

NATURE'S TONIC REMEDY

NER-VO

A QUICK AND SURE CURE FOR MANY AILMENTS

The merits of any remedy can only be proven by its use.

Ner-Vo is not a "cure-all remedy." It is a splendid tonic--a specific in catarrhal symptoms. In stomach troubles, colds, indigestion, &c., it is especially recommended. Many have tried it and but few have failed to find relief. Those who have been fortunate enough to have tested its value freely offer their testimonial as to its worth.

You have been in bad health for years. Doctors and drugs have failed you. To you we say try *Ner-Vo*. It is worth a trial and we feel sure you will be benefitted by its use.

Read what others have to say about it. Buy a bottle---it only costs 50c---and let us know what it does for you. *For Sale by All Dealers.*

"Don't Know What Fatigue Means."

Dear Sirs: Richmond, Va., May 10, 1905.
It is with a grateful heart that I now write to thank you for having called my attention to NER-VO. A year or more ago I had a severe attack of Grippe. It left me without appetite, weak and rundown. I was troubled with insomnia. Had awful dreams; in fact, I may say I was a perfect wreck, and yet in the space of less than two months, the use of NER-VO has made a new woman of me. I sleep well, have a wonderful appetite and don't know what fatigue means.
Yours cordially,
MISS H. F. NEW.

"Advises Ner-Vo for Nervous Disorders."

Dear Sirs: May 1, 1905.
I was first attracted to NER-VO by its name, as I had been a long sufferer from extreme nervousness, and had been unable to find any remedy. I am not a believer in so-called patent medicines, but I certainly advise NER-VO for any nervous disorders.
Yours very truly,
GEORGE TEBBS, Henrico county, Va.

"Without an Equal."

Dear Sirs: May 29, 1905.
I cannot let the opportunity pass without writing to thank you for the benefits received by me from using NER-VO. As a general tonic and up-builder of the system I believe it is without an equal. For years I have been the victim of dyspepsia. Nothing I could eat seemed to agree with me until, after trying many doctors, I was persuaded by a friend to try NER-VO. The benefit I have derived thus far (and I have only had two bottles) have satisfied me of the merits of this wonderful medicine.
Gratefully yours,
HARRY A. RACKS, 404 W. Baker St., Richmond, Va.

"Have Gained Twenty Pounds."

Dear Sirs: June 3, 1905.
I cheerfully bear testimony to the wonderful curative and tonic powers of NER-VO. I have suffered with pains in my back and kidneys. My ailment has been diagnosed by several physicians as uric acid, diabetes and Bright's disease; but though I have spent a good deal of money with doctors and druggists, I never received the slightest relief.
It was with reluctance and a total lack of faith that I consented to try your remedy. Having taken but a few bottles, I am now a well man; the pains have ceased, and I have gained twenty pounds in flesh, and now weigh 109 pounds, which is my normal weight. I heartily recommend NER-VO to all similar sufferers.
Yours very truly,
FRED. G. STROUD, Manchester, Va.

"Entirely Recovered."

Dear Sirs: Richmond, Va., May 24, 1905.
My wife was very much rundown in health, and complained of pains in chest and back, and it was only when her troubles had been greatly aggravated by a hacking cough that I persuaded her to try NER-VO. After taking about four bottles I am glad to report her entirely recovered. You may use this if you wish.
Yours very truly,
MORTIE A. JOHNSON, 715 St. John Street.

"Found Relief at Once."

Dear Sirs: May 25, 1905.
I was troubled with biliousness, constipation and a generally disordered condition of the stomach for a period of some ten years. Through accident I read your advertisement and bought a bottle of NER-VO. I found relief at once, and feel it no more than my duty to write you these few words of commendation.
Very truly yours,
TOM STROUD, No. 21 W. Nineteenth St., Manchester, Va.

"Ner-Vo Was Certainly Magical."

Dear Sirs: About a year ago I had a severe illness which left me a nervous and physical wreck; my indigestion was impaired and I hated the sight of food. The more remedies I tried the weaker I got. I began to take NER-VO. It gave me a splendid appetite, and by the time I had taken four bottles I was in perfect health. NER-VO was certainly magical in my case, and I am sure it can do for others what it did for me.
Gratefully yours,
MISS ELOISE FRANCIS, Bensonhurst, N. Y.

Entirely Relieved Him.

I suffered for a long time with indigestion and dizziness, accompanied by a dull aching in the stomach after eating. I took one bottle of NER-VO and it entirely relieved me. I most cheerfully recommend it.
JOHN R. SMITH, 1715 Morris St., Manchester, Va.

"Will Do All It Promises to Do."

For a good while I had felt all worn down and tired, poor appetite. NER-VO was recommended to me. I used one bottle, and I feel much stronger and better. It gave me a splendid appetite. NER-VO will do all it promises to do.
J. A. CROSBY, 1319 Ashland St., Richmond, Va.

Grateful for Relief.

Gentlemen: I am more than grateful for the relief I have found from the use of NER-VO. I was completely broken down; no appetite and no energy. My druggist insisted on my taking NER-VO, with the result that I am now in perfect health and feel splendidly.
Yours truly,
E. H. BURNS.

"A Family Medicine."

239 W. Forty-sixth St., N. Y.
Dear Sirs: I have used your remedy as a family medicine for some months past, and can truthfully say that the results have more than substantiated the claims made in your advertisements.
Truly yours,
JOHN RITTENHOUSE,
1514 Porter St., Manchester, Va.

Surprised and Delighted.

Dear Sirs: For a long time my face was covered with pimples and blackheads. I tried skin specialists and facial soaps and derived no benefit. I began to take NER-VO for nervous disorders, and imagine my surprise and delight when I found that it not only cured me of that trouble, but cleared my complexion entirely.
Truly your friend,
MISS FLOSSIE SIDNEY,
211 State St., Duluth, Minn.

Mrs. Lula Mitchell Says:

Gentlemen: I endorse your NER-VO as a most reliable household remedy. I have used it for many months, and in a case of nervous dyspepsia I have received decided benefit.
Yours very truly,
H. FISHER, 17 W. Twenty-first St., Manchester, Va.

"Ner-Vo Absolutely Cured Me."

Dear Sirs: There is no reason why anyone should suffer from insomnia or nervousness. NER-VO absolutely cured me, and I know of many others who profited by my experience. That I am more than grateful to you is hardly necessary to add.
Yours very truly,
PAUL DE WAYNE, 46 Tremont St., Boston, Mass.

"Entirely Free From All Ailments."

Dear Sirs: If a testimonial from me will be of any value to your company you have my permission to use this.
About six months ago I was a complete wreck; had a serious cold and racking cough. I tried many medicines and doctors, with no relief. Finally I was induced by a friend (a trained nurse) to try your NER-VO. Immediately I began to gain strength, and now I am entirely free from all ailments. I for one would not be without NER-VO.
