

AMERICANS WIN THE OLYMPIC CUP

Rifle Team of the United States Carries Off the Championship of the World, Great Britain Taking Second and Canada Taking Third—Large Crowd With National Colors Cheers the Victors.

[Special Cable to The Times-Dispatch.] BRISLEY, ENGLAND, July 11.—The American rifle team to-day won the international competition for the Olympic cup, thus carrying off the rifle championship of the world against teams from Great Britain, Sweden, Canada, France, Norway, Greece and Denmark.

The final scores of the leading teams were as follows: United Great. Distance States, Britain, Canada. 200 yards 428 419 412 500 yards 438 436 413 600 yards 426 425 423 800 yards 430 428 423 900 yards 405 393 357 1,000 yards 405 289 355

The 300-metre individual contest, in which Simon's score of 536 was yesterday regarded as a sure winner, was won, according to the official score announced this morning, by Holgerstedt, of Norway, with a score of 504. Simon takes the silver medal, with Wallingford, England, third.

In the individual revolver competition the official result announced this morning is as follows: First, Van Brock, Belgium, 400; second, Storms, Belgium, 487; third, Axtell, United States, 486.

The American arms and ammunition also came in for their share of praise. The new Springfield short rifle is admirably superior to the arm of any of the other teams, and experts speak very highly of the American peep sights. The American ammunition is also superior to that of the British team.

In the 800-yard competition, five of the six members of the American team scored 73 out of 75. The sixth member of the team made 71.

The weather conditions were unfavorable this morning for good scoring, a high wind blowing diagonally across the field. Nothing, however, seemed to interfere to any appreciable extent with the American marksmen's aim, and they gained perceptibly on their competitors in each succeeding competition.

A large crowd of Americans came out this morning to view the contests, and many of them were seen to cheer the team's excellent showing yesterday. Many women were among these spectators, all of whom wore either little or no hats, and many of them wore white and blue flags. The Americans cheered their team, and began to offer the members their congratulations.

After a struggle of five innings the game was called, with the score standing 15 to 2 in favor of the student nine. The star for the faculty team was Professor Blaylock, who was batting in the first inning, and who held down third base in good form. Base running was rather fatiguing for him judging from the way he sought relief from a fan each time he advanced a base.

RECORD HAMMER THROWER

JOHN FLANAGAN, Of the Irish-American Athletic Club, who hurled the 16-pound hammer the unprecedented distance of 181 feet while at practice in the great London stadium the other day.

FRANK GILL TWO LENGTHS IN FRONT

[Special to The Times-Dispatch.] NEW YORK, July 11.—More than 12,000 turf enthusiasts saw some excellent racing at the Brighton Beach track to-day. The Trident Handicap, a mile and a quarter, was a feature, and it caused plenty of excitement. A. J. Joyner's Hessian, who carried top weight, was an odds on choice, while J. L. McGinniss's Frank Gill was well thought of at 11 to 5. When the barrier went up Old Honey, 8 to 1, showed in front, and remained there until he reached the back stretch. Then he moved up rapidly with Frank Gill, who took command at the three-quarters pole, with Hessian the contender, several lengths back. Gold Lady, 8 to 1, was also there, and this order was maintained to the end. Hessian gained on Gill as he turned into the home stretch, but the latter, who was at his best, drew away when the crucial moment arrived, and won easily by two lengths in 2:04 1-5. Hessian took the place by a length and a half from Gold Lady, with the others beaten off.

There was a thrilling struggle between the Newcastle Stable's Big Chief, 15 to 20, and J. B. Haggins's Bouquet, 11 to 10, in the fifth event, for three-year-olds, at a mile. Big Chief went in front with an impressive lead at the start, but Bouquet gradually overhauled him, until Big Chief looked to be beaten at the head of the stretch. Then both jockeys went to the whip, and a terrific drive was the result. Big Chief reached the judge's stand a half length in front of Bouquet, with Bill Daly's Tennis, 50 to 1, the only other starter, fifteen lengths back. The mile was run in 1:39.

Platers' Race. C. R. Ellison's Jacobite, 5 to 1, won the first race, for platers, at six furlongs. Tom McCarthy, 10 to 1, set a fast pace to the far turn, where Jacobite went to the front and won easily by three lengths. J. W. McClelland's Waponeca, 7 to 10, made a runaway of the second event at five and a half furlongs. He left the barrier quickly, and was trying to spare, where he had five lengths to spare. In 1:07 2-5. A. J. Joyner's Terror, 5 to 1, second all the way, beat St. Withold, 5 to 1, for the place. The Kelso Stable's Comedienne, 7 to 10, made all the running in the third race, a selling event at six furlongs, and rolled home on the bit, four lengths before Grimaldi, 16 to 5. Miller tossed the last race, a handicap for two-year-olds, five and one-half furlongs, with Gilding Belle, 50 to 2. He was watching Dunder, 2 to 1, who was trying to get up on the right at the last sixteenth pole, and did not see Verbalin, 20 to 1, stealing up on the rail until it was too late. Then, in a sharp drive, Verbalin won by a neck, with Sliding Belle a half length in front of Dunder.

Summary. First race—selling, for three-year-olds and upwards, six furlongs—Jacobite, 10, Musgrave (5 to 1), first; Tommie Grath, 17, W. Miller (10 to 1), second; Besom, 95, Upton (4 to 5), third. Time, 1:12 3-5. Also ran: Expiation, Queen Marguerite, Kentucky Belle, Tilting, Sanguine and Salvatille. Second race—selling, for two-year-olds, five and a half furlongs—Waponeca, 107, A. Lang (7 to 10), first; Terror, 115, E. Dugan (5 to 1), second; St. Withold, 104, Upton (5 to 1), third. Time, 1:07 2-5. Also ran: Hammer Boy, Beauty Bright and Pencil. Third race—selling, for three-year-olds and upwards—six furlongs—Comedienne, 107, McDaniel (7 to 10), first; Grimaldi, 109, Notter (16 to 5), second; Saraquines, 109, W. Miller (3

LOCALS DIVIDE WITH LYNCHBURG

Sandherr Gets a Home Run in the First Game and the Splendid Fielding of the Lawmakers Never Allows the Shoemakers a Look-In. Wallace Bats Out a Victory.

[Special Cable to The Times-Dispatch.] RICHMOND, July 11.—The American athletes who have come to London to compete against the world at Olympic meeting, which will open on Monday, are full of confidence as to their ability to do more than hold their own against the representatives of other nations. The Americans went to Brighton early in the week, and they have been training steadily in the country, conscientiously under the direction of Trainer Murphy.

Murphy said to-day: "One thing I am thankful for is that there have been no accidents, such as attended the team on its way to Athens. None of the men are overtrained, but, on the other hand, some of them have not had enough work, and the climate of England will not permit the forcing of work upon them."

Not since the season opened has the Richmond team put a prettier exhibition in the field than in the first game yesterday. The only thing to be regretted was that Lynchburg was unable to make an interesting game over some of the dual stunts made up for the bad plays and the crippled team work.

Every man on the local club did something worthy of praise, but luck ordained that Sandherr and Lipe should be given the hardest chances, and the way they handled themselves, drew whirlwinds of applause from the gathering of the grand. Although every local put up the big league article, no one would hesitate to award the palm to little "Sandy" Sandherr; his fielding was of the electric kind, and as to his batting—he made a home run, that's all. "Sandy's" home run came before the first inning, scoring two runs. His hit was a burning liner, which bounded way over center fielder's head and lodged behind the center field grandstand.

Wallace Makes Pretty Catch. Big Bob Wallace made a grandstand play when he pulled McKenzie's liner from the sky with one hand after a long run, and Kirkpatrick executed a spectacular one-hand scoop of Tiltman's liner.

Recto's Fast. Recto, the University of Virginia sprinter, has shown wonderful bursts of speed in practice, and likewise has proved himself a fast starter. The only question seems to be as to whether the men will remain in the lead. The difference between that distance and 100 yards does not appear to be much, but it is considerable for a finely trained man who is accustomed to the shorter sprint. The other American sprinters and hurdlers are in fine form, but the distance men are slow in coming around.

Nevertheless, they are just as confident as the others in their ultimate success. The wrestlers also are having their troubles in keeping down to weight. Gilbert, the world's champion, has broken another pole vaulting record. He cleared thirteen feet in practice recently, and there seems no likelihood of his defeat unless the present plans of conducting the vaulting and high jumping contests are persisted in. The Americans contend that vaulters must be allowed to dig a hole for the pole, and that the ground on the further side of the bars must be dug up to level with the shock of a landing. The Canadians and others are objecting to these conditions, asserting that there should be no hole for the pole, and that the jumper should alight on turf.

The drawing for heats also has been the cause of objection. The committee in charge of this detail decided that the drawings should be made by the selection of slips bearing the names of the various contestants from a hat, but the Americans have pointed out that this would lead to all the men of any one country being drawn for the same heat.

Trouble Over Longboat. A great difficulty faces the management on the question of whether Longboat should be allowed to compete. (Continued on Second Page.)

RECTOR MAKING WONDERFUL SPEED

Murphy Talks About Virginia Fiyer—Athletes in Fine Shape.

KING EDWARD TO OPEN GAMES

Gilbert Breaks Another World's Record, Clearing the Bar at Thirteen Feet.

[Special Cable to The Times-Dispatch.] LONDON, July 11.—The American athletes who have come to London to compete against the world at Olympic meeting, which will open on Monday, are full of confidence as to their ability to do more than hold their own against the representatives of other nations.

Recto's Fast. Recto, the University of Virginia sprinter, has shown wonderful bursts of speed in practice, and likewise has proved himself a fast starter. The only question seems to be as to whether the men will remain in the lead.

Nevertheless, they are just as confident as the others in their ultimate success. The wrestlers also are having their troubles in keeping down to weight.

DELIVERING THE BALL

PITCHER BAXTER SPARKS, One of Richmond's most reliable pitchers. Sparks is at his very best in Pinches.

was bounding to the center field fence, with Sweeney and Hooker racing towards home. They both scored by a city kick, but Wallace tried to stretch his three-bagger into a home run, and was caught sliding about three feet away.

In the last half of the tenth Richmond made a brave effort to recover, at one time having two men on bases, but, thanks to Kirkpatrick's leaping stop of Kanzer's high liner over third, there was nothing doing.

While there was plenty of hitting, both pitchers were in good form and kept them scattered. Sparks allowed four men to walk, while Schuman had perfect control and did not pass a man.

Hooker's Fine Catch. Bowen led off for Lynchburg by sending one back to the left field grandstand, which Hooker neatly captured. Sweeney was thrown out at first by Kanzer, Sparks covering the bag; Davis walked, and Hooker retired the side by flying out to Titman.

In Richmond's half Heffron was retiring on a foul ball, but Kirkpatrick, Lipe fled to Hooker, and Kanzer went out at first on a grounder to Sweeney.

Wallace swatted at three without success; Kirkpatrick fled to the left field grandstand, but Heffron was on the job; Raley singled, and Bentley went out. Lipe to first.

The next was easy. Sieber and Sandherr fled and Titman fanned. In Richmond's half Heffron was retiring on a foul ball, but Kirkpatrick, Lipe fled to Hooker, and Kanzer went out at first on a grounder to Sweeney.

Davis died at first; Hooker walked, but was thrown out attempting to steal second; Wallace again fanned. In Richmond's final runs were made in this inning. Kanzer hit to left; was sacrificed to Sieber; went to third on a passed ball, and scored on a fielder's choice; Sandherr scored to first, and scoring on Ison's three-bagger. Messitt was thrown out at first.

Kirkpatrick hit for a single, followed by Raley, who did the same thing. Bentley repeated the dose. Schuman flew out and Kirkpatrick scored on Bowen's hit, Raley following with a run on Sweeney's sacrifice. Davis went out on a foul ball. Heffron hit, and the side was retired on a neat double.

Hooker started off with a two-bagger. Wallace went out, short to first; Kirkpatrick fanned.

Kanzer fanned at first. Sandherr fanned, Titman fled out to short. Raley fanned, Bentley fled out, Schuman walked and Bowen fled out.

In the tenth Bowen fanned, Sweeney singled, Davis sacrificed and Hooker scored. Wallace hit for three bags, scoring the two winning runs. The score: Richmond, 5; Lynchburg, 3.

Summary: Two-base hits—Hooker, three; Sieber, Ison, Wallace. Steals—Sweeney, two; Bowen, one. Struck out—by Sparks 6; by Schuman 5. Passed balls—Bentley. Time of game, two hours. Umpire, Mace. Attendance, 9,000.
