

POISONED CANDY KILLS COUPLE ON HONEYMOON

Much Mystery Surrounds Case, But Man and Bride Believed to Be Victims of Jealousy.

WILLIAMSPORT, PA., June 19.—Albert S. Munro and his bride, who were married one week ago, were found dead here yesterday afternoon. The woman, who was aged twenty years, was lying on the floor, and her husband was kneeling at the side of the bed, as if he might have been trying to get into it when death came.

Whether the couple were poisoned by candy sent them by an enemy or suffocated is a part of the mystery. Mr. and Mrs. Munro were last seen at 9 o'clock on Thursday night, and at that time were in good spirits. It is believed by many that some one sent a box of poisoned candy to them with the view of murder, the motive being jealousy. Whether it was a man of woman who sent the deadly sweets is yet to be learned, but the intimation is that a woman is concerned in the case. The city police and also the detective bureau of the Pennsylvania Railroad Company are working on the case. The dead man was a clerk in the office of Chief Justice of Pennsylvania. Railroad police, and was twenty-two years of age.

The candy was taken to a chemist, who is endeavoring to find traces of poison. The fact that there were no marks upon either of the bodies, no evidence of any struggle nor weapons in the room leads to the belief that there may have been poison of a deadly nature in the candy. The bride was formerly Miss May Dalton. They were married in the All Saints' Episcopal church on June 19 and enjoyed a honeymoon in Philadelphia and Washington, returning home on Tuesday of this week. Some of the police officials hint at a double suicide. Their assumption is based on the fact that it cannot be found that the couple made any outcry or made any attempt to reach a telephone, which is on the first floor of their home. When the police broke down the door and found the couple dead yesterday the gaslight was burning in the room.

BOLT STUNS SIXTEEN

Children Knocked Unconscious and Several of Them May Die. SPARTA, GA., June 19.—While sixteen children, attending a Sunday-school picnic at Martin Springs, near here, were standing under a tree yesterday, to escape a shower, lightning struck the tree and every child was rendered unconscious. When aid came the children were lying in a heap at the foot of the tree and all were apparently dead. There were two doctors in the picnic party, and on examination they found that not one of the children had been killed outright, though six of them were in such condition that their recovery is hardly possible. The other ten, while rendered unconscious, are not considered in a dangerous condition.

Examinations disclosed that on the bodies of nine children the tree had been perfectly photographed by the electric bolt. The shoes had been torn from their feet and every piece of metal about them fused.

1,200 DELEGATES AT CONVENTION

Asheville Entertains Largest Gathering in History of National Organization. [Special to The Times-Dispatch.] ASHEVILLE, N. C., June 19.—Over 1,200 delegates and many hundred visitors are here to attend the National Baraca-Philathea convention, which opened with an informal reception at the Y. M. C. A. and Battery Park lawn this evening. During the evening addresses of welcome were delivered by Dr. Gilbert T. Rowe and R. R. Williams in behalf of the churches and city respectively.

Those already here make this the largest convention in the history of the organization, and nearly three times as large as that of Cincinnati last year.

Virginia is well represented, and her delegates are putting up a strong fight for Norfolk as the next meeting place. Other places fighting for the next convention are Omaha, Birmingham and Jamestown, N. Y., with the odds perhaps in favor of Jamestown.

The service to-morrow will be of a devotional nature, and business of the convention will begin in earnest Monday morning.

Young Woman Dies of Injuries Received in Runaway. [Special to The Times-Dispatch.] ASHEVILLE, N. C., June 19.—Miss Bertha Lanford was fatally injured in being thrown from a buggy while driving near Skyland, and died from her injuries last night. Her mother, Mrs. Lucy Lanford, jumped from the buggy, but was not seriously injured. A negro boy sitting behind was also thrown out and later found unconscious but not dangerously injured.

Miss Lanford held on to the reins after her mother and the boy had been thrown out, although the horse was going at a fearful rate. A quarter of a mile further one of the wheels struck a rock and she was thrown out. Her head struck a stone and the skull was fractured. The horse and buggy without a driver was later seen, and a search led to the discovery of Miss Lanford lying unconscious by the roadside. She was carried to the Blount Hospital, but died within a few hours despite all efforts to save her life.

C., June 19.—The Consolidated Street Railways and Power Company, of this city, was placed in the hands of receivers by Judge C. C. Lyon, resident judge of this district, at Elizabethtown yesterday. Suit had been entered against the company by several outside parties, and the directors being unable to float a bond issue before the entering of the suits, it was deemed advisable to submit to a receivership, thus placing the property under the protection of the court until the stockholders can reassume control. The liabilities are about \$80,000.
