# REID IS ELECTED BASEBALL COACH

### Manager of Team Will Also Direct Training of Players.

[Special to The Times-Dispatch.] Charlottesville, Va., March 3.—The advisory board of the General Athletic Association of the University of Virginia has elected Rufus T. Reid, of Davidson, N. C., head coach of the varsity baseball team. Mr. Reid is also manager of the team for the coming season. Last year he acted as coach for the varsity team, and the nine developed was one of the very best in the history of baseball at the university. He is a hard worker and keeps the men on the jump all the time. He is perhaps the first man in the history of the game at Virginia to hold the positions of coach and manager.

# Steinway and Hardman Pianos

### Are Truly Mines of Music

When you buy one, you get a Piano that will prove a source of delight to you as long as you live.

Great melodic treasures are stored in these Pianos. They are mines of music. Patient, loving care in the making has filled them with music of the superlative degree.

Long after the average house will have been torn down or have reached the shabby stage the Steinway and Hardman Pianos will still have their matchless perfection of tone.

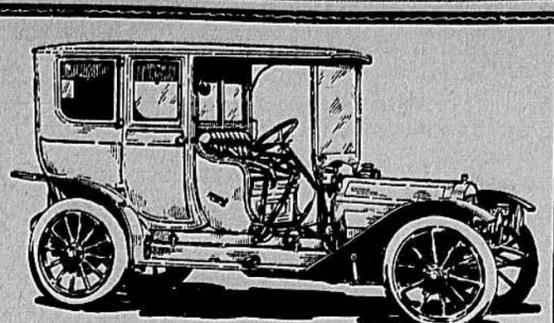

When you invest in a Steinway or Hardman Upright or Grand Piano you make an investment that does not fluctuate or depreciate with the years, but pays you the biggest dividends of musical enjoyment, while your money remains safe.

—We sell several other famous makes of Pianos. Write us for free catalogue giving much valuable information.

# UNIVERSITY CLAIMS STATE CHAMPIONSHIP

### Virginia Quint Made Fine Record, Winning Ten Out of Fourteen Games—Small Chance of Sport Being Abolished.

[Special to The Times-Dispatch.] Charlottesville, Va., March 3.—College Topics, the official organ of the General Athletic Association of the University of Virginia, comes out in to-day's issue and claims the State championship in basketball for the Virginia quint. It says:

"Tuesday's victory over V. M. L. brought to an end what was probably the most successful season ever had by a Virginia basketball team. Out of the fourteen games this year, the Virginia quint won ten. Three of these games were lost on the disastrous trip to Lexington and Washington, and the other was dropped during the Christmas holidays, because the gymnasium was way too small for a team unaccustomed to it. Not a single game was lost in the Fayerweather gymnasium. In every game except the one with Georgetown, Virginia beat its opponents in a hundred ways over her opponents. Every home contest with this exception was a slaughter of the visitors, while on the road the Navy quint was the only team to run away with Captain May's band. This tends to prove that on a neutral floor the Virginia team could lick any bunch it has gone up against, with the possible exception of the Navy. The team was going at anything but its natural gait when it played the Admirals, and if the sailors were to be played now, there would be no walkover.

"This is the first year in the history of basketball at Virginia that the sport has not been a severe financial drain on the G. A. A., and while the Georgetown game Saturday night was the only one that showed a preponderance of gate receipts over expenditures, only small amounts were lost at other times. With the prospects of putting the game on a paying basis next year, it is certain that the manager will play ninety-three games.

### Eastern Carolina League Adopts Schedule and Fixes Salary Limit.

[Special to The Times-Dispatch.] Raleigh, N. C., March 3.—The Eastern Carolina Baseball League adopted a ninety-three-game schedule to-night, extending from May 23 to September 5. The salary limit was fixed at \$1,250. The opening game will be Raleigh at Fayetteville, Wilmington. The president is Joel Whitaker and T. T. Gowan, of Raleigh, was elected secretary.

# SEXTON WILL PLAY WITH LYNCHBURG

### Wilmington's Star Pitcher Last Year Again With Manager Smith.

[Special to The Times-Dispatch.] Lynchburg, Va., March 3.—John Sexton, who is to join the local pitching staff on June 1, is attending A. and M. College at Raleigh. He has been given his graduating year. Sexton has been in the box for Wilmington in the Eastern Carolina League. Sexton is a great admirer of Manager Dick Smith, and he assures the manager that the count on a bit of hard work from him. Sexton signed with the understanding that he was not to report for work until the close of his school. He promises to come in good shape, and will then get right into the fray.

# MARTIN'S ABSENCE TOUGH ON VIRGINIA

### Track Squad Severely Handicapped by Illness of Runner.

[Special to The Times-Dispatch.] Charlottesville, Va., March 3.—Coach Lannigan is hard at work now rounding up the Virginia track squad for the Georgetown meet. He is very anxious to land the point trophy, but will be sorely handicapped by the absence of "Star" Martin, who has been ill of pneumonia for the past week. Martin's friends were glad to learn to-day that there was a decided chance for the better in his condition, and unless something unforeseen occurs, he should soon be out again.

No announcement has been made yet as to the personnel of the relay team which will run the four of Georgetown. Lannigan is anxious to run some of the regular relay men in other events. The team will be chosen from the following: Todd, Gooch, Douglas, Wiltshire, Stanton and Caldwell.

Virginia's distance men will be out in force Saturday night. Wiltshire and Douglas are entered in the 880-yard and mile run, and Sloan in the 600 yard race. The following members of the Virginia squad will leave on the 7 o'clock Southern train Saturday morning for Washington: Todd, Holliday, Gooch, Douglas, Wiltshire, Stanton, Davis, Williams, Forsythe, Sloan and Caldwell.

# REFER REQUEST TO CONFERENCE

### Skilled Workmen Employed by R., F. & P. Not Contemplating a Strike.

A delegation consisting of representatives of skilled workmen employed in all branches by the Richmond, Fredericksburg and Potomac Railroad, called on General Superintendent Charles W. Culp yesterday and presented a paper in which they asked for more satisfactory working hours and an increase in wages. Mr. Culp referred the committee to Superintendent of Shops and Machinery Kapp, who was yesterday in Washington. He will return to-day and will at once have a conference with the men.

W. D. Duke, assistant to the president, said yesterday that there was no trouble and no danger whatever of a strike, as had been reported. He said that as soon as Mr. Kapp returned he would at once go into conference with the men and would no doubt arrange a satisfactory adjustment.

Superintendent Culp said that there was nothing unusual in the action of the men, and no reason to believe that the union contemplated a walk out. It is understood that this is the slack season, and that the railroad, rather than lay off any of the men in this department, is following its usual custom and will soon place them all on short time. Heretofore, it is said, this has been satisfactory. The wage scale is not changed.

A. H. Moncure, who has charge of the shops in the absence of Mr. Kapp, stated yesterday afternoon that there was no trouble among his men, and that he anticipated none. No action has been taken in the matter by the Central Trades and Labor Council.

### Destroyed the Emblem.

Joseph Kallach, colored, was complainant in the Police Court yesterday against J. H. Baxter, who, Kallach alleges, took his scarf and ground it under his heel. The pin was an emblem of the Elks, of which order Baxter is a member. Judge Crutchfield dismissed the case.

# TRYING TO LOCATE OWNERS OF DOCK

### Chesapeake and Ohio Declares That Property Does Not Belong to It.

### TO QUESTION BONDHOLDERS

### Bemiss, Addison and Others, Said to Represent Syndicate, Haled to Police Court.

Who owns the dock? For three days the Police Court has wrestled with the problem without success. Another effort will be made this morning.

For several years there has been a more or less vague movement before the City Council to issue bonds and purchase the dock stretching from Eighteenth to Twenty-third Streets, with stone locks at the lower end. The Council, however, has never taken kindly to the project, and has now purchased a strip of land fronting on the river at the mouth of Gillie's Creek, and proposes this year to erect public wharves for vessels of larger character than can enter the dock.

### Regarded as Man Trap.

For years the dock has been regarded as a man trap. Every year strangers stumble into the water and are drowned, another body having been taken out only yesterday. Coroner Taylor has again and again complained. Some weeks ago Councilman Lynch inquired as to the authority of the city to require the dock to be properly guarded or fenced in, and the City Attorney's office, after making a search, found an ordinance on record requiring that every thing passed long ago. A resolution was therefore adopted by the Council instructing the Police Department to enforce the law.

Then the police got busy, after letting the dock go by for twenty years. About the time the Chesapeake and Ohio viaduct was built the property was owned by that railroad, and President George W. Stevens was summoned to Police Court to show cause why he should not be fined for not fencing in the dock. Mr. Stevens testified by counsel that his company sold the dock in 1901. So the police made another try.

### Committee of Bondholders.

Yesterday George A. Pearce, statutory agent in Virginia for the Georgia Industrial Corporation, was before the Police Justice. But Mr. Pearce says his company doesn't own the dock.

Major Werner appeared in despair today at the Police Court were issued for the appearance this morning of E. L. Bemiss, E. B. Addison, Horatio L. Lloyd, John J. Waterbury and Howard B. French, said to be a committee representing the bondholders who own the property. They deny ownership of it, and yet look as if any one might claim ownership who will fence the property in.
