

OFFICERS OF THE CLUB Women Organize and Arrange Several Departments.

WANT AN ART EXHIBIT Petition in Bankruptcy Filed. Lawyers to Investigate Claim of Lease to City New York.

(Special to The Times-Dispatch.) RALPH G. N. C., October 8.—Miss Fannie Heck is elected president; Mrs. C. M. Busbee, vice-president, and Mrs. J. Y. Joyner, secretary, of the Woman's Club, organized here last afternoon, with over 20 members.

It is announced that the Centennial Grammar School will reopen Monday after having been closed yesterday until further notice on account of diphtheria on the premises.

STUMP APPOINTMENTS. Announcement is made from Democratic headquarters that W. C. Dowd, of Charlotte, will speak at Catawba October 21st; Piney Grove school house, October 22nd, at night; Catawba Springs, October 22nd, 23rd and 24th, at night.

A charter is issued to-day for the Washington Gin Company, of Washington, Beaufort county, the capital being \$100,000 authorized and \$3,000 subscribed by William Bragaw, H. B. Kaye and others.

A BIG CLAIM. Andrew H. Green and L. M. Green, of this city, have employed attorneys to investigate a claim that their grandfather, Andrew Hartfield, in 1785 leased property on Manhattan island to the city of New York for 100 years, and that the heirs are now entitled to re-possession of the property, which is now valued at over a million dollars.

A. H. Green is chairman of the Wake county commissioners. Mrs. Richard, of Rocky Mount, filed a petition in bankruptcy here to-day, giving liabilities at \$16,775 and assets \$7,550. She conducted a dry goods and millinery business.

TO HAVE A GYMNASIUM. Probably That Howitzers Will Occupy Old Cavalry Armory. The Howitzers Battery will probably install a gymnasium in the old Cavalry Armory on North Seventh Street just back of their handsome armory.

Some months ago the City Council passed an ordinance giving the battery the use of the old armory, and at that time the "runners" thought they would install the gymnasium, but since that time they have found it hard to raise the necessary funds with which to purchase the proper equipment. Recently the handsome gymnasium of the Elk's Club was converted into a pool room, and the organization have the equipment on their hands.

Registration in Chicago. (By Associated Press.) CHICAGO, October 8.—This was the first day for the registration of voters in Chicago, and the number registered was smaller than either in 1896 or 1900.

Doctors Frequently Mistaken. "I suffered untold agony with piles for over three years. Two doctors told me nothing but an operation would cure me. I tried different remedies, but nothing did me any good until I used Pyramid Pile Cure. I bought six fifty-cent boxes at the drug store, and now I can do my work and no more pain before I spent most of my time lying down. I thank God for giving me the discoverer the knowledge to make such a cure. I recommend it to all my friends, and if I ever have piles again will certainly use this remarkable remedy. You can use it in any way you wish to make known the wonderful merit of Pyramid Pile Cure." Mrs. Wm. Mackey, 81 Marshall Street, Elizabeth, N. J.

The experience of this lady is that of thousands of others who have been assured that nothing but an operation would rid them of this distressing complaint. On the face of it, it appears as if too many surgeons operate in order that they may keep their hand in, and lose no portion of their skill; then, again, too many surgeons, and too many operations, like the scientific man in Mark Twain's pathetic story of the dog and her little puppy, and do not have proper regard for a patient's physical welfare or condition.

We advise every sufferer to think twice before submitting to an operation for piles, and suggest that those interested write to the Pyramid Drug Co., Marshall, Mich., for their little book on the causes and cure of piles, which is sent free for the asking.

OPERATIONS NOT ALWAYS NECESSARY. "I suffered untold agony with piles for over three years. Two doctors told me nothing but an operation would cure me. I tried different remedies, but nothing did me any good until I used Pyramid Pile Cure. I bought six fifty-cent boxes at the drug store, and now I can do my work and no more pain before I spent most of my time lying down. I thank God for giving me the discoverer the knowledge to make such a cure. I recommend it to all my friends, and if I ever have piles again will certainly use this remarkable remedy. You can use it in any way you wish to make known the wonderful merit of Pyramid Pile Cure." Mrs. Wm. Mackey, 81 Marshall Street, Elizabeth, N. J.

The most recent developments of the city is the proposed warehouse which is to be erected in the vicinity of Ninth and Cary Streets, which will be used as a distributing point for heavy goods to be shipped all over the South.

As yet the promoters of the plan will not give out any details, but it is said that the concern will do a business which will reach anywhere from two to three million dollars a year.

The building, which is to be erected, will cover an area of 100x100 feet and will be four stories in height. The structure will cost not less than \$15,000. Architects are now making plans for the building.
