Three big classes of goods are being this display—arranged for your convenience and to facilitate quick selection, as follows:

Valenciennes Laces a Third Off

There is a basket in the lace counters holding an attractive lot of Valenciennes Lace Round Thread and Italian patterns made up the showing, but the patterns cannot be matched in full roll, for which reason buy them as a third less than usual.

Anyhow, we have supplied these wants for many reasons in the satisfaction of a host of buyers, but we have supplied so much more of the same kind at a given price as we are able to offer to-day.
