NEWS GATHERED FROM SOUTHSIDE

Have Large Sunday School Union Meeting at West End Church.

ARE FOUND NOT GUILTY

Ladies' Missionary Society to Have An All-Day Meeting.

Manchester Bureau, Times-Dispatch. } No. 1102 Hull Street. } Charles Gibbs, colored, who endangered the lives of three young ladies by his reckless driving a few days ago was yesterday fined \$5 and ordered to pay the damages inflicted on the runabout into which he crashed with his team. The young ladies were Misses Jesse O'Brien, Helen Pillow and Mary Selby. They were forced to jump from the vehicle to escape injury at the time of the occurrence.

Walter Dean, Robert Brown, John Jefferson and Black John, alias Philip Jones, all pleaded guilty to shooting craps Sunday, and were fined \$2.50 each. They were all caught by Captain Lipscomb.

Large School Meeting.

The Sunday School Union which met at West End church Sunday afternoon, had a most successful day. A large crowd was present, and everything pointed to a most propitious continuance of the union.

An excellent musical programme was rendered, and the address of Dr. Young, of Richmond, was most heartily enjoyed.

Are Found Not Guilty.

C. Buchanan, alias John Wilson, and Vance Harris, two young white men, who were charged with an attempt at highway robbery of a negro named Tinsley some time ago, were tried before the Corporation Court of Manchester yesterday morning and found not guilty. The evidence was too flimsy a nature, and the jury brought in the above verdict.

To Hold Big Meeting.

An all-day meeting has been arranged for at the Bainbridge Street Baptist Church by the Ladies' Missionary Society. They will hold a missionary meeting in the church commencing at 10:30 in the morning and closing about 4:30 in the afternoon. The society has a large membership of about seventy, and is in a most flourishing condition. Among those who will make addresses are Mrs. Leuko, Mrs. Buchanan and Mrs. Woodson, of Richmond, in the morning session, and T. W. C. Waugh and G. D. McDaniel, of Richmond, in the afternoon session. Music has been provided for the occasion, and a most enjoyable time is expected to be had. The roll will be called and the members given an opportunity to make their monthly contributions. Lunch will be served at 1 o'clock to those present.

Personals and Briefs.

Kenneth Clouston Saunders, infant son of Sergeant Saunders, is critically ill. Paul N. Powell, of Newport News, spent Sunday with his sister, Mrs. T. N. Walker, of No. 1022 1/2 Hull Street. Miss Lizzie Kelley, of Newport News, has returned home after spending two weeks with relatives and friends in Manchester and Chesterfield. The infant child of Mr. Joseph Trosser died early yesterday morning in his home at Twenty-sixth and Semmes Streets. Rocky Ridge Council, Jr. O. U. A. M., met last night to discuss the question of increasing the benefits in the Fraternal Benefit Association. Thomas Williams, colored, was arrested yesterday by Officer Moore for disorderliness on the street. Willie Terry, colored, was arrested by Officer Wayman on the charge of cursing and abusing his wife.

PERSONALS AND BRIEFS.

Miss Mosella Robins, of No. 2218 East Broad Street, is spending some time visiting in Washington. Mrs. Prancott has returned from Europe and will be glad to see all friends.

ACTIVITY IN ARCANUM.

Outlook for Increased Prestige is Fine, Says Leader.

A prominent Royal Arcanumist said yesterday: "The Royal Arcanum councils in this city are having fine meetings. The little stir incident to the increased rates seems to have reached its climax and is now receding. Since the special session of the Supreme Council, which so patiently and earnestly considered every protest and every suggested plan of modification and substantially reaffirmed the former decision, many who had impulsively threatened to resign from the order have declared their purpose to remain loyal to the institution they love and which has done so much good for humanity. The defection will not be near so great as was predicted and the loyalists declare the Arcanum was never on such a sure, tested foundation or had a brighter future.

"The loyalists do not apprehend any serious trouble from the threatened court proceedings and the decision of Justice Street, reported in the Toronto press dispatches of Saturday, is taken to be indicative of the general attitude of the courts. The Justice held that the Arcanum was clearly within its rights in making the new schedule. "It is worthy of note that the Arcanum never lost a case in court and has dispensed near one million of dollars to the widows and orphans of its deceased members without one penny's diversion."

HEATHERBLOOM IN MANY CLASSES

Famous High Jumper Will Appear Almost Every Night of Show.

ATTENDANCE TO BE LARGE

Interest Has Steadily Increased. Demand for Seats Almost Unprecedented.

The Horse Show building, used for some months as a skating rink, was turned over to the association yesterday morning, and is now being overhauled and gotten in condition for the exhibition which begins next week. The boxes are being repainted, and other necessary repairs will be speedily made. Arrangements have been completed for handsomely decorating the building in time for the show.

Announcement was made yesterday to the effect that Heatherbloom, the famous high jumper, who holds the world's record in this event, has been entered in six different classes, and will probably appear in the arena every night during the show. No little interest attaches to this announcement, as it has been generally supposed that Heatherbloom would appear only in the two classes for high jumpers. Rifle and the other high jumpers entered will also be in the ring every night.

Garbers Bring Large Stable.

Among the entries not already announced is that of Hale, Garber and Garber, of Harrisonburg, Va., who will bring a large stable which will figure in the harness classes, and in the four-in-hand classes. Mr. Henry Fairfax, one of the box-holders, will bring about five horses from Aldie for entrance in the harness classes. C. W. Walker, of New York, will have about eighteen horses and fifty entries in the harness classes. The Watson horses are the prize winners of the season and will doubtless attract considerable attention here.

Most Gratifying Outlook.

This exhibition will begin eight days from to-day and will in all likelihood open with a record-breaking attendance. Popular interest in this annual event has been steadily growing, and is now gratifyingly real. The demand for tickets yesterday was considerably greater than that of any other day since the office was opened. Many people are having tickets laid aside. These will be held until late Monday afternoon, and if they are not then taken up, will be placed on sale.

PERSONALS AND BRIEFS.

Miss Mosella Robins, of No. 2218 East Broad Street, is spending some time visiting in Washington. Mrs. Prancott has returned from Europe and will be glad to see all friends.

SECOND LEADS BY FIVE POINTS

For September the Up-Town Patrolmen Did Better Shooting.

OFFICER BRYANT HIGH GUN

First District Man Made the Best Average—Target Practice To-day.

For the month of September the Second District officers lead the down-town men by a fraction over five points in the total average in the target practice with the revolver. The high gun for the month, however, goes to the First District, Patrolman Bryant having an average of 78.3 against the highest score—73—made by two uptown officers. Officer E. J. Bradley has an average of 76.5 with one practice for the month. In one of the shots he did not participate, and this may have increased or decreased his percentage.

The regular target practice will be held this afternoon in Old Market Hall, and each district is determined to carry away the prize for the month. Half of the officers, or one relief, will shoot to-day, and the other relief will have a try to-morrow.

The Detailed Score.

But the score in detail for the past month, showing what each officer did, is as follows:

TEACHER'S FUNERAL.

Prominent White People Attend Burial of Lily Jackson.

The funeral of Lily Jackson, a daughter of Giles B. Jackson, the colored lawyer and teacher in a public school of the Brooklyn District, took place from Mt. Carmel Church yesterday afternoon. The church was filled to overflowing with friends of the young woman and her father, a number of prominent white people were present, including Judge B. B. Commonwealth's Attorney D. C. Richardson, Mr. P. P. Winston, clerk of the Law and Equity Court, Major Saville, clerk of the Chancery Court, and others. The burial was made in Evergreen Cemetery.

Brooklyn Jackson is deeply gratified that the Brooklyn District School Board has written him the appended letter of sympathy:

"Richmond, Va., Sept. 29, 1905.
"Giles B. Jackson, Attorney at Law, Richmond, Va."
"Dear Sir—I have heard with profound regret the sad news of your daughter's death, and desire for myself, as well as for the School Board of Brooklyn District, to express our sympathy in your loss. Your daughter was uniformly courteous and well-behaved; her teaching was all that we could ask, and her deportment was beyond criticism. She was a credit to you and a worthy example for her peers, and the School Board fully appreciates the weight of the affliction which has fallen upon you. Allow us to again express our sympathy and to subscribe ourselves with great respect,
"Very truly yours,
(Signed)
"BROOKLYN DIST. SCHOOL BOARD,
"John Stewart Bryan."

SUNDAY SCHOOL WORKERS MEET

Attractive and Valuable Course of Study Outlined for This Week.

SESSIONS AT FIRST CHURCH

Training Work Inaugurated Last Night With Attractive Exercises.

The training school for Sunday school workers, conducted under the auspices of the Baptist Sunday School Association of Richmond and Manchester, was inaugurated at the First Baptist Church last night. Dr. W. A. Harris, who was elected dean of the school, presided, and Mr. W. D. Duke welcomed the audience on behalf of the Sunday School Association. Rev. B. W. Spilman, field secretary of the Sunday School Board of the Southern Baptist Convention, who will conduct the course of study in teaching and old testament history, outlined the extent and scope of the school.

Rev. M. Ashby Jones, D. D., made an inspiring address, and Rev. E. V. Baldy, D. D., addressed the meeting on the course in the life of Christ which he will conduct.

Courses of Study.

The courses of study as outlined for the current week, are as follows:

4:30 P. M.—Sunday school teaching for teachers, conducted by Rev. B. W. Spilman.

5:15 P. M.—Life of Jesus, conducted by Rev. E. V. Baldy, D. D.

8:00 P. M.—Sunday school history, by Rev. B. W. Spilman to-day and to-morrow. Sunday School management for officers, conducted by Rev. W. C. Barrett, of Durham, N. C., Thursday, Friday and Saturday.

8:30 P. M.—Old testament history, by Rev. B. W. Spilman.

All of the sessions will be held at the First Baptist Church. Sunday School workers, and all others interested, irrespective of denomination or sect, are cordially invited to attend the school or any of the sessions which may be convenient. Those interested in primary work will find it to their advantage to watch the announcements of the course to be conducted by Mrs. Crafts next week.

RICHMOND FIRST.

In Per Capita Wealth Richmond Stands at Top of Column.

It is interesting to note that Richmond is not the only city that is making a struggle to better the condition of its young men and to throw around them a moral atmosphere that will be of some lasting good. It is the result of the influence of the Young Men's Christian Association. Nor is this city the only one in the South that has made plans for the erection of a building for its members, one handsome building for its members, one equipped and up-to-date in all the present day requirements for such a building and one that will be an architectural adornment to the city.

Savannah has become enthusiastic over the same idea, and the M. C. A. members of that city are making an earnest endeavor to have erected another building that will be commensurate with the requirements, now rapidly increasing, of the city. It is interesting to note that Savannah is fourth in the per capita wealth of the cities of the South, with Richmond standing first.

IN A QUANDARY.

Second Baptist Congregation Has Two Churches.

A special meeting of the congregation of the Second Baptist Church has been held at the North at which time the question of a place of worship will be considered and decided. The pews and chapels in the new building are being sold and while the seats have not yet been removed the lights have been taken out, making it impossible to hold services until the new church is entirely complete. There is a considerable division of opinion among the members on this point.

Burnett's Extract of Vanilla has taken gold medals over all other brands.

CAUGHT ASLEEP IN CHURCHYARD

Justice John, Who Often Sleeps in Church, Lets Unfortunate Man Go.

WERE RUNNING BLIND TIGER

One John Slaps Heavy Fine on Woman Who Was Caught.

"He was not disorderly, Judge. He was drunk and when I found him, was asleep in a church yard," said the officer when W. H. Baxter, a white man, came to the counter behind which sat Justice John J. Crutchfield yesterday morning.

"Asleep in a church yard!" exclaimed the Justice, fixing his gaze upon the blue coat.

"Yes, sir. When I found him he was asleep in the yard surrounding Trinity Church, at Twentieth and Broad Streets," answered the officer.

"There are better bodies than this one who are now sleeping in a church yard," said the Justice, and a sad look appeared upon his countenance.

"But," continued the man who has to deal with all kinds of cases, "it shows that you have some inclination to do the right thing. Perhaps the devil got you that hooved about your head while you lay in a drunken sleep 'neath the shadows of that house of worship whispered into your ears some words of reformation. Maybe you'll be better in the future. I trust that you enjoyed the nap. Go on, and thank the stars that you found a place in the church yard," finished the Justice.

Justice Hardy, a negro woman who sits with her eyes closed for a few minutes and then communes with the spirits, and with the little god Cupid, was yanked into court on the charge of having stolen money from Julia Bates.

"She wanted me to give her some money for her sprinkling de lo' dust' on me," said Julia.

"Huh," grunted the court.

"Yes, sar; she is one of dese conjure niggers, en she say she ken make your feller joy, you of he den gib you de go-by. Tain't had enough money for de 'spartmen' and she den took all I had and aint made dat man come back to mah arms none tall," answered Julia.

"Gimme \$100 security for six months before you shake some of that dust on me and make me soft-hearted and spoony," said the Judge.

Running Blind Tiger.

Officers Kregel, Gorman and Hulcher rounded up a house at No. 72 North First Street Sunday and caught three persons—two negro men and a negro woman—who kept the house, was fined \$100 and given four months in jail. Dennis Butler, an aged negro, and L. D. Lewis, a deformed wretch, were placed under security for three months.

Willie Schurm got in trouble because he didn't know enough to stop talking. He was charged with beating H. W. Carter, another white man, and was fined \$5. "All right, sir; but I'm sorry I didn't put a thing in him before now," said Schurm.

"Gimme security in the sum of \$100 for your good behavior for twelve months," shot out the court, and Schurm was detained for a while.

Annie Johnson, Annie Carter and Sadie Owens paid \$2.50 each for being disorderly charged Sunday.

Thomas Pierce, a very black negro, ambled up on the charge of being drunk. "Where'd you come from, nigger?" asked the Justice.

"I'm from Bellfield," answered Thomas. "Bellfield? Where's that?"

"Aint' you never hear talk er Bellfield? Dat's Emporia, too," said Thomas, and he really looked as though he felt sorry for the ignorance of the Richmonders.

"I understand now, Thomas, me boy. Get out of here, and get back to Bellfield, alias Emporia, right at once. Now, say!"

Thomas was escorted to the door and got.

Mary Brown, Jr., was charged with beating Mary Brown, Sr., and the case went over until to-morrow.

Give Manchester a Show.

Thomas Williams, a negro, was taken back to Manchester by Officer Moore, who wanted him for a misdemeanor charge.

"Let Manchester have something," said the Justice to the officer from the Southside.

"Thank you, sir, for the prisoner. We will soon have something to speak of, for we are going to annex Richmond in a few years," innocently said Mike.

"Goner to do what! Annex Rich—Heh, what you mean?"

But Mr. Moore was disappearing through the door.

"You reckon he really means that, Edgar? Say, Gilbert Pollock, is Manchester trying to take us in?" asked the Justice.

INDICTED UPON SERIOUS CHARGE

Young Henrico Man to Be Tried for Attempted Criminal Assault.

MANY TRUE BILLS FOUND

Grand Jury in Session Yesterday for More Than Four Hours.

The grand jury in Henrico county was in session for about four hours yesterday, and found true bills against several persons. Among the number of indictments is one against W. W. Patterson, a young white man of the county, who is charged with criminal assault upon Miss Cora Crittenden, the pretty young daughter of Mr. David Crittenden, a well known farmer of the county. Miss Crittenden was in court and testified before the jury about the alleged crime, which is said to have occurred more than three years ago. The warrant for the arrest of Patterson was in the hands of Constable Samuel for more than a year. Within the past eighteen months, young Patterson, it is said, had frequently visited his home, and had been seen by the officers and by the Crittendens, yet no steps were taken to have him arrested until some weeks ago.

Many True Bills.

William Henry Peasants, for house-breaking, will be tried on the 4th; Minnie Clendenin for feloniously cutting another negro, will be tried on the 3d; Mary Clark, the negro woman who visited all the houses in the eastern section of the county and stole jewelry and clothing, will be heard on the 6th. There are six indictments against her.

Louis Page and Joseph Tolka, house-breaking, true bills; be tried on 3d and 6th, respectively; Charles Wells, Willie Slatery and W. H. Peckington, for tampering with wires on the Seven Pines line, true bills, be tried on the 3d; Luther Miller, indicted for murder, committed by the jury, will be tried on the 4th; Samuel King, for a felony, carried over from the last term of court, will be tried on the 3d; and Emmett Jones and Jesse Shaw Williams will be tried on the 5th for housebreaking.

The court adjourned at 2:30 o'clock until 9:30 o'clock this morning, when the first case on the docket will be gone into.

Mother Got In It.

Edwin Ford and Henry Anderson, two little negroes, fought at the Reservoir yesterday morning and Constable Burk took them to court. Both boys were hauled down to Henrico county, and Squire Angle fined them \$2.50 each. Rosa Ford, mother of one of the boys who was egging them on, was fined \$2.50 for the part she played in the matter.

CONFERENCE MAY SPLIT.

It is possible that the Methodist Conference of Virginia will split in two this year, not on account of any dissension among its members, but because of the unwillingness of the body.

The Danville Methodist, a prominent religious paper, gives several reasons why it is expedient to divide into two smaller bodies.

"First, The distance across Virginia from northeast to southwest is nearly five hundred miles, a fact which makes it very inconvenient for many ministers to attend.

"Second, The pay of many pastors is so small that they can ill afford to go so far.

"Third, The body itself is so large that too much time is given to business and not enough to Sunday schools, missions, education, and so on.

"Fourth, Many small towns, such as Suffolk, Hampton or Bedford City, would profit by the conference if the body were small enough to meet in such places.
