PORT ARTHUR THE POINT. Russians Think Japanese Will Devote Time and Energy to Russian Stronghold.

(By Associated Press.) ST. PETERSBURG, May 24.—P. M.—The prevailing opinion at the headquarters of the general staff is that the withdrawal of the Japanese upon Feng Wang Cheng means that the enemy has decided to devote himself primarily to operations against Port Arthur, and that the presence of General Kuroki with the first army, supported by General Nadeya, with the third army, now landing near Taku Shan, is to watch General Kurapatkin and prevent a move south from Liao Tung, which would take the Japanese to the second army, on the Lao Tung peninsula, in the rear.

A direct attack upon General Kurapatkin's main force apparently is not considered to be impending. The most important support of the anticipated, although some of these may be quite sanguinary. The Russian scouts are keeping in constant touch with the enemy, and thus far the minor successes of the enemy's detachments west of the Tumen River and northward of Mui Tung Lake are considered to be in the nature of screens.

If the two armies of the Russian commander-in-chief are trying to work a force around in the rear of the Japanese, the fact is sedulously concealed here. WORRIED BY APPROACHING RAIN. Uneasiness is displayed at the near approach of the rainy season, which will retard, if not completely stop, field operations, although this plays directly into the Russian hands. The Russians will continue to hold Nuehwang, Kai Chou and Tashi Chou until a move in force is made towards Hai Cheng, with the object of cutting off the Japanese from Liao Tung and Kai Chou, which is sufficient to stand off an ordinary force of the enemy and discouraging the landing of troops there or at Hung Yo Chen. The Japanese are not in force north of Wafandian.

Apparently there is good warrant for the belief that General Kurapatkin has a strong line extending south from Liao Tung and west of Hai Cheng, protecting an advance upon Kai Chou and Nuehwang.

Skirmishes Continue.

(By Associated Press.) LIAO YANG, May 24.—There is continual skirmishing between the Russian cavalry and the Japanese. Cossacks are harassing the Japanese in the hills and by-roads, generally driving them back. The general plan of the Japanese has not been divulged. They are apparently marking time, awaiting the arrival of reserves from Korea, who have been delayed owing to the impassability of the roads.

The Japanese are sending all invalids in the direction of the Yalu to a central hospital.

The Chinese report the destruction of another Japanese battleship off Port Arthur. Several hundred soldiers deserted from the hospital and stole back to the front.

COSSACKS REPULSE JAPS.

Kuropatkin Tells Emperor of Engagements in Which the Enemy Were Routed.

(By Associated Press.) ST. PETERSBURG, May 24.—The following dispatch from General Kurapatkin to the Emperor, dated May 23, was received to-day:

Our cavalry outpost on May 22 and May 23, observed a movement of a portion of the Japanese forces, westward along the Hai Cheng road near the village of Dalandaputse, six miles from Feng Wang Cheng. On May 21st a Japanese detachment, consisting of six companies of infantry and two squadrons of cavalry attacked some Cossacks on the right bank of the Seizi River near the village of Pouentinka. When the engagement began the Japanese cavalry remained under cover and the infantry, which declined to cross the valley, maintained a distant and almost harmless fire without sparing ammunition. A small party unsupported, tried to cross the river for the purpose of turning our left flank, but was driven back by the charge of half a squad of Cossacks, who, under the cover of the Japanese retreat, our losses were ten Cossacks wounded.

Details of the engagement May 20 and 21st at Sitkhoutchinda have not yet been ascertained.

Nothing Doing at Port Arthur.

(By Associated Press.) CHE FOO, May 24.—No further news had been received here from Port Arthur or the armies north of the Yalu River up to the hour of filing this dispatch.

Hopes to Save Bogaytr.

(By Associated Press.) ST. PETERSBURG, May 24.—Additional details of the disaster to the protected cruiser Bogaytr confirm the previous reports to the effect that she went ashore in a fog at the entrance of the gulf of Amour, opposite Vladivostok. Her guns were taken off and some of the crew mounted ashore to protect the vessel during the salvage operations. Although the statement was positively made yesterday that she had already been blown up, the admiralty insists that this is not true, and that efforts are still progressing to save her. Vice-Admiral Skrydoff having telegraphed to the Emperor that he thought he could do so.

REPORTS CONFLICT.

Rumor's Is the Busiest News Bureau Now Handling Dispatches in the Far East.

(By Associated Press.) LONDON, May 25.—Rumor is unceasingly busy with the war, but little evidence is placed in the varying statements in the absence of official confirmation.

The Daily Mail's correspondent at Sitkhonokai, Japan, cabling under date of the 24th, asserts that active preparations are in progress for the reduction of Port Arthur, and that these preparations will be entrusted to a carefully chosen force of veterans, forming part of the Third Army. Very heavy artillery, merely for the purpose of being lent on the Liao Tung Peninsula.

Dispatches to the Daily Telegraph show that on May 16th the Japanese headquarters were still at Feng Wang Cheng. This, the correspondent attributes to the necessity for joint action with the Japanese army, which has landed at Pitswee. They explain that communication has not yet been established between the two Japanese armies, but that it is expected to be effected within a few days. The dispatches say that the telegraph lines between Feng Wang Cheng and the south have been cut by Russians disguised as Chinese. A Russian transport is moving from Liao Yang in the direction of Mukden, but it is not known whether this means a retirement of the army or merely the removal of winter clothing, which is no longer needed. The movements of war correspondents, the dispatches say, are limited to a radius of a mile and a half from Feng Wang Cheng.

The Daily Telegraph's New Chung correspondent declares that General Kurapatkin is determined to check the Japanese at Liao Yang where probably the greatest battle of the war will be fought. He adds that the Japanese land operations against Port Arthur are meeting with little success.

General Stoessel and Major-General Pock continue to make well directed, but desperate, sorties against the advance of the Japanese, who are fighting with stubborn determination. Additional details of the history. Several hundred Japanese have been killed during the past few days. Japanese reinforcements are arriving daily from Pitswee and Polandan according to this correspondent.

The correspondent of the Daily Telegraph says that Kin Chou is being besieged by the Japanese, and its surrender is momentarily expected.

It is reported from Brussels that the Russian government is making great efforts to this large steamers from Belgium and Holland to accompany the Baltic fleet as colliers.

Included in a score of rumors is one sent by the Shanghai correspondent of the Morning Post to the effect that the Russians had been defeated near Yin Koo, abandoned their guns, and that General Kurapatkin has been advised by Viceroy Alexieff to retreat to Harbin.

JAPS VICTORIOUS.

General Kuroki Reports Engagement in Which the Russians Lose.

(By Associated Press.) TOKIO, May 24, P. M.—General Kuroki reports that a section of Japanese infantry encountered and defeated 200 Cossacks at Touth-Kou, eight miles north-east of Kwang-Pon.

The Cossacks fled to Ai-Yung-Pien-meng, leaving twenty dead. The Japanese captured a large quantity of arms and ammunition. The details of the engagement are still progressing to save her. Vice-Admiral Skrydoff having telegraphed to the Emperor that he thought he could do so.

Japs Burn Supplies.

(By Associated Press.) MURDEN, May 24.—The Russians on May 15th made a sudden attack upon the town of Anjo, Korea, from the village of Hai Tchien, and captured the town, destroying it. The Japanese garrison set fire to the houses and stores and retired in perfect order.

On Monday evening the annual commencement concert was given in the seminary chapel by the pupils of the music department. With the concluding exercises of this morning, closed the fifty-ninth commencement of the seminary.

Colonel Miles Delivers the Annual Address—Other Features.

(Special to The Times-Dispatch.) MARION, Va., May 24.—The thirty-second annual commencement exercises of Marion College for women began Saturday evening last with a recital of songs of expression, physical culture and music.

The comedy drama, "When Fond Hopes are Blown," was presented under the management of Miss J. Grace Beard, who is indeed an artist. The play consists of two parts, the first being played by the students of the college, and the second by Misses Virginia Williams and Misses Mammie Brooks, Grace Cosby, Blanche Fox, Fannie Young, Carrie Wright, Mable Patterson, Kemp Grayson, Helen Soberer and mmmmmmmmm.

Sunday morning at 11 o'clock, at the Methodist Church, Rev. Dr. Perry, of Sassa, Va., delivered a most excellent sermon before the Woman's Home and Foreign Missionary Societies.

The annual literary address before the students of the college was delivered Monday at Francis's Opera House, by Colonel George W. Miles, of Radford, Va. Much interest was manifested in the speaker, and the occasion particularly, because Colonel Miles was born, reared and educated in Botetourt Virginia, and for many years was a citizen of Marion. The art display of the classes of 1904-1905 was a most excellent exhibition of artistic skill and beauty. This department is under the immediate control of Miss Olivia Rhineland.

POLITICS IN MANCHESTER.

Sentiment Is Against Primary, Except in Local Elections.

TONEY'S NAME MENTIONED.

Entertainment for City Mission. Annual Outing of Joe Johnston Camp.

(Manchester Bureau, Times-Dispatch.) The question of delegates to the State convention is a mooted one. There are a number of good candidates for the honor, any one of whom is looked upon as a fine representative of the city.

Last night the name of Mr. D. L. Toney was mentioned by his friends as a good man to represent the city at the convention. In addition to his name, the names of Alderman Radd and Committeeman Bradley are being mentioned, and it is quite likely that both of the latter will be chosen at the meeting next Monday night.

Judge Clifton, Commonwealth's Attorney Page and City Chairman Robert French are looked upon as certain.

The sense of the people seems to be against the primary, except in local elections. They claim that the adoption of the plan in general means that a poor man, no matter for his abilities, cannot go to Congress or to the Senate, because he may not be able to stand the expenses of a primary.

On these grounds it is likely that Manchester will declare itself as opposed to the primary, except in local elections.

COURT NOTES.

Mayor Maurice fined Joe Woolridge \$2.50 yesterday for disorderly conduct, and W. E. Johnson paid the usual fee for getting "full."

Hickey Alvis, Mr. and Mrs. William Peters will appear before Squire Cheatham on Friday to answer the charge of engaging in a disorderly affair at Forest Hill.

The case of George Meredith in the Corporation Court was postponed until Friday.

FOR CITY MISSION.

The entertainment at Leader Hall on Friday night for the benefit of the City Mission promises to be a fine affair. The program as arranged by Mrs. A. L. Daffron and Mrs. William Beattie is a good one, and includes such entertainers as Mrs. Pat Griffin, Misses Lucie and Margaret Owen, Wilson and Freeman, Canepa and Keenan, Phillips and Burton, Misses Shifflet and Gregory, the Bainbridge Street choir, the Manchester Mandolin Club, and others. A May pole dance will be given by six young ladies.

PERMANENT AND BREVET. Joe Johnston Camp made all arrangements last night for the outing at Dreyer's Bluff to-morrow.

The thirtieth anniversary of the Presbyterian Church will be celebrated at the church Thursday night by the Ladies' Aid Society. A fine program will be arranged.

Mrs. W. E. Belcher, who has been the guest of the family of Mayor Maurice, has returned to her home at Perdue's.

All candidates in the recent primary must file their statement of expenses with the clerk of the court by noon to-day.

Misses Carrie and Louise Bailey, of Middleton, are the guests of the Misses Beyer, No. 1229 Bainbridge Street. Chief Lipscomb has been chosen chief of the Confederate veterans' camp on the outing to-morrow.

sional District, and is the home of Colonel James Kilbourne, who has been named as the Ohio favorite against Henry C. Fisher, an anti-Heard delegate from Cincinnati were seated 13 to 7.

If the seventy-three votes of Cuyahoga county, headed by Mayor Johnson, co-operate with the radicals, it will make three districts, the two Cleveland districts being classed as doubtful.

No Leadership.

There were mixed conditions in several districts, showing that the conservatives do not have leadership. In the Fifth, A. P. Saunders, a radical, was made State committeeman, while Walter B. Ritchie, of Lima, formerly manager for the late Senator Calvin S. Brice, and now one of the leading conservatives, was endorsed for delegate at large. At the same time Ritchie was defeated in his home district the Fourth, for such endorsement by Judge John F. Linderman, one of the leading radicals.

Among those who were endorsed by different districts for delegates at large, who will be selected to-morrow, are: Coshocton, General A. J. Warner, of Marietta, and former Congressman John J. Lentz, of Columbus.

There is a dearth of candidates for the State ticket.

W. P. Huntington is the candidate of the conservatives, and A. P. Saunders, of the radicals, for Secretary of State.

TURNS TOWARD GRAY.

Reported that Cleveland and Gorman Are Promoting Him.

WILMINGTON, DEL., May 24.—It is persistently reported among well-informed politicians here that ex-President Cleveland and Senator Gorman have been sounding their friends regarding the availability of Judge George Gray for the moderate nomination for the Presidency.

Another story is to the effect that ex-Congressman I. Irving Handy, who expects to present the name of Judge Gray to the St. Louis Convention, has received Ohio through to Cincinnati on the Bryan regarding the Gray candidacy. Handy is a very close friend of Bryan, and was one of the Committee on Resolutions of the Kansas City Convention.

Democrats of White Clay Creek hundred held a largely attended meeting to-night, and elected I. Irving Handy, Charles Bevan, Nathan S. Johnson, James R. Marshall and F. Smalley delegates to the State Convention. They endorsed Judge Gray for President.
