PRIMARY IN PETERSBURG

Nominations to be Made To-day for Mayor, Aldermen and Councilmen.

A WARNING TO THE VOTERS

Mayor Jones Issues an Address, Saying Violations Will be Prosecuted.

PETERSBURG, VA., May 11.—The commission have completed their work and everything is ready for the primary election in this city to-morrow. There is practically no contest among the candidates for the Board of Aldermen and the Common Council. The fight, therefore, will be between the candidates for Mayor, Dr. J. M. Pleasant, ex-Mayor, and W. M. Jones, the present Mayor. The vote will be very small, compared with that of the previous primary. Before the new Constitution went into effect the qualified voters of Petersburg numbered about 2,600. The voters qualified for the primary to-morrow, number about 1,400, which is hardly one-half the voting population in this city.

Mayor Jones to-day issued a card, in which he said: "The voter qualifying himself by paying his poll tax must do so in person, and said it had come to his personal knowledge that the provisions of the law had been violated, and he warned all persons not entitled to vote that any effort on their part to succeed in this way will be met with such penalties as the law imposes in illegal voting."

He has been most thoroughly enjoyed than the course delivered by Dr. Sykes, and the wish is expressed by all who attended these lectures that they may hear this distinguished lecturer again next season.

In this connection Mr. Seward referred to the banquet given some months ago by the opinion that a barbecue and fish muddle is a social season following the debate. The question discussed was "Would the Triumph of the Japanese in the Eastern War be for the Larger Interests of Mankind?" Harrison, of West Virginia; Winfree of Cullpeper, and A. Fong, of China, upheld the affirmative, and Anderson, of Halifax, Va.; Griffin, of North Carolina, and Snead, of Fluvanna, fought for the Russians.
