, in the small of the back—in other words, in those Vital Organs, the Kidneys. This is as true in the case of the very powerful as it is with one of less strength, and it is especially true whenever the kidneys are weak or out of order.

The Great Kidney Remedy, Swamp-Root, Strengthens the kidneys and through them helps all the other organs. WOMEN suffer untold misery because the nature of their disease is not always correctly understood. In many cases when doctoring they are led to believe that womb trouble or female weakness of some sort is responsible for their ills, when in fact disordered kidneys are the chief cause of their distressing troubles. Perhaps you suffer almost continually with pain in the back, bearing-down feelings, headache and utter exhaustion.

YOUR poor health makes you nervous, irritable and at times despondent; but thousands of just such suffering or broken-down women are being restored to health and strength every day by the use of that wonderful discovery, Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

NOT only does Swamp-Root bring new life and activity to the kidneys, the cause of the trouble, but by strengthening the kidneys it acts as a general tonic and food for the entire constitution. Swamp-Root a Blessing to Women. My kidneys and bladder gave me great trouble for over two months and I suffered untold misery. I became weak, emaciated and very much run down. I had great difficulty in retaining my urine, and was obliged to pass water very often night and day. After I had used a sample bottle of Dr. Kilmer's Swamp-Root, sent me on my request, I experienced relief and I immediately bought of my druggist two large bottles and continued taking it regularly. I am pleased to say that Swamp-Root cured my ailment. I can now stand on my feet all day without any bad symptoms whatever. Swamp-Root has proved a blessing to me.
