

# JAMES W. COCKE IS REARRESTED

Was Taken in Richmond While About to Depart for St. Louis.

## CHARGE IS PETIT LARCENY

Druggist Brown Charges Him With Stealing Many Small Articles.

(Special to The Times-Dispatch.) PETERSBURG, Va., July 4.—The rearrest of James W. Cocke, formerly a well known young Petersburg druggist, who was recently acquitted of the charge of robbing a safe in W. E. Brown's drug store, has created quite a sensation here. Mr. Cocke was arrested in Richmond early this afternoon by Officer Stewart, of the Petersburg police force, on a warrant charging him with petit larceny, sworn out by W. E. Brown, proprietor of the drug store formerly owned by Cocke, in which the mysterious safe robbery occurred, of which Cocke was acquitted in the Hastings Court here about three weeks ago.

He is now accused of stealing a variety of small articles from the store—cigars, soaps and toilet articles, aggregating about ten dollars in value, and will be arraigned in the Mayor's Court to-morrow morning.

He says that he can show receipts from Brown for a number of the alleged stolen articles. Mr. Cocke has been living at his residence here since his recent trial.

ARRESTED IN RICHMOND. He left this morning for Richmond on his way to St. Louis, accompanied by his wife and child. He was arrested shortly before his trial left for the West and brought back to this city, where he was placed in the police station. He was held to-night for \$100.

Mr. Cocke was defended at his recent trial by Mr. William B. McIlwaine. The jury acquitted him according to instructions from Judge Mullen, and at the request of Commonwealth's Attorney R. H. Mann.

COUNCIL TAKES HOLIDAY. Like a large number of their fellow-citizens, the members of the City Council took holiday trips to-day, and there being no quorum this afternoon the regular monthly meeting stands adjourned until to-morrow.

There has been no formal observance of the "glorious Fourth" in the Cockade City, but the day has been widely observed as a general holiday, and there has been a large resort to suburban parks and the woods.

A big crowd attended a novel entertainment by the Virginia Passenger and Power Company at Fernalde Park this afternoon. Money orders on the company, varying from twenty-five cents to one dollar, and aggregating about fifty dollars, were paid in small paper boxes within a stated space in the park, and were paid in cash to the lucky finders by a representative of the company on the scene.

INDEX-APPEAL ANNIVERSARY. The Petersburg Index-appeal to-day celebrated the completion of its fortieth year by the publication of a very handsome and exceedingly interesting anniversary edition, which embraces valuable historical sketches of Petersburg and a comprehensive resume of the commercial and industrial interests.

This was a gala day with the congregation of the Matonea Methodist Episcopal Church, where an elaborate programme was carried out in celebration of the completion of improvements to the church building. A corner-stone designed as a memorial tablet was erected with appropriate ceremonies, which were conducted by the Rev. Dr. Lipscomb.

A most interesting address on the subject of "The American Flag in the City of Petersburg" was delivered by the Rev. Dr. W. G. Starr.

The afternoon was devoted to entertainments of various kinds.

## W. C. T. U. PICNIC.

### Richmond Boy Badly Hurt By Well Windlass.

(Special to The Times-Dispatch.) CHESTERFIELD, Va., July 4.—The W. C. T. U. of the county held their annual picnic and rally here to-day. A large crowd assembled, though not so large as the attendance of last year. Rev. Mr. Wesley Clark, an alumnus of Richmond College, lately home from Texas, and Mrs. A. C. Weech, of Alexandria, were the speakers, both of whom held their listeners fascinated. Mrs. Weech is a prominent temperance worker in this State. She is scheduled for a number of places in the county this week and is being favorably received.

A young son of Mr. R. H. Hardesty, of Richmond, was quite painfully hurt by a wheel windlass in the courthouse yard this morning, and was taken by his parents directly to Richmond for surgical treatment. The family were visiting Mr. N. H. Cogbill, and had come over to the courthouse to enjoy the picnic. Mr. Cogbill himself has been sick for several days, and it was feared that he was threatened with fever.

License has been issued for the marriage to-morrow of Rev. W. W. Sisk to Miss Mary Lilla Blain, both of this city. The ceremony will be performed at Clopton Street Church, but has recently been called to Middlesex county.

# RAW BLEEDING SCALY ECZEMA

Looked More Like Piece of Raw Beef Than Human Being—Doctors Useless—Blessed Relief and First Real Sleep in Weeks After First Application, and

## SPEEDY CURE BY CUTICURA REMEDIES

"Words cannot describe the terrible eczema I suffered with. I was almost a solid mass of sores from head to foot, and looked more like a piece of raw beef than a human being. My hair fell out, and I was covered from a great sore on my scalp, from under my finger nails, and nearly all over my body, and every hair in my head fell out. I could not sit down, for my sores would startle to the raw and bleeding flesh, making me cry out with pain. My doctor did all he could, but I got worse and worse. I did not think I could live, and wanted death to end my frightful sufferings. My mother-in-law begged me to try Cuticura. I said I would, but had no hope of recovery. But, oh, what blessed relief I experienced after applying Cuticura Ointment. It cooled the bleeding and itching flesh, and brought me the first real sleep in weeks. It was as grateful as ice to a burning tongue. I would bathe with warm water and Cuticura Soap, then apply the Ointment freely, and took the Resolvent for the blood. Soon the sores stopped running, the flesh began to heal, my hair started to grow, and in a short time I was completely cured. If any one doubts this, tell them to write to me.—Mrs. Wm. Hunt, 135 Thomas St., Newark, N. J."

# NO HOLIDAY FOR THE SCHOOL OF METHODS

## The Corps of Teachers Now Numbers Forty-Seven.

(Special to The Times-Dispatch.) UNIVERSITY OF VIRGINIA, Va., July 4.—The teachers of Virginia are celebrating the glorious Fourth by attending in large numbers the regular sessions of the School of Methods. Fully one hundred registered Monday morning before 12 o'clock. Monday evening the campus was filled with teachers and superintendents. All day long vast crowds of visitors from the surrounding country were in the city and at the school.

During the past week the faculty has numbered thirty-eight. Nearly a dozen prominent educators will be added to the faculty. Dr. T. M. Balliet, dean of the University of New York, had two large classes in the auditorium to-day. Dr. Arnold Tompkins, principal of the Chicago Normal School, will take the hour filled last week by Dr. G. Stanley Hall. The auditorium was filled to-day, and gave Dr. Tompkins a cordial reception. The subject of his course of lectures will be "How to Teach the Common School Branches."

John P. Kennedy, of New York, whose Batavia system is the talk of the educational world, is here with several assistants. P. A. I. Woodley, superintendent of schools, Passaic, N. J., and author of "Foundational Lessons in English," organized his classes this morning.

Mrs. Margaret McCloskey, supervisor of primary methods at Newark, N. J., had the largest classes to-day. Mrs. McCloskey has a national reputation as a teacher in primary grades.

Messrs. Terry and Hamilton, of the Batavia Schools, New York, will be among the new instructors. Miss Nannie C. Davis, principal of Training School, William and Mary College, will teach chalk modeling. Austin C. Anker, Agitzoy's favorite pupil, professor of natural science, State Normal, Trenton, N. J., D. R. Augsburg, supervisor of drawing, Utah City, Utah. This brings the total of instructors up to forty-seven.

The annual conference of the school superintendents of Virginia will be held Tuesday, Wednesday and Thursday, to be followed immediately by the session of the State Teachers' Association and the midsummer meeting of the Co-operative Education Commission of Virginia.

In the absence of the president of the Education Commission, Dr. E. McNeill, who is in Germany, that body will be presided over by Captain Charles E. Vawter, of the Miller School. Various phases of the commission's work will be presented, and some account will be given of the May campaign and its outcome.

The school census for Mecklenburg is being taken now.

**FEARED HIS TEMPER.**

**An Angry Man Asked That He Be Put in Jail.**

(Special to The Times-Dispatch.) BOYDTON, Va., July 4.—A singular case came before the Mayor of Boydton a few days ago. Erasmus Smith, colored, had some trouble with his wife and got very angry. He requested the town sergeant to lock him up, saying that he had had trouble with his wife and was afraid to trust himself in his angry mood, fearing he might do serious injury. The officer brought the matter before the Mayor, who directed that Smith's request be complied with. As soon as Smith got over his temper he was released from custody.

The telephone company will probably extend its line throughout this section of the Northern Neck at an early day. They are at work between Richmond and West Point at present.

A gentleman on the Rappahannock shipped seventy barrels of fine white potatoes to Essex, Essex county, for sale and selling expenses. This will hardly pay for the guano used on the crop.

# THE TIME RIFE FOR GREAT THINGS

President Edwin A. Alderman Addresses the School Superintendents.

## THE BETTERMENT OF SCHOOLS

Educators Hold a Very Important Conference at Charlottesville.

(Special to The Times-Dispatch.) CHARLOTTESVILLE, Va., July 4.—The school superintendents of the State took no holiday to-day, but instead gathered in annual conference to discuss the betterment of the school system.

The conference was called to order at 10 o'clock this morning in the senior law class lecture room at the University of Virginia. Dr. Joseph W. Southall, superintendent of public instruction, presiding.

Dr. Edwin A. Alderman, president of the University, delivered the address of welcome. "The Unity of Educational Progress" was Dr. Alderman's theme. Education is one whole process, he said, and the greatest service that could be done to the minds of our people is to get out of their heads the idea that education is parcelled off into sections.

**Mark of Continuity.** The community, State and nation must see the mark of continuity that runs through it all. Addressing himself to the newly-elected superintendents, Dr. Alderman directed their attention to the seriousness of the task before them and spoke of the singular propitiousness of the time. Never before, he said, was the time riper for accomplishing great things in the educational line.

The response to President Alderman's address of welcome was made by Dr. H. M. Clarkson, superintendent of schools of Prince William county.

**Subjects Discussed.** The subjects discussed at the morning session were "Local Education Associations: Their Advantages and Influences; How to Make Them Most Efficient;" and "School Libraries." The chief paper on the first subject was read by Superintendent R. C. Stearnes, of Roanoke county. The question was further discussed by Superintendents J. S. Everett, of Albemarle; Joseph H. Saunders, of Portsmouth, and G. G. Joyner, of Accomac.

Mr. Frank P. Brent, secretary of the State Board of Education, told of the school libraries—how to obtain and use them.

After Dr. Frazer, of the Southern Education Board, had addressed the conference, adjournment was had for dinner. The conference met again at 8 o'clock to-night, with some forty odd superintendents present. An excellent paper on "The School Funds—The Ways and Means of Increasing Them" was read by Superintendent Samuel C. Graham, of Mecklenburg. The subject was further discussed by Superintendents M. L. Lynch, of Winchester, and G. G. Joyner, of Accomac.

**School Buildings and Grounds—How to Improve and Ornament Them.** was the topic of an interesting paper by Superintendent William R. Abbott, Jr., of Bedford. Superintendent Richard H. May, of Lunenburg, and E. H. Russell, of Bristol, joined in the discussion of the subject which followed.

## FOUND IN BALTIMORE.

### Joseph Gammon Friend at Home Once More—The Primary.

(Special to The Times-Dispatch.) BUREKA MILLS, Va., July 4.—Messrs. Charles H. Friend and Thomas Friend, brothers, of Joseph Gammon Friend, who disappeared from Norfolk last week, and caused his friends so much uneasiness, have found the young man in Baltimore.

He wrote his mother that he was in Baltimore sick. His brothers were obtaining this information, had gotten a clue in Norfolk as to his whereabouts, and had gone on to Baltimore in search of him. The three brothers will return to their home in this county to-day, and there is much rejoicing with his friends on account of the finding of him, that was feared to have come to an untimely end.

The County Democratic Committee met at Charlotte C. H. yesterday, and appointed judges for the primary to be held August 22. A resolution was passed calling upon the judges of the primary to serve without pay, in the interest of the party, and for patriotism. Some of the precincts have guaranteed the expenses of conducting the primary. It is thought the expense incident to holding the primary will be nominal.

The white prisoner, Harvey, from Danville, who was confined in the county jail on the charge of breaking into a car at Keyville, and stealing an automobile, who subsequently attempted to burn the jail, and who afterwards broke the bars of the jail and effected his escape, was arrested in Danville Saturday and brought back by Sheriff Asborne to the county court house at present, and will doubtless go hard with him.

## DOWN IN ESSEX.

### Two Serious Accidents By Unruly Horses.

(Special to The Times-Dispatch.) DUNNSVILLE, Va., July 4.—Bernard Stevens, son of Mr. Wood Stevens, of Bathurst Plantation, was thrown from a horse Friday and had his collar bone broken and received other injuries. Mr. Claude New Bowler's, this county, was badly kicked by a horse near Bladys Friday afternoon. Mr. Newto was trying to get some corn and the horse bit him when he received the blow about his head. He is thought to be better.

A post office has been established at the Essex Mill, this county, with Lamar Hundley as postmaster. The office will be known as Essex Mill and will be located at Dunnsville to Richmond via Walkerton and Lester Manor.

Mrs. A. G. Muse has been appointed postmaster at Onstad, Essex county, for July 1st.

Mrs. Governor Montague has been visiting her sister, Mrs. Colonel John R. Saunders, of Saluda, but left for Richmond Saturday.

# STATE BOARD OF ELECTIONS

Professor Zebulon Vance Judd Elected County School Superintendent.

## NAVAL RESERVES DISBANDED

No Decision Reached As to Moving Experiment Farm.

(Special to The Times-Dispatch.) RALEIGH, N. C., July 4.—The State Board of Elections, all the members of which were recently appointed by Governor Glenn, met here and reorganized last evening, re-electing old officers—Wilson G. Lambe, of Williamston, chairman, and R. T. Claywell, of Morganton, secretary. Other members are J. R. Llewellyn, Dobson; E. B. Freeman, Hendersonville, and Clarence Call, Wilkesboro, the two last named being Republicans. There was no other business.

Commissioner of Agriculture S. L. Patterson and other members of the special committee from the State Board of Agriculture, returned to-day from Wilmington, where they looked further into the question of the proposed change of the location of the East Carolina truck experiment farm from Willard to Wilmington. No conclusion has been reached, and the committee will have a conference with the Executive Committee of the East Carolina Truckers' Association at Wallace Friday.

State Auditor B. F. Dixon has gone to Asheville to deliver the address of welcome to the North Carolina and Virginia Editorial Associations, that will be in session there this week.

Professor Zebulon Vance Judd, a Wake county boy, who has held a professorship in the University of Florida the past two years, has been elected county superintendent of the Wake county public schools, vice R. C. Clements, who was defeated in the contest for the county board of education to-day. Professor Judd is a University of North Carolina man.

An order has been made disbanding the Beaufort division of the naval brigade, North Carolina State Guard. The order is made for the purpose of complying with the regulations and for general inefficiency.

## HEART ON RIGHT SIDE.

### Negro, Widely Known to Medical Fraternity Dies.

(Special to The Times-Dispatch.) CHARLOTTE, N. C., July 4.—Lorenzo Miller, colored, aged 34, who had puzzled many physicians by reason of the fact that his heart was located on the right side, died at Sanford Saturday night. His heart occupied relatively the same position on the right side that the heart of a normal person occupies on the left. Miller won a reputation as a bicycle rider, taking the North Carolina championship a few years ago. He had traveled in foreign countries and had been in many accidents, receiving injuries in several. He returned to North Carolina in 1904, since which time he had been in declining health.

Dr. Lynn McIver, of Sanford, exhibited him before the North Carolina Medical Society at a recent meeting in Greensboro. He was also exhibited to the medical profession in Philadelphia. The fact that his heart was on the wrong side was first discovered in a New York hospital, where he was undergoing treatment.

The Postmasters' Association of North Carolina convened its second annual session at the Manufacturers' Club here this morning. President R. W. Sullth, of Charlotte, presiding. President Smith delivered his annual address, and live topics were discussed by a number of members. Three new postmasters were elected to membership. Charlotte was selected for next meeting, July 4th, 1906.

**Williams—Wells.** A quiet but pretty home wedding was solemnized yesterday afternoon in the home of Mr. W. R. Wells, of Farmville, Va., when his oldest daughter, Fannie R. Wells, was married to Mr. Joe Williams, of New York.

Miss Wells, who has for some time been the popular belle of the town, Wayne, is one of Farmville's most charming girls, and her marriage will come as quite a surprise to her many friends. They left on the west-bound train for their future home.

## Richmonders Wed.

(Special to The Times-Dispatch.) NORFOLK, Va., July 4.—Daniel Hurdman, aged fifty, and Miss Emma McCormick, aged thirty-eight, both of Richmond, took out a marriage license and were married here to-day at the residence of Rev. W. A. Robinson, who was not at home for Rev. H. Sumner, who was sent for to perform the ceremony.

## A Willard Club.

(Special to The Times-Dispatch.) MINERAL, Va., July 4.—The citizens of Mineral, Va., organized a Willard Club to-night with the following officers: F. M. Conner, president; W. J. Coleman, vice-president, and L. A. Keller, secretary.

# Fourquaren, Temple & Co.

## MISS SUTTON MAY BE NEW CHAMPION

Has Beaten All Opponents in Point of Speed and Generalship.

(By Associated Press.) LONDON, July 4.—Miss May Sutton, of Pasadena, Cal., upheld the honor of the United States in the all-England tennis championships at Wimbledon to-day. William A. Larned and William J. Clothier were defeated in the doubles, and Holcombe Ward and Boris C. Wright postponed their match against S. H. Smith and Frank L. Hoadley.

It looks as though Miss Sutton will carry the championship to the United States. She has literally taken them at all points in speed and generalship. The American Australian match in the doubles was the feature of to-day's play. Notwithstanding their defeat, the Americans played great tennis and gave their opponents some uneasiness. Norman Brookes and Walter Dunlop, however, outgeneraled the Americans. It was a fine exhibition, but the New Zealanders won on their merits.

The finale of the singles, Brookes beat Smith, and consequently the championship lies between England and Australia, which, in the doubles, England, America and Australia are still in the game.

## Indians Play Lacrosse.

(Special to The Times-Dispatch.) ASHEVILLE, N. C., July 4.—Among the holiday attractions offered at Riverdale Park here to-day are a game of lacrosse and several ceremonial dances by a band of Cherokee Indians, brought to the city from the reservation, west of here, especially for the occasion. This is the first time in several years that a game of lacrosse as played by the Indians has been seen in Western North Carolina, and

## White Cambrics and Dimities MUCH REDUCED.

As a further inducement to bargain seekers and a means of making the reduction assortments complete for every practical purpose, the annex offers one case of fine Bleached Cambric, full yard wide, the usual 10c quality, at 7 3/4c a yard.

Also one case of fine striped or checked Dimity, a regular 16 2/3c quality, at 12 1/2c a yard.

## Shirt-Waist Suits and Gingham Petticoats

A HALF TO A THIRD OFF.

The Suits are the things you need to-day. Made up in the styles of the minute, of Percale, Pique or Madras.

These were undoubtedly bargains at their former prices—\$2.50, \$3.00, \$3.50 to \$4.00. How long will they linger at \$1.25, \$1.50, \$1.75 and \$2.00 each?

The Petticoats are good and substantial, were 75c each to \$1.00. Now pick them at 50c to 75c.
