

THOMAS AND FLOOD SPEAK AT AMHERST

Congressman Says Only Trust Roosevelt Has "Busted" Is "In God We Trust."

MONTAGUE TO LOUISA CROWD

Ex-Governor Touches Upon Tariff and Other Issues of Present Campaign.

[Special to The Times-Dispatch.] AMHERST, VA., October 12.—Ex-State Senator A. F. Thomas, of Lynchburg, and Congressman H. D. Flood, of Appomattox, delivered Democratic addresses to a crowd which filled the courthouse here to-day. No Republican speakers put in an appearance.

Senator Thomas spoke first, attacking the attitude of the Republican party on the issues of the campaign. He criticized President Roosevelt and said that Taft had shown no originality or ability in this campaign.

Congressman Flood aroused great enthusiasm by his replies to a Republican rural mail carrier in the crowd who attempted to question him. He urged the voters to come out on the day of the election, and said that the only trust that Roosevelt had busted was the "Trust in God," which he had taken off of the United States dollar.

Mr. Flood also referred to the religious views of Candidate Taft, and said that for his part, neither he nor his house would have sought to do with a man who believed neither the teachings of the Bible or in Christ.

MONTAGUE AT LOUISA

Makes Address Before Voters and School Children During Day.

[Special to The Times-Dispatch.] LOUISA COURTHOUSE, VA., October 12.—Ex-Governor A. J. Montague addressed a large crowd here to-day upon the issue of the present campaign, roundly roasting the Republican administration and Judge Taft. That the present high rate of tariff is a hindrance to the commercial development of the entire country was clearly pointed out by Mr. Montague, and is not an exponent of government by the people.

Much enthusiasm was evidenced upon all sides. While here the ex-Governor was the guest of Mr. James Porter.

In the morning Governor Montague, Judge Duke and Congressman Carlin addressed the pupils in the auditorium of the new high school.

VOTE WILL BE CLOSE

Goochland Citizens Hear Many Good Political Speeches.

[Special to The Times-Dispatch.] GOOCHLAND, VA., October 12.—Circuit Court convened here this morning Judge D. A. Grimley on the bench. Court opened at 12 o'clock, and the civil and criminal dockets were called. A few orders were entered, when the court adjourned for dinner and for public speaking. County Chairman A. X. Monteiro presided at the political meeting. The first speaker was David Harris, of East Leake, who spoke fifteen minutes on Democratic opportunities and the tariff. He was followed by John G. Luce, the representative from

Goochland in the State Legislature, but who is now the candidate of the Republican party for Congress. Mr. Luce spoke fifteen minutes.

Captain Lamb Speaks.

Captain John Lamb, present Congressman from this district, was then introduced, and in a forty-five minutes' speech ably discussed the tariff, the guaranty of bank deposits and the Democratic platform in a general way. Captain Lamb's speech was well received. Mr. Roy Cabell, postmaster at Richmond, spoke next, and in a forty-five minute speech criticized Mr. Bryan and the Democratic platform to such a degree that when Captain Lamb, in a fifteen minutes reply, answered him it was with considerable spirit. There were about 150 people at the speaking, of whom about sixty or seventy-five were negroes. The vote will be close in Goochland in November, but the Democrats hope to carry the county for Bryan and Lamb by a small majority.

The court reconvened at 3 o'clock and adjourned at 5 until this morning at 10 o'clock.

The case of the Commonwealth vs. Cooper was continued by the defense on account of the indisposition of J. C. Page, defendant's attorney. Cooper has been in jail ten months, this being the second trial of the case. At the first trial he was convicted of murder in the second degree and sentenced to fifteen years in the penitentiary. He secured a new trial on the ground of newly discovered evidence.

The case of the Commonwealth vs. Ball was fixed at 11,000, but he has been unable to give it, and was remanded to jail. It may be remembered that Cooper was indicted for killing an old negro named Bolling, the defense being that it was accidental.

Wednesday the case of Rutherford vs. the Chesapeake and Ohio Railway will be called. This is a damage suit to recover several thousand dollars for destroying a barn by sparks from the locomotive. Speaker R. E. Byrd represents the plaintiff.

The farmers of Goochland are re-

joicing in the finest corn and cotton crops that they have had for a long time. There is a general air of prosperity, and whether or not Mr. Bryan is elected will not affect the optimistic spirit of the people of Goochland. There are no Taft Democrats here, and it is said that several Republicans will vote the Democratic ticket. Bryan will get every Democratic vote in the county.

MANNING FOR SENATE.

Kitchin's Former Manager Will Make Race for State Office.

[Special to The Times-Dispatch.] DURHAM, N. C., October 12.—The Democratic senatorial convention of the Eighteenth District, at Hillsboro, to-day at noon nominated J. S. Manning, of Durham county, and J. S. Scott, of Alamance, candidates for State Senate. Mr. Manning was W. W. Kitchin's campaign manager in his race for the gubernatorial nomination.

SPEAKING AT NEW CASTLE.

Both Republicans and Democrats Have Meetings in Craig.

[Special to The Times-Dispatch.] NEW CASTLE, VA., October 12.—Circuit Court opened Saturday, but little business was transacted, the time being taken up by public speaking. Notwithstanding the rain fell incessantly during the day there was a very good attendance. The Republican speakers, Mr. Fulwiler and Mr. Franklin, Republican candidate for Congress in this district, occupied the courthouse from noon to 2 P. M., and enjoyed a very respectful hearing.

From 2 until 4 P. M. Hon. H. D. Flood, Democratic candidate for Congress in this district, and Hon. William Hodges Mann occupied the courthouse. Mr. Flood made an unusually strong and forceful speech, which was received with the greatest attention and enthusiasm. Mr. Mann made many

strong hits in his speech, which was much enjoyed by his hearers.

Altogether it was a great Democratic day in the little county of Craig. This is a Bryan and Flood county, and will give good majorities for both candidates. The Bryan-Kerr-Flood Club, which was organized several weeks ago, meets regularly every Saturday night, and much effective campaign work is being done through the organization.

SHAW AT ROANOKE.

Says Bryan Is All Right in Heart, but Off in His Head.

[Special to The Times-Dispatch.] ROANOKE, VA., October 12.—Hon. Leslie M. Shaw, ex-Secretary of the Treasury, on the day and night in Roanoke. In the afternoon he made an address to the students of the Business College here and High School at Greene Memorial Church on "Education," and was taken on an automobile ride over the city. He held a reception at the Hotel Roanoke.

To-night, at Assembly Hall, which was packed, he discussed the issues of the campaign. He was introduced by Mercer Hartman, Republican candidate for Congress. He said he was particularly fond of Virginia, and regretted that he had only two days in the State, being requested to join Taft in Kentucky on Thursday and go with him to Richmond. He said the campaign was a very peculiar one, and embraced elements heretofore unknown, but he had no doubt of the election of Taft.

"There has not been in my time a campaign which may bring so many local and even national surprises." He had something bigger and better than Judge Taft to discuss, although he weighed 350 pounds. It was principle, not man. Mr. Bryan was all right in the heart, but off in the head; great on resolutions, but poor in fact. He discussed the difference between the two parties and the relation of the tariff to trusts at length, and argued that if Bryan's plans were carried out a panic would ensue.

HAY AT WOODSTOCK ADDRESSES BIG CROWD

[Special to The Times-Dispatch.] MEHERRIN, VA., October 12.—The campaign was opened in this county to-day by the Democratic party at Meherrin. Hon. H. St. George Tucker, Democratic candidate for Congress in this district, occupied the courthouse from noon to 2 P. M., and enjoyed a very respectful hearing.

From 2 until 4 P. M. Hon. H. D. Flood, Democratic candidate for Congress in this district, and Hon. William Hodges Mann occupied the courthouse. Mr. Flood made an unusually strong and forceful speech, which was received with the greatest attention and enthusiasm. Mr. Mann made many

Overbey, formerly cashier of the Mecklenburg Bank, who is alleged to have made false statements as to the bank's condition, began this afternoon. Hon. Thorpe opened for the defense, and was followed by Mr. E. C. Goode, who made a powerful appeal to the jury. He claimed that Overbey was a victim of other men, and ought not to suffer. He said in extenuation that Overbey had not been benefited in the transaction one cent.
