

IS OVERWHELMED WITH KINDNESS Words of Good Cheer Flow in to President Roosevelt. ARE AGAINST THIRD TERM President Seems to Recognize This and Says He Won't Run Again.

(By Associated Press.) WASHINGTON, D. C., Nov. 9.—President Roosevelt was overwhelmed with congratulations to day. They were presented by many people in person and were received by mail and by telegraph from every State and from almost every city in the country. The President was in exuberant spirits. Official business was very impossible of transaction by the President to-day. Scores of people called on him to extend their felicitations upon the result of the election. While he radiated good feeling, President Roosevelt was perfectly calm and undemonstrative. The President said to-day he felt that his announcement that he would not accept another nomination would prevent, during the next four years, any misinterpretation of his actions, personal or official. He expressed himself as being in entire sympathy with the evident belief of the American people in the undesirability of a third term.

Democrats Join In. Shortly after noon a delegation of the prominent residents of Washington was received by the President. The delegation was entirely non-partisan, James L. Norris, the Democratic national committeeman for the District and other Democrats joining in the cordial congratulations of Mr. Roosevelt. One of the callers on the President was Mrs. Robert Anderson, widow of Major Robert Anderson, the hero of Fort Sumter. As she was scarcely able to leave her carriage, President Roosevelt went to the main entrance to the executive offices to greet her. She presented to him a bunch of beautiful pink roses the card bearing the inscription, "With my warmest, warmest congratulations." The President greeted cordially with Mrs. Anderson, expressing to her his sincere appreciation of her call and her congratulations. The President will be given a serenade by the Spanish war veterans on Monday night.

MR. HEARST DENIES. Says That Democracy Will Reorganize Herself. NEW YORK, Nov. 9.—W. R. Hearst issued the following statement to-night with regard to the report that steps were being taken to organize a new party. "I have no knowledge of any meeting being held by Mr. Watson, Mr. Bryan and myself. I think the Democratic party will organize itself on a basis of true democracy, eliminating the Wall Street influence, which proved disastrous in this campaign, and I, as a loyal Democrat, will be very happy to see that done. I am always ready to contribute my own services and those of my papers to the Democracy for reorganization or any other purpose which may be required. I shall be glad to work with the loyal Democrats for the success of Democratic principles, but I think the loyal Democrats are quite capable of choosing their own leaders, and I imagine this point will now be conceded by those who endeavored to force leaders upon them."

MORE TROUBLE BREWING Delaware Legislature Will Likely Open With Deadlock. WILMINGTON, DEL., Nov. 9.—Complete but unofficial returns give Roosevelt a plurality of 4,100 in Delaware. Preston Lea, the Republican compromise candidate for Governor, carried the State by a plurality of 1,000. The indications at present are that the next Delaware Legislature will be in deadlock on the question of electing a United States senator to succeed Senator Ball. It is understood here that J. Edward Adicks expects the Legislature to elect a United States senator, but there is nothing on the surface to-night to show that the regular will join the Union Republicans in selecting the senator.

Mississippi Solid. JACKSON, MISS., Nov. 9.—Returns from yesterday's election are coming in slowly but the figures do not seem to-night will not be materially changed. The Democratic ticket will have approximately fifty thousand majority in the State, with eight Democratic Congressmen returned.

JOS. W. FOLK WINS IN MISSOURI

Vigorous Young Reformer Leads His Party on to Victory. (By Associated Press.) ST. LOUIS, November 9.—Twenty-four hours after the polls had closed in Missouri found the results of the election still undetermined throughout the State, although it was practically conceded that Missouri had succumbed to the Roosevelt landslide, but that one Democrat remained standing, he being Joseph W. Folk, for Governor. However, even in the face of the impending returns showing a Democratic slump throughout the State, the Democrats insisted that the true results cannot be known until the returns had been completed, and asserted that Democracy in Missouri was yet victorious.

by a very narrow margin. The Republicans hoped for a complete victory throughout, and insisted that Cyrus P. Walbridge, for Governor, had not been defeated, but would be elected by a slight majority. They also claimed to have elected five of the sixteen congressmen, making a gain of four, and declared they had a majority of two on joint ballot in the Legislature, which will elect a successor to United States Senator Cockrell.

HON. JOSEPH W. FOLK, Newly Elected Governor of Missouri.

The election in St. Louis and in the State passed off quietly. Little disorder occurred in St. Louis and no trouble was reported throughout the State. St. Louis reported throughout the State, and Democrats were emphatically claiming the election, with the possibility the Democrats having carried the State. It was a very undecided and mixed situation until the complete city returns settled a Republican city victory, with the exception of Folk's successes, and incoming returns indicated a similar result throughout the State.

Deep Interest Felt. Interest at once became accentuated, and bulletins were closely scanned and the political headquarters thronged. Early in the day Republican State Chairman Nedringhaus declared by a majority of not less than 20,000, and insisted that Walbridge was not defeated. It was flouted out in the headquarters that returns from eighty-four precincts in the State outside of St. Louis and Kansas City, compared with the returns from the same precincts four years ago, showed a Democratic loss of 23 per cent. If the loss held out proportionately throughout the State it was asserted Walbridge was not defeated.

At the Democratic State headquarters it was claimed that Folk had carried the State by 25,000 to 40,000 majority; that the rest of the State ticket was safe, and that Parker had carried the State by a small plurality. At nightfall these claims were still advanced. W. J. Bryan telegraphed congratulations to Mr. Folk in the afternoon, but the latter decided not to reply until he could inform Mr. Bryan of his exact plurality.

PEOPLE CONTENTED. Democratic Leader Gives Reasons for Tuesday's Result. (By Associated Press.) NEW YORK, November 9.—William S. Rodie, in charge of the Bureau of Organization of the Democratic State Committee, to-day expressed himself as follows concerning yesterday's election: "The result of yesterday's election demonstrates that the American people are contented with present conditions. It also reveals the actual strength of the conservative Democracy, which must in the future be the nucleus of a party which will successfully appeal to the country, a party founded on the principles of opportunities for every citizen, and attracting to its ranks patriots and faithful voters. "Alton B. Parker is the natural leader of such a Democracy, and he owes it to his country to accept the responsibility."

LOGGE MACHINE FOUGHT BATES

Feared That the Governor Was Becoming Too Powerful. (Special to The Times-Dispatch.) BOSTON, MASS., November 9.—Governor John L. Bates' defeat in the face of 100,000 plurality for Roosevelt, and the election of his running mate, Curtis Guild, Jr., as a Republican Lieutenant-Governor, with an entire Republican Council, and all but three Republican representatives to Congress, is declared by Republican leaders to be a national disgrace.

It came as a shock last night by 8 o'clock, but as the full force of the situation dawned upon them, gloom settled down upon the party, in spite of Roosevelt's victory. It is a situation unparalleled in American political history.

HON. WILLIAM L. DOUGLAS, The Merchant Statesman, Now Governor of Massachusetts.

The Lodge Machine. While there are many contributory causes, there are charges of treachery and the knifing of Bates by the Lodge machine, which fears his ability and possible domination of the party in this State in years to come. The labor vote was also a powerful factor and the Civil War veterans voted against him heavily, because he vetoed the bounty bill. Many farmers voted against him because of his attempt for a revision of the Board of Agriculture. But the heaviest millstone around his neck was Police Commissioner Emmons, of Boston, whose antics as chairman of Boston's Police Board have gained for him a national notoriety. That such an insignificant factor should bring down to defeat an able man like Bates is considered a disgrace to the party, and a universal demand has arisen for the retirement of Emmons.

DOUGLAS'S FINE RUN. Great Shoe Manufacturer Outstrips Running Mates. (By Associated Press.) BOSTON, November 9.—The returns from the State were completed to-day, and the figures show that the Republican presidential electors received a plurality of 86,279 in a total vote of 422,825 cast by the Republican and Democratic parties yesterday.

The votes for President and head of the State ticket were: Roosevelt, 254,562; Parker, 168,273; plurality for Roosevelt, 86,279. For Governor: Douglas (Democrat), 231,311; Bates (Republican), 168,091; Douglas's plurality, 63,219. With the exception of Governor Bates, the Republican State ticket was elected by a substantial plurality. The Legislature is overwhelmingly Republican.

THE FIGURES STILL SEEM TO GROW

(Continued from First Page.) that the tickets in many of the States were out. President Roosevelt ran ahead of his ticket in many localities, notably in Massachusetts, where he received a plurality of 84,000 votes, while the Republican candidate for Governor was defeated by 65,000. In that State the Legislature is Republican and the entire Republican ticket, with the exception of Governor, was elected. In Nebraska the circumstances are similar. In Nebraska the definite announcement that the Legislature is Republican disposes of the statement that William J. Bryan had aspirations for a United States senatorship. In that State, too, the governorship is in doubt, and it will require official returns to determine who is elected. Both sides claim a victory.

Pluralities by States. There is a curious situation in Minnesota, where Roosevelt secured 125,000 plurality, but where a Democrat, Governor and Republican Lieutenant-Governor were elected. The election of a Democrat Governor is the second in the history of the State. Chairman Babcock, of the Republican Congressional Committee, has been re-elected to Congress from Wisconsin, but Chairman Cowherd, of the Democratic Congressional Committee, was defeated in Missouri. The situation in Colorado presented an interesting phase to-night. Roosevelt has carried the State by probably 5,000, but the governorship is still in doubt, both sides claiming a victory. At a late hour both parties claimed Maryland, the Republicans by 1,500. The Democratic State managers said the State would cast its electoral vote for Parker and Davis.

REPUBLICANS WIN. Probably Elect State and National Ticket in West Virginia.

(By Associated Press.) PARKERSBURG, W. VA., November 9.—West Virginia seems to have kept pace with the rest of the Union at Tuesday's election. Returns which came in very slowly last night, have been received to-day with considerable rapidity, and the result can be definitely stated. Democrats concede that Roosevelt has carried the State by over 10,000, while the Republicans claim that Roosevelt's majority will be the largest ever given to any candidate by the State and may exceed 30,000. The Democrats have not conceded the election of W. M. O. Dawson, the Republican nominee for Governor, although his election is claimed by the Republicans by over 20,000. State Chairman O. S. McKinney, of Wheeling, says: "We do not concede Dawson's election."

Chairman Northcott says: "We have carried West Virginia by over 20,000 for Roosevelt, over 20,000 for Dawson and the entire State ticket; we have 45 majority on joint ballot in the Legislature, and have elected all five of our congressmen." John J. Corawell, the Democratic nominee for Governor, ran far ahead of his ticket and cut down Dawson's majority materially.

DEMOCRAT WINS. Johnson Elected Governor of Minnesota Easily.

(By Associated Press.) ST. PAUL, MINN., November 9.—When all the returns shall have been received it is claimed by the Republicans that Roosevelt's majority will be close to 100,000, if not more. An estimate made to-day by the Dispatch indicates a majority of 100,000 majority. The Republicans elected the entire nine congressmen and the State Legislature. John A. Johnson, Democrat, and Ray W. Jones, Republican, were elected Governor and Lieutenant-Governor, respectively. Returns from fifty of the eighty-four counties in the State, received to-day by the Dispatch indicate a majority of 9,284 and further figures were received to indicate that those not heard from would raise the total over 15,000.

HAD NARROW ESCAPE. Democrats of Wisconsin All But Defeat Chairman Babcock.

(By Associated Press.) MILWAUKEE, WIS., November 9.—The result of the election in Wisconsin shows that Roosevelt ran ahead of every ticket and carried the State by a plurality estimated at between 60,000 and 75,000; that Governor LaFollette has been elected by a plurality of about 50,000, and that the congressional complexion remains unchanged from two years ago. The Legislature, which is to elect a United States senator to succeed Joseph V. Quarles, is largely Republican. One of the surprises in the election was the big increase in the vote of the Social Democratic party. Four years ago that party polled 4,468 votes in Milwaukee county; two years ago, 10,704, and in this election, 18,120. The Social Democrats elected four assemblymen and one senator to the Legislature. In the Legislature, Chairman W. D. Connor, of the LaFollette State Central Committee, claims there will be eighty members pledged to carry out the measures advocated by Governor LaFollette, Chairman Golden, of the Statewide Republican faction, and Chairman W. D. Connor, of the LaFollette State Central Committee, claims they will control a majority of each House, and he predicts that if United States senator Quarles is not re-elected the Legislature will probably find itself in a deadlock. Perhaps the greatest surprise of the election was the narrow margin on which

VOTE IN MARYLAND. Delegation Split, and Both Sides Claim the Electors.

(By Associated Press.) BALTIMORE, Nov. 9.—On the face of the unofficial returns the votes cast on Tuesday received here up to a late hour to-night show Maryland in Republican on the presidential ticket by a small majority. An official count may be required to decide the result. Three Republican congressmen—Frank C. Wachtler, Sydney E. Mudd and George W. Peck—were surely re-elected by material majorities. Three Democrats—Thomas A. Smith, J. F. C. Talbot (re-elected) and John Gill—were returned. Congressman W. H. Jackson, Republican, of the First District, claims that frauds or tricks were used in the district, and while he admits that the count of the ballots shows that Smith was elected, says that he will contest the seat before the House of Representatives. Returns from St. Mary's county show a 56 cent vote for Roosevelt and Fairbanks 1,188; Parker and Davis, 1,223, while Mudd (Republican) received 1,652, and his Democratic opponent is credited with only 1,192. The falling off of the vote for Roosevelt in that county, which is familiarly known as "the black belt."

State Chairman Hanna and Collector of Customs William F. Stone, of Baltimore, who was sergeant-at-arms at the Chicago convention, and other prominent Republicans still claim that Maryland Republicans will win at least 1,600 majority for the presidential ticket, while Chairman Vandiver, of the Democratic State Central Committee, and other leaders of that party, aver that the election in that State will be cast for Parker and Davis.

TENNESSEE RIGHT. Shows Heavy Democratic Gains All Along the Lines.

(By Associated Press.) NASHVILLE, TENN., Nov. 9.—In an interview late this afternoon Secretary Tuck, of the Republican State Committee, concedes the States to the Democrats by a majority of 15,000. At Democratic headquarters to-night, Chairman Thompson announced that 85 out of the 95 counties of the State gave James B. Frazier (Dem.) for Governor, a majority of 25,551 over Jesse Littlejohn, his Republican opponent. The ten counties to be heard from will increase this majority by three thousand. Democratic presidential electors in that State are estimated to win 3,000 to 3,000 votes ahead of Frazier. This is the greatest majority a Democratic candidate for Governor has received in a presidential year in Tennessee since 1876 and the year in Tennessee since 1852. The Legislature is composed of 103 Democrats and 28 Republicans and Independents.

CALIFORNIA STANDS PAT. Returns Solid Delegation to Congress and Goes for Roosevelt.

(By Associated Press.) SAN FRANCISCO, CAL., Nov. 9.—Roosevelt's plurality in this State will exceed 100,000. In the city alone it is 21,823, and in the 1,627 interior precincts, so far as heard from, it amounts to 83,800, making a total of 105,241. The full delegation of eight congressmen will be Republican and an overwhelming majority in the Legislature insures the election of a Republican successor to Senator Quince. The complete vote of San Francisco was 67,739. The corrected returns give Roosevelt 39,814; Parker, 17,981; Debs, 7,231; Swallow, 350.

VERY HEAVY VOTE. Roosevelt's Vote in Rhode Island Largely Increased.

(By Associated Press.) PROVIDENCE, R. I., November 9.—Complete State returns show that yesterday's election President Roosevelt received the largest vote ever cast in Rhode Island. The vote was: Roosevelt, 49,598; Parker, 24,924; Roosevelt's plurality, 24,674. Lieutenant-Governor George H. Utter (Republican), who succeeds L. F. C. Gardner, of the Statewide Democratic faction, had but 673 plurality over his opponent. The next General Assembly will be Republican.
