A DOCTOR'S SLEEP Found He Had to Leave Off Coffee.

Many persons do not realize that a bad stomach will cause insomnia.

Coffee drinking, being such an ancient and respectable form of dissipation, few realize that the drug—caffeine—contained in the coffee and tea, is one of the principal causes of dyspepsia and nervous troubles.

Without their usual portion of coffee or tea, the coffee takers are nervous, irritable and fretful. That's the way with a whiskey drinker. He has got to have his dram "to settle his nerves"—habit.

To leave off coffee is an easy matter if you want to try it, because Postum—well boiled according to directions—gives a gentle but natural support to the nerves and does not contain any drug—nothing but food.

Physicians know this to be true, as one from Ga. writes: "I have cured myself of a long-standing case of nervous dyspepsia by leaving off coffee and using Postum, says the doctor."

Also enjoy refreshing sleep, to which I had been an utter stranger for 20 years. In treating Dyspepsia in its various types, I find little trouble when I can induce patients to quit coffee and adopt Postum. The Dr. is right and "there's a reason." Read the little book, "The Road to Wellville," in pkgs.

Tired Women

When the daily, endless cares of your household duties begin to seem drudgery to you, don't become cross and irritable. When you're tired and worn out, when the pleasure is gone from caring for your family, it's not your mind that rebels but your overwrought physical organization. You need a tonic to rebuild your strength and restore your health. Try Cardui, the woman's tonic which, during more than half a century, has been found to relieve the weakness and ailments from which only women suffer.

TAKE CARDUI

The Woman's Tonic

Mrs. J. L. Sanders, Tennessee City, Tenn., tried Cardui and, regarding her experience, she writes: "I have used Cardui for several years and have always found it to be a good medicine. Last fall I was all run down, hardly able to drag around. I took three bottles of Cardui and began to improve as soon as I began taking it. I recommend Cardui to other suffering women."

Cardui is for sale at all reliable drug stores. Try it. 'Twill do you good.

Cheese Saviour. What is cheese saviour, and at what time in a course dinner should it be served? G. C. A. Cheese saviour, or cheese fondue, is a toasted cheese served in little silver shells, sometimes as early in the dinner as just after the oysters, but more generally after the sweets.

Period of Retirement. What is the proper period of retirement from places of public amusement and social entertainments for a person who is wearing mourning?

For one year no formal visiting is undertaken.

Romney Loops. Will "Romney Loops" be worn on hats this winter? E. M. S. "Romney Loops" of soft mousalino or malines tulle are favored with regard to the new, large cavalier and Rembrandt shapes. They are considered to impart a note of picturesque, quaint grace.

WOUND IN LEG GIVES HIM AWAY

Prince George Negro Suspected of Robbing Show Window of Petersburg Firm.

The Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., October 25.—Albert Ruffin, colored, will be arrested by the police to-night, on suspicion of being the man who on October 18, broke the plate-glass window of Loewenstein and Brothers, on the corner of Sycamore and Franklin Streets, and stole a pair of pants and two coats.

The evidence against Ruffin is purely circumstantial, suspicion being aroused by the fact that he is being treated for a bullet wound in his leg. Officer Avern, who chased the thief on the night of the robbery, fired at him six times, and has always contended that one of the shots took effect. Last week a physician of Petersburg was called to Prince George county to see a negro who had injured his leg. Examination proved the injury to be a pistol ball wound on the right leg, just above the knee, and that the wound had been inflicted from behind. Ruffin had an improbable story of how he was wounded. While weeks ago, he failed to explain his delay in getting medical assistance. His silence will in all probability cost him his leg.

Ruffin will be brought to the hospital here to-night and will be confronted with witnesses of the robbery. Ruffin is a bad character, having served a term in the penitentiary.

Paralytic Fatally Wounded. William Davis, colored, an inmate of the Almshouse, was fatally injured on Saturday night at the corner of Hall-fax and Byrne Streets. The shaft of the buggy struck him full in the chest, breaking his chest bone and injuring him internally. His death is momentarily expected. The police are investigating the case, and arrests are likely to follow.

Motor-Car Markings. What is the smartest idea for monogram markings on motor-cars? R. G. R. Monograms should be painted to match the body color of the car. If your car is painted in very dark blue, for instance, the monogram may be in medium blue combined with a very pale shade.
