Two big double-end ferry steamers, with a capacity of 2,500 people per trip each, two regular ferries carrying over 500 passengers each, and several other craft, will ply constantly between this city and the grounds, making the trip across in half an hour.

Mayor Buxton has issued a proclamation making opening day, Friday, a holiday in the city, and calling upon the merchants and business men and citizens generally to decorate their places of business and homes in honor of the occasion. The banks, post-office and custom-house will close, and it is likely that business will be practically suspended. General Manager Post is considering the matter of closing down the shipyard.

NEGRO OFFICERS TO BE CARED FOR

President Tucker Takes a Gulp and Tells Secretary Bacon to Let Haitians Come.

NORFOLK, VA., April 22.—The threatened trouble growing out of the Haitian naval officers to the exposition has been obviated, much to the relief of the management. The embassy from Haiti to the exposition consists of three officers, headed by a rear admiral. The officers are negroes; the rear admiral is said to be a very dark-skinned man, but if, as the exposition heads have been informed, he has a rear admiral's rank, he will be entitled to precedence over all other visiting naval officers. The management has decided, but to-day, General Grant, who is in command of the military at the exposition, took the view entertained by Mr. Tucker, and to-night a telegram went to Minister Leger announcing that the officials from his country were requested to report to General Grant at the Chamber Hotel, near the 25th instant, and that they would be assigned quarters there as the guests of the nation.

Only Two Virginia Congressmen Accept.

The only Virginia members of the House who have accepted invitations to be present are Messrs. Lamb, of the Third District, and Lassiter, of the Fourth.

All members of Congress will have seats on the grandstand, and tickets to the luncheon in the History Building, but all will not have invitations to the President's reception.

Printed on the tickets of admission to the grandstand is a request that speakers will remain seated until the President and members of his Cabinet have departed. After luncheon, which will be served in the Administration Building, and other guests in the History Building, the guests will re-enter the grandstand and witness the parade, which will be reviewed by the President. Immediately after the parade the President will return to the Administration Building, where he will receive certain invited guests.

NEWPORT NEWS WILL ENTERTAIN Every Hotel and Boarding-House Will Care for Exposition Crowd.

NEWPORT NEWS, VA., April 22.—Elaborate preparations for the opening of the Jamestown Exposition and the entertainment of crowds of visitors have been made here. It is estimated that at least 6,000 guests can be accommodated daily in Newport News while several thousand more can find accommodations in Hampton, Phoebus and at Old Point. Every hotel in this vicinity has one or more exposition annexes, and there are few private houses in which rooms will not be for let at very moderate rates.

There is every reason to believe that the transportation companies will be

to be served him Friday. As less than fifty people can be seated at the table provided, the request caused some revision of the list of guests invited. About thirty-five persons will meet the President at dinner at Mr. Tucker's Friday night. The exact list will not be made public until Friday afternoon.

STAY AT WARWICK.

Governor and Staff Will Stay in Newport News.

[Special to The Times-Dispatch.] NEWPORT NEWS, VA., April 22.—Governor Swanson will leave the city for Warwick, Va., on Friday morning, and will stop here when they come to attend the opening of the Jamestown Exposition, instead of making their headquarters at the inside inn, as it was intended they should.

Catlin B. Orent of New York, president of the Newport News Shipbuilding and Dry Dock Company, is here to spend two days inspecting the shipyard.

THE ROOSEVELT PARTY.

President Will Leave for Jamestown To-Morrow Afternoon.

WASHINGTON, D. C., April 22.—President Roosevelt will leave the navy yard here at 2:30 o'clock Thursday afternoon on the yacht Mayflower for the Jamestown Exposition. Accompanying him will be Secretary Loch, several of the President's children, and perhaps some other guests. The review of the fleet and foreign ships in Chesapeake Bay will occupy an hour on Friday morning, and the reception on board the Mayflower by the President and Mrs. Roosevelt to the effect of the foreign men-of-war will begin at 9:30 A. M. on that day.

Not to Join Parade.

[Special to The Times-Dispatch.] JAMESTOWN EXPOSITION GROUND, April 22.—Governor Swanson and his staff will not take part in the military parade on the opening day of the exposition. He will accompany President Roosevelt, and be present on the review stand. His Executive Order, which forbids military parades, would appear in the parade, it would not be proper for him to take part.

German Cruiser Arrives.

[Special to The Times-Dispatch.] JAMESTOWN EXPOSITION GROUND, April 22.—The German cruiser Roon entered the Cape of Hope, and will report to Admiral Evans in the morning. The Navy Department has not yet been informed of her arrival. General Manager Post is considering the matter of closing down the shipyard.

Governor Dawson Coming.

[Special to The Times-Dispatch.] CHARLESTON, W. VA., April 22.—Governor Dawson and a number of members of his staff will leave here over the Chesapeake and to-morrow evening for Jamestown, to be present at the opening of the exposition on Friday. Not all of the Governor's staff will be present, but it is expected that all will attend on West Virginia day, July 24.

GREAT LUMBER PLANT DESTROYED IN SEATTLE

SEATTLE, WASH., April 22.—Fire, which started last night in the planer-room of the Port Blakeley Mill Company's lumber mill at Port Blakeley, destroyed the entire plant, one of the largest lumber manufacturing establishments in the world, and cost the owners \$2,000,000 and \$500,000. Of this seventy per cent is covered by insurance. The 300 employees were compelled to flee for their lives.

WANT JUVENILE COURT FOR CITY

the Richmond Education Association, while care has been taken not to interfere with the technical professional and executive work belonging to officials and to teachers.

"In November last a State conference for education was held in this city, under the auspices of the State Department and the Co-operative Education Association. The Richmond Education Association took an active part in the gathering, which represented every section of the State.

"The school visiting committee has served to bring into closer touch than ever reached before the principals, teachers and schools, with the association. I have received letters to attest that fact.

"The letrary committee has provided an address by Dr. McBride, Jr., of Sweet Briar Institute, in March, on 'The Higher Education of Women'; one from Dr. C. Alphonso Smith, of the University of North Carolina, on 'Industrial and Literature'; and one yet to come from Dr. Alexander C. Humphrey, president of Stevens Institute, the middle of May.

Kindergarten Work.

"The School Board recognizing the highest needs of the schools, urged among other things an increased appropriation for kindergarten and manual training. Through the combined efforts of the kindergarten and manual training committee, the Mother's Club and other members of the association, an increase of \$2,400 over last year's appropriation was secured. The association hopes to secure another kindergarten by fall. The continuance of the industrial classes in the colored normal is also assured, and the association feels a grateful pride in not having to seek outside assistance for these classes in the coming year. The most notable achievement in the appropriations was the increase in salary of the teachers, every member of the School Board, the teachers themselves and the association laid the matter in all its worthiness before the Council, and the increase was accomplished to the credit of the city and the good of a most faithful and efficient corps.

"The association sent a delegate to the Southern Conference at Pinehurst, N. C., on the 9th of April, and we have heard a report of that conference this evening.

A delegate will also be sent to the Public Eastern Education Conference, meeting in Providence this spring.

"We have been requested to appoint a committee from the association to serve with other organizations on a woman's auxiliary to the University of Richmond. This has been done, in connection with the Woman's Club, the Council of Jewish Women and the Mothers' Club. The time is ripe for Richmond to offer even further educational facilities in keeping with her progress on other lines, and the utilization of interest toward such an achievement is manifest.

"With school board alive to the best interests of the schools, and with a man at the head of the Department of Public Instruction who leads in thought and action, we shall see it made possible for every child to attend a kindergarten, a common school, a high school, taught by capable teachers, administered by competent officials, and fostered and sustained by the dignity and influence of the Commonwealth."

THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes kidney trouble is permitted to continue, many fatal results are sure to follow.

Your other organs may need attention—but your kidneys most, because they do most and should have attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince any one.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable curative power has been proven in thousands of the most distressing cases. If you need a medicine, you should have the best.

Wilson, Conn., Feb. 15th, 1906. Dear Sir: "I am unable to be in any worse condition than I was with kidney and bladder troubles. I desisted with several good doctors, and one physician told me I had Bright's Disease, and that I would not live over six months. Another told me it was gall stones. I had severe pain in my kidneys all the while, could not stop over, would be dizzy, could not lie down without some help, my urine was thick and smelly, and I would get up many times in the night to urinate.

"I took Swamp-Root, and to-day I am a well man, and never felt better. All of my troubles have gone and show no signs of returning. I take my oath that Swamp-Root put me where I am to-day, and I can prove it by acquaintances."

Very truly yours, E. H. RAND.

EDITORIAL NOTE.—In order to prove the wonderful merits of Swamp-Root you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands upon thousands of testimonial letters received from men and women who found Swamp-Root to be just the remedy they needed. The value and success of Swamp-Root are so well known that our readers are advised to send for a sample bottle. In sending your address to Dr. Kilmer & Co., Binghamton, N. Y., be sure to say you read this general advertisement in the Richmond Daily Times-Dispatch. The genuineness of this is guaranteed.

UNIVERSITY ALUMNI TO HAVE BANQUET TO-NIGHT

A brilliant reception will be given by the alumni of the University of Virginia at 7:30 o'clock this evening at the Westmoreland Club to the speakers and guests of the association, including President Edwin A. Alderman and Professor John Basset Moore, of Columbia College, the great authority in this country on international law.

At 8 o'clock at the club there will be held the annual banquet of the alumni association. All the alumni who have subscribed, or who desire to subscribe, are requested to attend this reception and banquet without further notice, as the committee have not been able to send tickets to all subscribers.

The occasion will be peculiarly interesting, as it will be the first meeting in Richmond of the two men most prominently mentioned for the first president of the University of Virginia. Professor John Basset Moore is an old university man, and his eminent career at the university and subsequently secured many warm supporters for his selection as president. Although Professor Moore did not receive this high honor, this fact has not interfered with the continuance of his interest in and devotion to his old Alma Mater.

The alumni will not only have an opportunity at the banquet to hear Dr. Alderman, who is pronounced by many competent judges to be the most brilliant representative of Southern eloquence, but will also have a treat in store in Professor Moore's response to the toast, "The United States as a World Power."

The other speakers are Major Robert Hunter and Mr. Roscoe C. Nelson. The banquet is the largest and most brilliant banquet the university men have had in this city for many years.

Colonel George Wayne Anderson, president of the alumni chapter, will preside and introduce the speakers.

The program provided for to-day is as follows: In J. M.—Devotional services, conducted by Rev. W. L. Kinsolving, of Barton Heights.

Business session at 10:30 A. M., followed by morning prayer and holy communion. Convocation sermon by the Rev. W. M. DeLoach, of Richmond.

Business session at 3:30 P. M. Discussion of the subject, "The Family Altar," by Revs. L. R. Mason and J. J. Gravatt.

Missionary services at 8:15 P. M.—"Convocation Missions," Rev. R. A. Goodwin; "Men's Thank Offering," Rev. J. J. Gravatt.

HORSES PERISHED IN AWFUL BLAZE

Two Hundred and Fifty Burned to Death and Four Men Killed.

DAY'S RECORD IN NEW YORK

Victims Were Italians, and Bodies Found in Stables—Thrilling Rescues.

NEW YORK, April 23.—Four men burned to death, 250 horses killed, twelve firemen injured, two of them seriously; two engines overturned and wrecked by collisions with street cars, several thrilling rescues from burning buildings, and property loss of \$200,000—that is the story of the fire department for the five hours following last midnight.

Six different fires on the upper East Side, in Broadway, on the middle East Side, and a big stable fire at Christopher and Barrow Streets, kept the firemen constantly at work.

The dead are four Italians, whose bodies were found in the stable. The fire was in the Dispatch Stables, in the block between Christopher, Barrow, West and Washington Streets. It was here that the 250 horses perished. The money of the loss in the stable fire is placed at \$100,000.

Another serious fire started in the Madison Laundry, in East Seventy-third Street, and swept up through the five-story building, several of the upper floors of which were occupied as tenements. It was while on the way to this fire that the two fire-engines were wrecked. The drivers of both engines were injured. The families in the upper part of the building were cut off from escape by the stairways, but were rescued by firemen. Loss, \$20,000.

It was in a high building in Wooster Street that most of the firemen were injured. The firemen had dragged the horse up, and tried to fight a stubborn blaze in the factory of the R. R. Freres Manufacturing Company. The full company had reached the scene, when came the back draught, and the flames and choking smoke swept over them. A dozen of the men were blown down a flight of stairs. Several of them were severely burned and bruised.

The other fires were in widely separated sections of the city.

PEABODY PRESIDENT OF MUTUAL LIFE AGAIN

NEW YORK, April 23.—Charles A. Peabody was re-elected president of the Mutual Life Insurance Company at the first meeting of the new board of trustees to-day. All the other officers of the company were also re-elected. H. McK. Twombly, of this city, sent a letter to the board of trustees declining the office of trustee, for which he had been named. John S. Freres, another of the new trustees, tendered his resignation, and Judge Gray, of Wilmington, Del., who had been named from New York and his judicial position prevented his acting as trustee.

WILL ASK GRAND JURY TO INVESTIGATE KILLING

LANCHBURG, VA., April 23.—There seems to be no doubt that relatives of John Crossman, who was killed at Evington Sunday afternoon by H. K. Early, will seek to have the grand jury at the May term of the Circuit Court of Campbell county inquire into the homicide with a view to indicting Early. Early was released yesterday. It will be recalled on his plea of self-defense at the preliminary hearing.

Careful Chemical Analysis Made of Coca-Cola. Dr. Jno. M. McCandless, State Chemist of Georgia, made a careful analysis of Coca-Cola and testifies as follows to its harmlessness. "I have purchased in the open market a sample of Coca-Cola syrup and subjected same to chemical analysis. I find therein no trace of the alkaloid cocaine, for which I made special search, and nothing of a nature any more injurious than would be derived from drinking an ordinary cup of tea or coffee. Yours truly, JNO. M. McCANDLESS.

SPRING SESSION OF CONVOCATION. Sermon Preached Last Night by Rev. Mr. Lee—Business Meeting To-Day. The Richmond Convocation of the Episcopal Church opened its spring session in Emanuel Episcopal Church, Henrico county, last night, with a sermon by the dean of the convocation, Rev. William B. Lee, of Gloucester county. A large attendance from the neighborhood, as well as a considerable delegation from Richmond, was present at the opening session. Mr. Lee took as his text, Acts iv. 12: "There is no other name given under Heaven whereby we must be saved." The sermon was helpful and instructive. Rev. Mr. Osmond, rector of Emanuel Church, led in the regular evening prayer, and after the sermon an address was delivered on diocesan missions by Rev. J. P. Poyntz Tyler, the archdeacon of the diocese, whose home is in Ashland, Va. The convocation will continue its sessions at Emanuel Church through to-day and to-morrow. The program provided for to-day is as follows: In J. M.—Devotional services, conducted by Rev. W. L. Kinsolving, of Barton Heights. Business session at 10:30 A.
