FREE For "Summer Complaint"

The common ailment of these hot days is "Summer Complaint," or diarrhea. It is very annoying and weakening and upsets the stomach. The cause of the trouble usually lies in food and water, which in the summer time are often laden with germs, but with many it is due to eating too much fruit or to eating over-ripe fruit.

These who have never yet used DR. CALDWELL'S SYRUP PEPSIN and would like to make a test of it before buying it, may do so by sending for a FREE TRIAL BOTTLE. They may also obtain a FREE TRIAL BOTTLE if they send for a FREE TRIAL BOTTLE of any other medicine.

Its antiseptic properties remove the germs which have been causing the irritation. Children like it especially because of its gentle action and pleasant taste. Salts and purgative waters, tablets or pills, act so violently as to weaken you still more, and do but temporary good.

DR. CALDWELL'S SYRUP PEPSIN is the best remedy you can obtain for constipation, indigestion, summer complaint or summer colic, biliousness, sick headache, etc. All drugs sold here and it costs only 50 cents or \$1.00 a large bottle. It is for all members of the family and should be your household remedy for these purposes.

Mr. S. R. Baldwin, of Fulton, N. Y., is 86 years old and works regularly in a canning factory. He says that it is Duffy's Pure Malt Whiskey that keeps him strong and active. He has used it for ten years as a tonic.

"I commenced taking Duffy's Pure Malt Whiskey ten years ago. I find it an excellent tonic. In the summer of 1907, although 84 years old, I worked in a canning factory from June till middle of November without missing a day, and felt strong enough any day to ride 50 miles on my bicycle. You can see by my writing that my nerves are in good shape. It is Duffy's Pure Malt Whiskey that keeps me in condition. I heartily recommend it as a tonic stimulant for the old."

Duffy's Pure Malt Whiskey aids in curing diseases of the throat and lungs and all run down and weakened conditions of the body, brain and nerves. It assists in building new tissue, invigorates body, brain and nerve, quickens the circulation and aids in driving out all disease germs. It is prescribed by doctors and is recognized as a family medicine everywhere.

If weak and run down, take a teaspoonful four times a day in half a glass of milk or water.
