

HIGHLANDERS GIVE SOX A DRUBBING AT HOME

Four Pitchers Used in Eight Innings—All Other Games Postponed.

(Special to The Times-Dispatch.)
DANVILLE, Va., June 3.—In a ragged game Roanoke defeated Danville this afternoon. Four pitchers were used up in the eight-inning contest, which was interrupted by rain and finally called on account of darkness. Martin Walsh, who was recently secured by the locals from Puchler, Colo., started to pitch and practically no control, and lasted but one inning. Mayberry, who followed him, hit two batsmen, allowed five hits and three errors, and had very poor support. Doane, who pitched the last two innings, pitched well, and practically all figuring in the scoring. Hale, for the visitors, was taken out in the fifth inning, and was succeeded by Doane with the bases full and no outs. In this inning Doane held the locals down to one run, which was made off a sacrifice fly.

Revelle Pitches To-Day :- Sparks With Goldsboro :- Sporting Gossip

Rain prevented the Champions and the Truckers from playing the first game of the present series yesterday afternoon at Broad Street Park. A light rain began falling just a half hour before the time for the commencement of play, and at 4:30 o'clock this developed into a heavy down-pour. Fifteen minutes later the shower was practically over, but the diamond and outfield had been completely flooded, and the teams could not play. In spite of the threatening clouds early in the afternoon, several hundred of the faithful fans gathered in the park, and were sorely disappointed when the game was called off.

Richmond now has seven postponed games to play off. Three are with Portsmouth, two with Lynchburg, one with Roanoke and one with Danville. In the games with the Truckers, the one with Danville and the one with Roanoke will be played in Richmond.

"Pop" Messitt's injured finger is well again, and he would have caught for Richmond yesterday afternoon if the game had been played. Messitt's finger was split by a foul tip ball in the game with Lynchburg last Monday afternoon. Jimmy Isom was out in Richmond yesterday afternoon, and he probably will break into the game again to-day.

George Kieffel, who joined the Truckers Tuesday, caught in the games against Norfolk Tuesday and Wednesday, and all of the Norfolk and Portsmouth papers gave him special mention. In one of the games he caught five of the Tars trying to steal second. Kieffel was out for Portsmouth here this afternoon.

"Dutch" Revelle will pitch for the Champions this afternoon and Hamilton will be on the firing line for the Truckers. Following will catch to-day: Richmond—Lipe, third base; Kandler, first base; Smith, centre field; Steber, left field; Sandherr, shortstop; Titman, right field; Ross, second base; Messitt, catcher; Revelle, pitcher. Portsmouth—Maher, shortstop; Blissett, left field; Guibeen, second base; Wolf, centre field; Schrader, first base; Whalen, right field; Toner, third base; Kieffel, catcher; Hamilton, pitcher.

Baxter Sparks, who pitched for Richmond last year, and who has been with the Danville Red Sox this season, has joined the Goldsboro team, of the Eastern Carolina League. Sparks asked Manager Stafford for a recommendation after he lost the game in Richmond last Friday, and Monday he asked for his release, which Stafford granted.

Pitcher Schuman, the left-handed twirler, who has been with Danville this season, joined the Truckers in this city last night, his release from Danville having been purchased early this week. Schuman is a good pitcher, and would greatly strengthen the Portsmouth team.

Whalen, a new man, who has just been purchased by Portsmouth, replaced Townsend in right field. Townsend was released Wednesday.

The Lynchburg News has this to say of Arthur Smith: "Richmond has a great player in Smith, who covers a wide range of territory in centre field. He is one of the fastest men that ever played in this league. And besides he is a gentlemanly player and makes friends wherever he goes."

"It is strange, but true, that nearly every time the up-State teams lose at home, the home papers say that the visitors of the up-State were unsatisfactory again to-day." Then when the teams win the same papers say: "The home team was entirely satisfactory to-day."

The defeat of the Red Sox yesterday by the Roanoke Highlanders puts Richmond two full games ahead of Danville.

The second division teams in the Virginia League seem to be taking a spurt. Roanoke has a strong, well-balanced team, and the Lynchburg and Portsmouth clubs are being strengthened. Present indications are that the race is going to be a close one hereafter.

Manager Shaughnessy, the fierce leader of the Mountaineers, was fined \$10 by Umpire Black at Roanoke Wednesday. Shaughnessy objected to one of Mr. Black's decisions in the Roanoke-Danville game.

Savannah Wins Easily.
SAVANNAH, Ga., June 3.—Savannah won easily from Columbus to-day. Errors appeared at opportune moments for scoring. The game was fast, however, and fine fielding was a feature. Other games postponed on account of rain.

BASEBALL AT NIGHT

"Garry" Herrman Arranges for Trial of His Pet Scheme.
CINCINNATI, O., June 3.—President "Garry" Herrman, of the Reds, yesterday arranged for the first trial of his pet scheme of after-dark baseball. The experiment will be watched with keenest interest, but it is perhaps very few persons who look for a revolutionizing of the national game. The National League ball park in this city has been fully equipped with electric towers and all appliances for making the field and whole interior as light as artificial light can illuminate. The real article, will be introduced to the baseball world in Cincinnati on Saturday evening, June 11. President Herrman and President John Bruce, of the Saturday Afternoon League, of this city (amateurs), yesterday arranged a game for June 12 between the Cincinnati Reds and a team picked from the Saturday Afternoon League.

KING JAMES WINS GREAT HANDICAP

Hildreth's Horses Carry Off Honors in Historic Brooklyn, Establishing New Record.

CELTS MAKES POOR SHOWING

Ten Thousand People Witness Exciting Race at Gravesend. Stake Small This Year.

NEW YORK, June 3.—King James, first. Restigouche, second. Celt, third.

This stands the record of the twenty-third renewal of the historic Brooklyn handicap, which was run to-day at Gravesend. The time, 2:04, establishes a record for the race, being 1-5 of a second better than Celt's run of last year. Coupled at the entry of Sam Hildreth, King James and Restigouche were quoted at 3 to 1 to win and 1 to 2 for the place. Restigouche, running alone, was variously quoted, as high as 20 to 1 before he laid against him to win, 8 to 1 for the place and 4 to 5 to show.

Celt, owned by James R. Keene, was held at 1 to 2—seemingly prohibitive odds—and greatly disappointed a host of backers.

Though mainly a race between three horses, the contest was exciting, and in every stage was viewed with interest by the 10,000 spectators. A fur-long from home jockey, James pushed Hildreth, the flying Restigouche, and inch by inch crept past him until at the wire he was leading his stable-mate by a full length, while Restigouche was three lengths in front of the tired and foundering Celt.

The value of the stake to-day was \$5,000—\$20,000 less than that of last year. Of this amount the second horse received \$700 and the third \$200. First race—handicap, all ages, about six furlongs, \$500 added.—Demund (9 to 5) first, King Cobalt (5 to 1) second, Alfred Noble (7 to 1) third. Time, 1:02 2-5.

Second race—three-year-olds and up, selling, one mile and an eighth, \$500 added.—The Squirrel (1 to 4) first, Imitator (15 to 1) second, Golconda (10 to 1) third. Time, 1:53 2-5.

Third race—The Criterion, miles, two-year-olds, five furlongs, \$1,000 added.—Ocean Bound (2 to 1) first, Angeron, (16 to 5) second, Greenvals (5 to 1) third. Time, 1:04 4-5.

Fourth race—the Brooklyn Handicap of \$5,000, three-year-olds and up, one mile and a quarter.—King James (3 to 1) first, Restigouche (3 to 1) second, Celt (1 to 3) third. Time, 2:04.

Fifth race—three-year-olds, selling, one mile and a quarter, \$500 added.—Bonnie Kelso (6 to 1) first, Hammerless (7 to 1) second, Rostrum (6 to 1) third. Time, 1:43 1-5.

Sixth race—maidens, two-year-olds, five furlongs, \$100 added.—Black Chief (2 to 1) first, Firebox (6 to 1) second, Chanticleer (18 to 5) third. Time, 1:04 4-5.

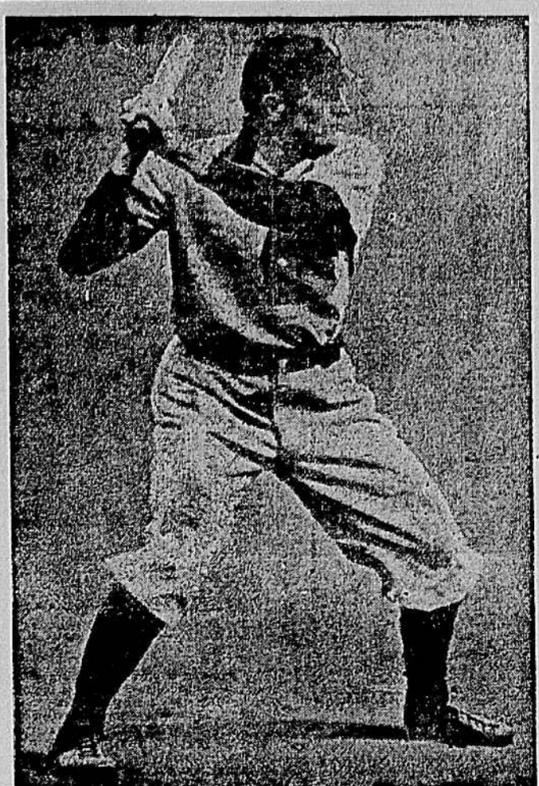

Second race—six furlongs.—Dainty Dame (11 to 10) first, Sea Swell (8 to 5) second, The Peer (12 to 1) third. Time, 1:18.

Third race—mile and a sixteenth.—Colonial Blue (9 to 10) first, Billy Pullman (5 to 1) second, Grenade (9 to 2) third. Time, 1:55.

Fourth race—mile and a sixteenth, handicap.—Alice (3 to 1) first, Monquette (3 to 1) second, E. McMillan (3 to 1) third. Time, 1:52 3-5.

Fifth race—five furlongs.—Eye White (7 to 10) first, Starport (5 to 1) second, Redeen (15 to 1) third. Time, 1:04 1-5.
