

NEWS GATHERED FROM SOUTHSIDE

Political Sentiment in the Various Contests Is Much Divided.

ALDERMEN CALLED TO MEET

Bridge Committee to Confer in Richmond on Monday Night.

Manchester Bureau, Times-Dispatch, No. 1102 Hill Street.

There is a great diversity of sentiment in this city on the question of the senatorial preference. The sentiment in the First Ward is strongly for Montague, but in the middle wards it is favorable to the present senator, Upshaw. The Montague sentiment is strong. Willard seems to be the favorite in the gubernatorial fight, but Swanson has a good following.

The sentiment for legislative candidates is also divided, as both the candidates are popular and both are members of the local lodge of Elks, an organization that does not allow politics to influence it, but which, individually, is a power in whatever it undertakes to do.

Board to Meet

The Board of Aldermen has been called to meet on Monday night to act upon the ordinance providing for the bond issue. The action of the body will undoubtedly be favorable to the issue, as the sense of that body has already been shown.

The Street Committee will also meet on Monday night to transact some business of interest in the shape of street improvements.

One Lone Tramp

The police station sheltered one lone tramp last night, and the police reported that the city was as quiet as usual for a long time. There was no disorder anywhere, nor were there reports of any lawlessness of any nature.

Bridge Committee

The committee on conference on the proposed free bridge matter will meet at the Council chamber on Monday night and proceed in that body to the City Hall, in Richmond, for a conference with the committee from that city. The sentiment here is strong for the bridge, and the committee represents that sentiment.

Work Progressing

Work on the new glass works plant is proceeding rapidly, and the contractors expect to be ready to turn the plant over to the company early in the coming month.

Music in the Churches

There will be special music in the Episcopal and Catholic churches to-morrow. The services at Meade Memorial will be conducted by Rev. Ben Dennis, and Rev. Father DeMunck will preach at Sacred Heart.

Have an Egg Hunt

The Ladies' Aid Society of the Bainbridge Street Baptist Church will give an Easter egg hunt this afternoon at 8 o'clock at the church. All the children of the city are invited.

Personals and Briefs

There is nothing new in the Burnett case. Neither party has been heard from. Mayor Maurice yesterday fined the three young men who were arrested the night before. The price he places against them is \$2.50 each. The revival services at Bainbridge Street Church closed last night. The services were most successful. Mrs. David Walker is better. Mr. L. W. Fugate, of Roanoke, who has been visiting his parents at Drewry's Bluff, has returned home, accompanied by his sister, Miss Olive.

CHESTERFIELD COURT

(Special to The Times-Dispatch.) CHESTERFIELD, VA., April 21.—In a suit for damages against the Seaboard Air Line Railway, the former of the Circuit Court \$500 for three steers and one horse, alleged to have been killed by the train.

Mr. E. H. Wells, counsel for the Seaboard Air Line, sustained a painful fall from a jumper to-day while en route from this city to the courthouse, the next giving way under the weight of two occupants.

A suit of E. T. Watkins versus the Roanoke Railway Company will engage the court to-morrow, and several other common-law suits will be tried next week (beginning with Tuesday), and the first week in May. Next Monday will be surrendered to the county supervisors, who will not observe the Easter holiday.

Mr. James Edwards, formerly of Canada, to-day secured his naturalization papers from the court, the first notice of application having been filed two years ago. Edmund C. Bellwood to-day filed notice of intention to become a citizen also. These gentlemen, who are among the best of the farmers in the county, have just acquired from Mr. William T. Gregory, of Roanoke, 300 acres adjoining their farm, for \$5,000.

SHORT CRIMINAL DOCKET

Case of Richard Logan Went Over for Recovery of King. Justice John's civil docket was unusually long yesterday, and he viewed with delight the short criminal docket. There was nothing worth much of his while on the latter docket, and he was glad.

The case of Richard Logan, colored, was continued until May 2d, because the principal witness, John King, was unable to appear. Logan shot King in the hip, and the latter is now in the hospital. The shooting occurred in Jackson Ward, and was the outcome of a row over a girl. Logan is in no way perturbed over the circumstance and feels that he can get out of his trouble when the case comes to trial. The two negroes are mere youths, neither of them being of mature age.

John Gibbs and Sam Rind were each assessed the sum of \$2.50 for fighting in the street.

Hattie Norvell was charged \$2.50 for being disorderly in the street. Her mother, Mrs. Norvell, was over her. She was charged with beating Ethelore Britton, and the witnesses failed to show an attachment, and she was released. That was about all, but the drunks.

Drunkenness on Police Force Will Receive Immediate Dismissal.

TO INVITE HAMPDEN-SIDNEY

A Strong Move for a Battlefield Park—The Mahone Monument.

(Special to The Times-Dispatch.)

PETERSBURG, VA., April 21.—Police-man W. T. Payne, who was suspended on charges of drunkenness by the Police Commissioners March 21st, was reinstated by joint action of the Board of Aldermen and City Council to-night, by vote of 20 to 7.

There was much discussion of the case at the long meeting this afternoon and evening, the two bodies finally agreeing to pass at their next regular meetings a city ordinance providing for immediate dismissal from the force for such offenses.

R. N. Parth was elected a police commissioner to succeed Dennis Parkinson, resigned.

HAMPDEN-SIDNEY

A resolution was passed, offered by C. R. Bishop, directing the president of the Board of Aldermen to appoint a committee of five to present Petersburg's interests to the trustees of Hampden-Sidney in the matter of removing the college to this city. The Chamber of Commerce will consider the matter at a special meeting to-morrow.

The battlefield park appropriation has strong support here by influential men and will be pushed hard.

Inspector, examined the local office here to-day, the condition of which was highly commended. General Clark is the only surviving member of General Grant's staff.

BATTLEFIELD PARK

Petersburg will have a battlefield park if the efforts of the Chamber of Commerce are rewarded. A letter from the Chamber was presented to the Board of Aldermen last evening by President Beckwith, requesting the City Council to co-operate with the Chamber in the work of removing the park. The letter will be presented to the Council at its next meeting. It has strong support from influential men and will be pushed hard.

The license tax ordinance, as adopted by the Council, was concurred in and adopted by the Board of Aldermen.

It is stated that with their charter granted, the Mahone Monument Association will in a few days commence active work for the acquisition of a site and other important essentials to the fulfillment of the plan.

SENDS A TARANTULA

Mr. Burch, Richmond Boy in Panama, Writes to Home Paper.

Mr. Harvey S. Burch, now at Camp Elkhart, Empire, Panama, under date of April 6th, sends the Times-Dispatch a tarantula, which he killed in the jungles around the camp. Of the hideous spider-like creature, he writes: "This species of tarantula is the most deadly kind, and as soon as one is bitten by it he is attacked with a high fever, which, unless he receives medical aid, in six days death relieves the victim of further pain. The natives on the isthmus have no cure for this bite, and I consider this specimen of tarantula, and since my stay here I have heard of the death of a native from its bite."

Mr. Burch is in the United States marine corps camp in Panama. He is a son of Mr. E. T. Burch, a well known citizen of Richmond, and is himself well known and popular here. I received your paper every week through my father, and I have read the articles by your correspondent at Coleridge and I consider them very interesting and true.

A series of special meetings will be inaugurated at Immanuel Baptist Church to-morrow night. Rev. Mr. Baroody, a Syrian minister and for some years professor in the college at Beirut, will preach, and Mr. Reinhardt, a member of Immanuel, who has been doing evangelistic work in the West for some time, will have charge of the music, and will have a large chorus choir.

The Twin City games begin at 2:30 o'clock this afternoon. The first game will be between Barton Heights and the Richmond team. The second game will be between Richmond and the Orioles. The four teams are evenly matched and good games are expected. All the teams will be in the field. Kain was to have been in, in the Western league, but he decided to play here with Captain Anthony.

She has secured rooms in Washington for the entertainment of her party at excellent low rates, and those who have not arranged for entertainment may apply to her.

TELL HOW YOUNG KNOW HIMSELF

Chicago Man Willing to Go to New York and Repeat Story of What He Saw.

GIRL IN CELL WITH SISTER

Attended Good Friday Services Yesterday in Presbyterian Chapel.

(By Associated Press.)

CHICAGO, April 21.—Samuel Eisenberg, the Russian coal maker, who has told of seeing a man kill himself while in a cab with a woman, June 14, 1901, on West Broadway, New York, expressed willingness to-day to go to New York and testify on the witness stand in the case of Nan Patterson.

"The cab in which Young and Nan Patterson sat passed within five feet of me," said Eisenberg to-day. "The man appeared drunk, and he appeared to be fighting with the woman. She was clinging lightly to his hands. The cab was moving very slowly, and the woman said something to the driver, as if to tell him to go faster. He cracked his whip and then went faster."

"Suddenly the man got his hands free and pulled a revolver from his pocket. His hand went up and down, and then the shot rang out. The man fell over on the woman's lap. The woman screamed faintly, because her head fell on her shoulder."

Attend Good Friday Services

NEW YORK, April 21.—Nan Patterson will hereafter occupy a cell with her sister, Mrs. J. Moran Smith. This arrangement was made to-day by Warden Flynn, of the Tombs. The cell is in the new hospital ward in the women's section. The two women will occupy this cell so long as no other center of among the women inmates of the prison.

Lee Camp Veterans

Interesting Meeting Last Night. Portrait to be Presented.

Lee Camp was called to order at the usual hour by Commander O. B. Morgan. The oil portraits of General Richard Griffith and Captain J. A. Timberlake will be presented to the Camp on next Friday night.

The Camp accepted an invitation to attend divine services at the Broadwood Memorial Church on May 7th, at 8 o'clock. The Camp will meet in the lecture-room of the Church at 7:30 o'clock.

The Camp will also join in the memorial parade of the Oakwood Association on Wednesday, May 10th and will meet at the Oakwood gate at 4:30 o'clock on that evening.

Rev. Dr. James Power Smith will deliver his address on "Lee at Gettysburg" on Friday, May 15, 1905.

An interesting account of the progress of the arrangements for the Camp to go to Louisville, and it is probable that quite a large number of the members of the Camp will go.

Captain John Lamb brought to the attention of the Camp the proper custody of the battle flags returned by the United States government and the following resolution was adopted:

"That Lee Camp appoint a committee of three to confer with the Grand Confederate Veterans of Virginia with a view of the appointment of a committee to confer with the Governor of Virginia in reference to the proper custody of these flags, and to memorialize the Legislature of Virginia to make proper provision for their permanent preservation."

LOCAL MEN WIN

Holt and Richardson Defeat Monroe and Galvin

There was a fair crowd out to see the bicycle races last night, and some enthusiasm was evoked by the various events. The first race, which was a pursuit, was won by Newton, against Sadler, two miles and four laps. The messenger boys' race was won by Kestrel.

The principal race, Galvin caught Monroe after going eleven laps in the first time of 1:43.15.

The city championship was taken by Holt, and the latter and Richardson won the handicap race from Monroe and Galvin. This was the interesting match, and was watched by the crowd. The handicap was half a mile. The general result was victory for the local men.

Thoroughbreds Burned

Herrera Wins

BALTIMORE, April 21.—At one of the cleanest fights seen in this city in many a day, Aurelio Herrera was given the decision over the local favorite, Billy Saunders, at the end of the fifteen rounds to which the match was limited. Both fighters did splendid work, but the decision seemed a just one to most of the moderate crowd present.

IRENE LINDSEY WINS HANDICAP

Victory of Smather's Unbacked Horse Causes Bookmakers to Chuckle Gleeefully.

ROCKAWAY FOR GOLD TEN

Hildebrand Complains, But Gets No Satisfaction From Stewards—Other Races.

(Special to The Times-Dispatch.)

NEW YORK, April 21.—Smather's Irene Lindsey won the six furlong handicap, at Aqueduct to-day, at odds of 12 to 1. The bookmakers chuckled at their good fortune because she was unbacked. Galvan was top-weight 125 pounds, and was not placed. The two which gave Irene Lindsey a stout argument were Roseline and Wolan.

Lakeland's three-year-old filly, Gold Ten at 4-1 to 1, won the Rockaway stakes at six furlongs. The clean-up was McCormick's Monet. These two fought it out all the way down the long homestretch, but the stake was worth 4-20 to the winner.

Under a hard ride with hands and feet, the white-faced colt, Green Room, got home first in a narrow running between Port Arthur and Head Dance?—that was the question the stewards were asked to settle when the race was over. He rode Oliver's horse, complained about the treatment he sustained. The horse was pulled up so as to lose three lengths.

The second race was a handicap. Head Dance, backed down to even money, won from Arabo. It was amazing to see how quickly Port Arthur stopped after a long and great speed. He was ridden by Henning, the boy released by Daley at Jennings.

Louis Smith, reinstated after two years, rode Sandown in the fifth race, a mile in runaway style by Frederick Johnson's Lipton, formerly a steeple-chaser. At the start, Lipton was a mile and a half quoted against Lipton, but he was ridden by Henning, the boy released by Daley at Jennings.

The sixth race was a handicap. Head Dance (6 to 2) first, Arabo (7 to 2) second, Lord Bader (6 to 2) third. Time 1:58.4-3.

Third race—The Rockaway stakes, six furlongs—Gold Ten (4 to 1) first, Monet (8 to 1) second, Jerry C. (10 to 1) third. Time 1:43.15.

Fourth race—handicap, six furlongs—Irene Lindsey (2 to 1) first, Rosette (3 to 1) second, Wolan (8 to 1) third. Time 1:43.15.

Fifth race—selling, seven furlongs—Lipton (5 to 1) first, Billy Roche (5 to 1) second, Arabo (6 to 1) third. Time 1:29.4-3.

Sixth race—six furlongs—Phenis A. (7 to 1) first, Edna Jackson (8 to 5) second, Pythia (3 to 1) third. Time 1:43.1-5.

Summary

First race—four and a half furlongs—Green Room (6 to 2) first, Old Guard (12 to 1) second, Speedway (6 to 5) third. Time 1:29.4-3.

Second race—seven furlongs—Head Dance (even) first, Arabo (7 to 2) second, Lord Bader (6 to 2) third. Time 1:58.4-3.

Third race—The Rockaway stakes, six furlongs—Gold Ten (4 to 1) first, Monet (8 to 1) second, Jerry C. (10 to 1) third. Time 1:43.15.

Fourth race—handicap, six furlongs—Irene Lindsey (2 to 1) first, Rosette (3 to 1) second, Wolan (8 to 1) third. Time 1:43.15.

Fifth race—selling, seven furlongs—Lipton (5 to 1) first, Billy Roche (5 to 1) second, Arabo (6 to 1) third. Time 1:29.4-3.

Sixth race—six furlongs—Phenis A. (7 to 1) first, Edna Jackson (8 to 5) second, Pythia (3 to 1) third. Time 1:43.1-5.

NORTH CAROLINIANS PROVED THE WINNERS

(Special to The Times-Dispatch.)

CHAPEL HILL, N. C., April 21.—In a rather surprising manner, the members of the University of North Carolina won from South Carolina College by a score of 5 to 0 in the first inning the South Carolina boys scored their only run.

The result of the other eight look rather gloomy for the Tarheel boys. But Captain Charles and his men got right in the game and the visitors were retired each inning without a chance to again cross the home plate. The North Carolina boys seemed all day to be the winning pitcher most any old time they cared to.

HITCHCOCK OUSTS WAREHOUSE FORCE

WASHINGTON, D. C., April 21.—Fred H. Wilson, acting superintendent, and seven clerks of the Indian warehouse in New York to-day were summarily dismissed from office by Secretary Hitchcock as the result of revelations made by an inspection of the office by Indian Inspector Nestor, who preferred charges of irregularities in the conduct of the office, including Wilson's accounts, in order to protect a number of employees who were not performing any service for the Government. This Wilson was enabled to do because he was the disbursing agent for the warehouse. There were fourteen persons on the pay roll, of which Inspector Nestor asserts that four or five were all that were necessary. Of those on the roll it is asserted that several were rendering no service whatever.

FRATERNITY GIRLS IN CONVENTION HERE

The drawingrooms of the Jefferson Hotel witnessed a charming scene last evening in the reception held by the members of the Kappa Delta Fraternity convention, with their chaperone, Mrs. Philip W. McKinney, of Farmville, the widow of former Governor McKinney, and a lady whom her many Richmond friends are delighted to see in their midst once more.

Mrs. McKinney is accompanied, in coming to Richmond, by her daughter, Miss Frankie McKinney, who is a most attractive young lady. Representatives from Alpha Chapter of the Virginia State Normal College; the Beta Chapter, of Chatham, Va.; Gamma Chapter, of Hollins Institute; Theta Chapter, of Randolph-Macon Woman's College; Sigma Chapter, of Gunston Hall, of Washington, D. C.; Phi Psi, of Fairmount Seminary, Washington; Phi Delta Chapter, of St. Mary's College, North Carolina; Zeta Chapter, of University of Alabama; Kappa Alpha Chapter, of the Florida State College, at Tallahassee; The Omega Phi Chapter, of Jackson College, Marion, Ala.; and Delta Chapter, of the College for Women, Columbia, S.
