## NAN PATTERSON INDICTED AGAIN

### Her Brother-in-Law, J. Morgan Smith, and His Wife Arrested.

### CAPTURED AFTER VERY LONG CHASE

They Are Accused of Conspiracy  
in Connection With the Kill-  
ing of Caesar Young, for  
Whose Murder Miss Pat-  
terson Has Twice  
Been Tried.

(By Associated Press.)  
CINCINNATI, Mar. 30.—Accused of con-  
spiracy to commit murder, J. Morgan  
Smith and wife were arrested in this  
city to-day on telegraphic request from  
District Attorney Jerome, of New York  
city.

Nan Patterson, the actress, who has  
been twice put on trial for the murder  
of Caesar Young, in New York, May 4,  
1904, is charged in the same connection,  
new indictments to this effect having  
been found in New York to-day.

For a long time the authorities had  
been unable to locate Smith and his wife,  
the couple having left New York a few  
months after the murder and before the  
beginning of the recent trial of Nan  
Patterson, in which Smith's testimony  
was considered almost vital to the pro-  
secution.

Several weeks ago a New York detec-  
tive met Smith in Montreal, Canada, and  
from that time until the arrests here to-  
day, this officer has awaited a favorable  
time for making the arrest. He follow-  
ed the couple, part of the time as a trav-  
eling companion over half of the contin-  
ent, having made friends with Smith,  
who knew him to be a detective, but be-  
lieved the officer was after some other  
person, Detroit, Cleveland and a number  
of Canadian cities were visited.

Finally, Smith went to Nashville and  
Louisville in the hope of securing a po-  
sition with some of the big banks in  
those cities, and his wife in Cleveland.  
He was unsuccessful and came to  
Cincinnati, where his wife met him on  
Wednesday. Mrs. Smith said she had  
relative in Covington, Ky., and she went  
with her husband to that city yesterday  
to call on these people, who, however,  
refused to see the visitors and after-  
wards declared that there was no rela-  
tionship between them. Returning to  
this city, Mr. and Mrs. Smith registered  
at the Grand Hotel as H. H. Banning  
and wife.

The detective had kept in telegraphic  
communication with New York and had  
deferred an arrest until it was possible  
to take husband and wife, their separa-  
tion soon after reaching the United  
States on returning from Canada having  
caused the delay. Last night the de-  
tective wired District Attorney Jerome:  
"Smith and Julia are at the Grand  
Hotel. Wire instructions."

### Ordered to Arrest Them.

In reply, the District Attorney to-day  
telegraphed: "Arrest Smith and wife as  
fugitives from justice." District Attorney  
Jerome also sent the following:  
"New York, March 30, 1905.  
"Paul Milken, Chief of Police, Cincin-  
nati, Ohio:  
"Arrest and hold for extradition J.  
Morgan Smith, wanted in New York on  
charge of criminal conspiracy. Smith  
will be found at the Grand Hotel, Fourth  
Street, Cincinnati, where Detective Alken  
may also be found. Officer Quinn leaves  
to-day to establish identity and procure  
required papers. The arrest should be  
made as soon as it is possible to  
procure it."  
"W. TRAVERS JEROME,  
"District Attorney."

### All Are Indicted.

NEW YORK, Mar. 30.—The grand jury  
in this city to-day handed down in-  
dictments against J. Morgan Smith, Julia  
Smith, his wife, and Nan Patterson,  
charging them jointly with conspiracy.  
The indictments are based upon a letter  
addressed to J. Morgan Smith by Julia  
Smith to Caesar Young, in which, it is  
alleged, was a threat and a demand for  
money for the Patterson girl. The action  
by the grand jury followed a hearing at  
the criminal courts building, at which  
several witnesses, including the widow  
of Caesar Young and Mrs. Young's brother-  
in-law, William Luce, were examined  
by Assistant District Attorney Band, who  
conducted the recent trial of Nan Pat-  
terson, charged with Caesar Young's  
murder, which resulted in a disagreement  
by the jury.

### Affect Nan's Chances.

The arrest of Smith and his wife at  
Cincinnati, according to the local author-  
ities, will have no effect upon the  
new trial of the Patterson girl on the  
charge of murder, set for April 10th.  
At a previous trial an attempt was made  
to prove that the revolver with which  
Young was shot was purchased by Smith  
and a woman the day before the tragedy  
occurred.

## ANGRY JURY MAY INDICT PACKERS

### Ready to Take Drastic Action Unless Tamper- ing is Stopped.

### TWO MORE SAY THEY WERE APPROACHED

### The Assistant Attorney-General Threatens to Resort to Con- spiracy Statute—Fifteen Wit- nesses, Including Three Women, Appeared Be- fore Jury Yesterday.

(By Associated Press.)  
CHICAGO, March 30.—Conspiracy in-  
dictments are threatened against the  
heads of the big meat packing concerns  
unless alleged tampering with witnesses  
who have been summoned to testify be-  
fore the Federal grand jury is discon-  
tinued at once. With two witnesses on  
the stand to-day, who, it is asserted, ad-  
mitted that they had been approached  
with a suggestion that their testimony  
be mild, the jury, it is declared, is get-  
ting ready to take drastic action.

"We will shut off interference with  
witnesses," said Assistant Attorney-Gen-  
eral Pagn to-night, "even if we have to  
resort to proceedings under the conspir-  
acy statute to do so."  
Belief was general to-night that Mr.  
Pagn has already laid out plans for new  
indictments.

### Work of Jury Yesterday.

Fifteen witnesses were heard to-day,  
three women being among those who  
testified. The women were said to be  
stenographers employed by the National  
Packing Company. One of the witnesses  
before the jury to-day was Charles E.  
Meade, of Boston, formerly connected  
with Swift & Company's car lines. T.  
S. Curtis, of T. E. Baker & Company,  
of Boston, and Frank Dimpom, of Omaha,  
were other witnesses before the jury.  
Mr. Dimpom explained the meat business  
from the viewpoint of the medium  
through which the consumer obtains the  
meat.

The fifteen secret service men who  
have been frequenting the corridors in  
the building while the grand jury is in  
session, were not to be seen to-day.  
District Attorney Morrison was said to  
have ordered that waiting witnesses, in-  
stead of spending their time in the jury  
room, should be taken to a hotel to be con-  
veniently in down-town hotels until called  
before the jury. In this way the witness-  
es will be more readily prevented from  
learning the identity of the secret ser-  
vice men watching for possible irregu-  
larities. They arrived in the jury room  
this evening and reported to the govern-  
ment officials. It is said that the ten  
are employed by railroads in Michigan.

## SHOT THE TOP OF HIS HEAD OFF WITH A GUN

### Dyspepsia Caused Farmer to Take His Own Life.

(Special to The Times-Dispatch.)  
BOWLING GREEN, VA., March 30.—  
Wm. H. Loving, a farmer who lived in a  
few miles of this place, committed suicide  
this morning by shooting the top of his  
head off with a shotgun. He was about  
forty-five years old and unmarried. He  
and two of his brothers lived on a farm  
he owned, and have been quite success-  
ful in raising tobacco, for which they  
obtained a good price. He has suf-  
fered for many years with dyspepsia,  
but has been better for some time.  
This morning he was not feeling well  
and did not get up when his brothers  
did, but remained in bed until they had  
gone to the farm to work. He then got  
up and committed the rash act. A  
woman who lived on the place came over  
to his house to churn at 9 o'clock, when  
she discovered his body lying on the  
floor in a pool of blood.  
He had remarked to one of his friends  
and neighbors, that he had just as  
well leave the dead as living as he was, sick  
and could not work much. It is sup-  
posed his bad health was the cause of  
him committing the deed, as no other  
one can be assigned for it.

## TOOK OVERDOSE OF DRUG AND IS DYING

### Daughter of Hon. Thomas E. Watson Now Critically Ill in Georgia.

(By Associated Press.)  
AUGUSTA, Ga., March 31.—Miss Agnes  
Watson, daughter of Hon. Thomas E.  
Watson, is this morning in a desperate  
condition as the result of an accidental  
overdose of morphine taken at the home  
of a friend in Athens, Ga., where she is  
visiting in the absence of her father from  
the State. Suffering intense pain from  
the extraction of a tooth, she took three  
doses of the drug and soon was in a  
state of coma. Physicians who attended  
her, say the dose was three times too  
great for safety. At 1 o'clock this morn-  
ing Miss Watson had regained conscious-  
ness, but the physicians say her chance  
for recovery is poor.

## WISCONSIN LEGISLATURE TO RETURN ALABAMA FLAG

MADISON, WIS., March 30.—The Wis-  
consin Assembly to-day reconsidered ac-  
tion delaying the return to Alabama of  
the old-battle flag of the First Alabama  
Regiment, and the flag will probably be  
returned at once. The Assembly had pre-  
viously decided to submit to the Depart-  
ment of Wisconsin, G. A. R., a request  
made by the Governor of Alabama for re-  
turn of the trophy. The flag was cap-  
tured at Island No. 10, in 1863 by the  
tenth Wisconsin Regiment.

## YAZOO PEOPLE RAN HIM AWAY

### Young Negro Was Not Allowed to Hold a Job in the Post- office There.

### HE COMPLAINS TO ROOSEVELT

### But the President Is Too Busy to Discuss the Matter With Him Just Now.

WASHINGTON, D. C., March 30.—M.  
J. Hornsby, a young negro, who twice  
passed a civil service examination and  
twice has been appointed to clerkships  
in the postoffice at Yazoo, Miss., has  
complained at the White House that  
he is prevented from holding his position  
by reason of the brutality of white citi-  
zens of Yazoo.

### President Too Busy.

Hornsby was presented at the White  
House by the Rev. S. L. Corothers, but  
the President was unable to take up the  
case because practically all that remains  
of his time before leaving for his west-  
ern trip has been filled with engage-  
ments. The case was stated to Sec-  
retary Loeb, however, and Hornsby was  
referred to the Civil Service Commis-  
sion.

According to the negro's story, he en-  
tered on his duties at the Yazoo postoffice,  
whereupon certain white patrons of the  
office thrashed him several times when  
he was caught going to his duties. This  
mistreatment resulted in the resignation  
of Hornsby but he took the examination  
for the vacancy that was created by his  
own resignation. Others who took the  
examination were two negro men, one  
negro and two white men. Hornsby  
passed the best examination and again  
was appointed.

### Resigned and Departed.

While returning from Jackson, Miss.,  
where his bond was fixed up, Hornsby  
noticed a gathering of white people near  
the train after it had entered the Yazoo  
railroad yards. He left the train and  
tried to escape but was overtaken and  
carried off to an oil mill, where some  
of the leaders of the mob commenced  
lynching and others whipping the negro.  
Hornsby agreed to write out his resig-  
nation and leave Yazoo never to return.  
The resignation was sent to Washington  
and the Hornsby followed it.  
He is seeking relief but is not sure  
of the character of relief he wants. He  
says he is afraid to return to Yazoo.

## MISS LEE'S BODY IS AT LEXINGTON

### Reaches, There on a Special Train From Lynch- burg.

### DISTINGUISHED RECEPTION

### Will be Laid Beside Her Father in Crypt Under Chapel.

(Special to The Times-Dispatch.)  
LEXINGTON, VA., March 30.—The spe-  
cial train bearing the remains of Miss  
Mildred Lee, daughter of General  
Robert E. Lee, who died in New Orleans,  
Monday night, reached Lexington, to-  
night at 8:45 o'clock. The train was met  
by the faculty and students of Washing-  
ton and Lee University, the faculty of the  
Virginia Military Institute and delegations  
from the Camps of Confederate  
Veterans, Daughters of the Confederacy,  
and Sons of Confederates, who escorted  
the body to R. E. Lee Memorial Episco-  
pal Church, where it will remain until  
tomorrow at 11 o'clock, when services  
will be held by the rector, Rev. Dr.  
R. J. McBride.

The remains will be interred in a crypt  
in the Lee Mausoleum at Washington and  
Lee University, where are buried Gen-  
eral Lee, Mrs. Lee and daughter, Miss  
Agnes Lee.

Surviving Miss Lee are two brothers,  
General G. W. Custis Lee, of Fairfax  
county, Va., Captain Robert E. Lee, of  
New Kent county, Va., and one sister,  
Miss Mary Custis Lee, who is now at  
Nice, France.

### MISS LEE'S REMAINS.

### A Special Train Carried the Fun- eral Party to Lexington.

(Special to The Times-Dispatch.)  
LYNCHBURG, VA., Mar. 30.—The re-  
mains of Miss Mildred Lee, who died in  
New Orleans Monday night, arrived here  
this afternoon on a belated Southern  
train, which missed connection on the  
Chesapeake and Ohio for Lexington,  
where the interment will take place to-  
morrow.

A special train was chartered, however,  
and the remains left here shortly after 6  
o'clock for their final resting place. A  
delegation consisting of about a hundred  
Confederate veterans, Sons of Veterans,  
Daughters of the Confederacy and Daugh-  
ters of the American Revolution met the  
remains and added half a dozen floral  
designs to the already large display,  
which have been augmented at every  
stop since the remains left New Orleans.

### Liddon Exonerated.

(By Associated Press.)  
PENSACOLA, Fla., March 30.—Judge  
Charles B. Parkhill, of the first judicial  
circuit, today decided in the disbarment  
case brought against ex-Chief Justice  
Benjamin S. Liddon, in the courts of  
Jackson county. The decision exonerates  
Judge Liddon of all the twelve charges  
brought against him.

lished in to-day's Times-Dispatch on

work, but also those desiring to improve  
their positions as well.

## BIG FIGHT OVER NEW HOSPITAL

### Kellam Proposes to Erect Can- cer Sanatorium Out on West Main.

### County and City Object

### All Commend Enterprise, But Say Location Is Un- suitable.

An interesting situation has arisen over  
the proposed erection of a Cancer Hos-  
pital at Lombardy and Main Streets by  
Dr. Harry Kellam and his associates,  
proprietors of the present Kellam Cancer  
Hospital at Twelfth and Bank Streets and  
it promises to develop into a pretty fight  
with the county and city on one side  
and the proprietors on the other.

Dr. Harry Kellam says the ground has  
been purchased and that the institution  
will be built.

### Henrico Citizens Act.

A largely attended meeting of Henrico  
property owners was held last night at  
Hancock's store, on Vines and Main  
Streets, to protest against the building  
of the Kellam Cancer hospital in that  
neighborhood. A committee of five,  
consisting of W. F. Tompkins, George W.  
Parsons, J. W. Hancock, A. R. Hollerby,  
Jr., and Edward L. Ryan, were appointed  
to wait on the proprietors of the hospital  
and dissuade them from their purpose of  
building in the West End.

The meeting was in real earnest and a  
petition was being circulated, which con-  
tained the name of every property owner  
in the neighborhood of Lombardy, Cary  
and Strawberry Streets, and Grove Ave-  
nue, and the residents are thoroughly  
aroused, believing that the maintenance  
of such an institution in their midst  
means depreciation of their property.

## BOILER BLOWS UP, KILLING THREE MEN

### Portions of Bodies of Victims Hurled Two Hundred Yards.

### Building Wrecked.

(By Associated Press.)  
HUNTINGTON, W. VA., March 30.—  
On Sandstone Creek in Mingo county to-  
day a boiler in a small saw mill owned  
by Walter Parvell blew up, killing three  
men and injuring two others. The dead  
are:

JOHN SANDMANN,  
GREB SANDMANN,  
WILLIAM HENDERSON,  
The injured:  
Frank Burgess,  
Alonzo Seagro,  
Portions of the victims' bodies were  
blown 200 yards. The Sandmann boys  
were both in their teens, and were vis-  
itors, at the mill, not being employed  
there. The entire structure was wrecked  
and a portion of the wreckage was de-  
stroyed by fire.

## KNIGHT WILL NOT BE REAPPOINTED

### The President Decides to Make Change in Rich- mond Postoffice.

### A. M. SEDDON SLATED TO GET POSITION

### New Man at Present Connected With C. & O. Railway—Said to be Recent Convert to Re- publicanism—Much Se- crecy Observed About Appointment.

(From Our Regular Correspondent.)  
WASHINGTON, D. C., Mar. 30.—Post-  
master Wray Knight, of Richmond, will  
not be reappointed at the expiration of  
his present term, according to well au-  
thenticated reports. He has about an-  
other year to serve. He will be succeeded  
by Mr. Arthur M. Seddon, who it is  
stated, is a recent convert to Republicanism,  
having voted the ticket for the first  
time when he cast a ballot for William  
McKinley in 1896. Great secrecy is ob-  
served concerning the appointment which  
was agreed upon by the President about  
two weeks ago. It leaked out soon after  
John S. Wise visited the White House.  
Every time the New Yorker goes to see  
the President, there is "something do-  
ing" in the way of changes in Federal  
officials in Virginia. Judge Waddill  
and Judge Lewis saw the President to-  
day. On general principles, it would be  
safe to say that neither of these gentle-  
men is favorable to the appointment of  
Mr. Seddon, nor, indeed, the supplanting  
of Mr. Knight by anybody.

The President may reconsider his de-  
termination and appoint somebody else  
to the Richmond postmastership, but the  
matter is made up now to appoint Mr.  
Seddon.

Mr. Arthur M. Seddon is well known  
in the social and business life of the city.  
His wife was Miss Venable, of Peters-  
burg, a sister of ex-Congressman E. C.  
Venable, of the Fourth District. Mr.  
Seddon was for a number of years en-  
gaged in the tobacco business but of  
late has held a position in the general  
manager's office of the Chesapeake and  
Ohio Railway.

### DANIEL GUEST OF GRANT POST, G. A. R.

(Special to The Times-Dispatch.)  
WASHINGTON, D. C., March 30.—United  
States Senators Daniel, of Virginia, and  
Blackburn, of Kentucky, will visit Brook-  
lyn on the anniversary of the birthday of  
General U. S. Grant next month as guests  
of honor of Grant Post, 227, G. A. R.  
Senator Daniel will deliver a speech at  
the banquet to be given on April 5th  
by the Grant Post and the Union League  
Club at the home of the latter. When  
Senator Daniel, Corporal Tanner and  
General McLeer meet on that occasion, the  
reunion will be remarkable in several  
ways, but chiefly from the fact that  
all three were crippled in the same en-  
gagement.

## CREDITORS TO PASS ON SAN DOMINGO PLAN

### Meeting Will be Held To-day at Request of Government. Country Now Quiet.

(By Associated Press.)  
SAN DOMINGO, March 30.—The propo-  
sition of Santo Domingo for the payment  
of the foreign creditors of the republic,  
as finally revised, contemplates the pay-  
ment to the government of forty-five per  
cent of the customs revenues for current  
expenses, the remaining fifty-five per  
cent to be deposited in a bank in the  
United States for the creditors. The gov-  
ernment to-morrow will call a meeting of  
its creditors and lay the proposition be-  
fore them for their approval. There  
seems to be no doubt of the acceptance  
of the plan. The prospect of an amicable  
adjustment of the debt question, all  
creditors being placed on an equal foot-  
ing, has resulted in a better feeling here.  
The country is tranquil.

## HAS IMMENSE CAPITAL TO MAKE EXPLORATIONS

(By Associated Press.)  
TRENTON, N. J., March 30.—The Amer-  
ican Smelters Exploration Company was  
incorporated here to-day with an author-  
ized capital stock of \$4,500,000 to conduct  
mining operations of every description.  
The incorporators are William W. Porter,  
Frank W. Hills, both of New York, and  
John J. Tracy, of Jersey City.

## WOULD PUSH WAR WITH ALL VIGOR

### PEACE RUMORS NOW FLOODING EUROPE

### Talk, However, Continues Very Vague—All Eyes Centered on Washington and Paris, Where Developments Are Hourly Expected—At- titude of Japan.

(By Associated Press.)  
ST. PETERSBURG, Mar. 30.—It is  
understood that the Imperial com-  
mission under the presidency of Grand  
Duke Nicholas Nicolaevitch, which  
have been considering the question  
of prosecuting the war, has completed  
its preliminary report which favors a  
continuation of the war, finding nothing  
in the present situation either  
financial or military to prevent its  
prosecution.

(By Associated Press.)  
LONDON, March 30.—Peace talk is prevalent everywhere but that  
negotiations have commenced is still pos-  
itively denied in all official circles here.  
The Foreign Office disclaims even having  
any knowledge of peace proposals. It is  
quite evident, however, that while the  
first definite steps may be taken at any  
moment, an advance further than in-  
dicated in the Associated Press dispatches  
may be postponed indefinitely.

### Cession and Indemnity.

"A cession of territory and an indemnity  
are the only points negotiable as  
Japan's ante bellum demands have al-  
ready been secured by Japan."

M. Takahashi, (the Japanese special  
financial commissioner) in an interview  
to-day, said to the Associated Press: "The  
war cost between \$250,000,000 and \$300,  
000,000 of the first year and it is estimated  
that it will cost \$350,000,000 during the  
present year. It would be unprecedented  
in the history of great wars that no in-  
demnities and no territory be given up by  
the victor. The Associated Press: "The  
province to discuss the terms of peace, I  
can express my personal opinion that as  
the war was forced upon Japan, it is not  
likely that she will waive the right to an  
indemnity and cession of territory when  
conquered. The Associated Press: "The  
matter should have his personal at-  
tention."

### ROOSEVELT AT WORK?

### All Eyes Now Centered on Wash- ington and Paris, Where De- velopments Are Expected.

(By Associated Press.)  
ST. PETERSBURG, March 30.—6:05 P.  
M.—There was no further peace news  
to-day.

All eyes are centered on Washington  
and Paris, where developments are an-  
ticipated. The Washington dispatches  
are scanned with especial eagerness.  
The reports of President Roosevelt's  
conferences with Minister Takahira and  
Ambassadors Jusserand and Von Sparck  
Stenburg, in spite of official denials, are  
believed in diplomatic circles here to re-  
late to the opening of negotiations.

### JAPAN DETERMINED.

### Preparations for the Year's Cam- paign Going Steadily on, Re- gardless of Peace Talk.

(By Associated Press.)  
TOKIO, March 30.—The various rumors  
of peace negotiations emanating from Eu-  
rope and the United States are widely  
published and widely commented upon  
here. The attitude of the Japanese govern-  
ment and the attitude of the Japanese  
people toward the war. The press re-  
echoes the announced determination of  
Japan to vigorously push the military  
operations untroubled and undeterred  
by discussions of events in Russia or else-  
where.
