OVERWORK AND WORRY BLAMED

For a Large Percentage of Woman's Ills.

A Newark, N. Y., Woman Tells How Relief and Cure May Be Obtained.

"I suffering women only knew of the relief they can get from Dr. Williams' Pink Pills they would never neglect taking them," says Mrs. Garrison Craver of No. 104 West Union street, Newark, N. Y. "I doctored with several doctors for months but found no relief for weakness common to my sex. My troubles were probably due to overwork and I first noticed it coming on when I began to get nervous. I soon began to have nervous chills, which were something like the ague. I had dull aching pains in my back, which often kept me awake at night. My sleeplessness was also partly due to the nervousness. I suffered with headaches through my temples and forehead. I was frequently dizzy, especially in the morning, and then would be dreadfully sick. I had palpitation of the heart. Many times I would be so sick that I could not eat or sleep.

"The doctor said my sickness was due to overwork but he did not seem to help me. After I had been sick for several months I began taking Dr. Williams' Pink Pills. They helped me a great deal. My back stopped aching and I have nervousness and the nervous chills since. The pills gave me a good appetite and I gained in strength and weight. I was completely cured and advise every weak woman to try Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills contain the elements necessary to make new blood and, as the nerves get their nourishment from the blood, have been found invaluable in a wide range of diseases of the blood and nerves, such as rheumatism, after-effects of the grip and fever, neuralgia, nervous debility, St. Vitus' dance and even partial paralysis and locomotor ataxia.

The remedy which gave Mrs. Craver complete health can be obtained at any drug store or direct from the Dr. Williams' Medicine Co., Schenectady, N. Y., at 50 cents per box; six boxes for \$2.50. While so promptly effective, Dr. Williams' Pink Pills contain no harmful stimulants or opiates. They are perfectly safe and create no drug habit.

Headache 10 Years You Can Be Cured If you are willing to learn by the experience of others, you can be cured of your womanly troubles, just as Mrs. Luther Guthrie of Beaufort, N. C. was. Her husband writes: "My wife suffered with the headache for ten (10) years and nothing did her any good. "I have spent three hundred dollars for doctors' bills but one bottle of Cardui has done her more good than everything else she took. "If she were to be back where she was six months ago, and I could not get a bottle of Cardui except by paying \$500 for it, I would pay it. "My wife has now taken two bottles of Cardui and it has already done her two thousand dollars worth of good. Cardui is the only medicine I can trust. I don't think I can praise it half as much as it is worth." If you want confirmation, write Mr. Guthrie yourself. He will tell you that these are facts. Lady! If you are weak, or sick, do not delay. Try Cardui today. Some people read ads many times, before deciding to buy. Don't do that with Cardui. Drop in at the drug store today and get a bottle. Separate Skirts and Waists. Are separate skirts and waists or three-piece suits sufficiently in vogue for them to be worn without the jacket? S. H.
