NEGRO HELD FOR STEALING PEANUTS

Evidences of Systematic Robberies Discovered in Petersburg. NEW GRAND JURY IMPANELED Another Candidate for State Senate—Other Petersburg News.

The Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., January 25. The police to-day arrested a negro named J. L. Miller, said to be an exhorter and preacher, on the charge of systematically stealing peanuts from the Columbian Peanut Factory, at whose factory in Pocahontas he had been employed for some time. Several weeks ago Chief of Police Rasland was notified by a merchant that he had purchased at times some shelled Spanish peanuts, about which, afterwards, he suspected that something might be wrong, and it was arranged that the matter should be looked into and a watch kept for the man who sold the nuts. On Monday the merchant notified the chief that the peanut seller had promised to deliver some more nuts yesterday. He failed to show up, however, but did appear with the nuts this morning, and the chief, being notified, was near by to watch. Ten bags of shelled peanuts, weighing 1,200 or more pounds, were delivered from a wagon, engaged to haul them, and the driver was paid for his service by J. L. Miller. There were two negroes in the wagon, who said they had been employed to haul the nuts from Miller's home, where they were brought late last night. Miller was later arrested for the larceny of the nuts, and in connection with the larceny Everett H. Boisseau, a merchant doing business on Commerce Street, through whom it is alleged Miller's transactions were conducted, was also arrested, charged with receiving stolen property. The cases will be called in the Police Court to-morrow. Boisseau denies that he knew the nuts received from Miller were stolen. He has at present no record on the sales of the nuts, but he said he had \$22, \$65, and to-day for the ten bags \$44.84. On the arrest of Miller, Manager Rogers, of the Columbia Peanut Factory, was called to the station house and was informed that he had lost any more nuts, but he had not lost over his stock of shelled nuts last evening, finding on hand 258 bags. The stock was counted over again this morning, when only 248 bags were found, showing a shortage of 100. It appears that a systematic robbery has been going on at the factory for some weeks. Miller is said to do most of his preaching in Richmond.

New Grand Jury Impaneled. The grand jury of the Hastings County, which was adjourned over on Friday, reconvened this morning, as is understood, to make investigation of the affairs of the old Appomattox Trust Company. The jury, however, was discharged and a new special jury immediately impaneled, eight of the former jurors being retained on the new jury. A large number of witnesses have been summoned before the jury, among them being many prominent business men. Only a few witnesses were examined to-day, and it is expected the investigation will continue a day or two longer.

More Candidates Announced. Patrick Henry Drewry, of the law firm of Lassiter & Drewry, to-day announced himself as a candidate for State Senate from this district. There are now three candidates for the Senate in the field—all good men and true, either one of whom would do the district credit. They are: John Y. Zimmermann and P. H. Drewry, of Petersburg.

For the House of Delegates from Petersburg, Robert Gilliam, Jr., a prominent young attorney, and captain of the Petersburg Grays, has announced his candidacy. It is expected that Robert G. Bass, another popular young attorney, will also be a candidate. Two Deaths. Mrs. Minnie W. Gwynne, wife of Virgil L. Grigg, died this morning at her home on Pearl Street, after a long illness. She was the daughter of Mr. and Mrs. J. E. Watkins, of Dinwiddie county, near Ford's. She is survived by her parents, husband and three children and two brothers, residing in this city.

Mrs. Alice E. Williams died yesterday afternoon at her home on St. Andrew Street. She is survived by one daughter, Miss Mamie, and two sons, Harry and Eugene Williams, all of this city. Personal and Otherwise. At a special meeting of the Common Council yesterday afternoon, a resolution was adopted authorizing the Mayor to make a satisfactory contract with the Atlantic Coast Line Railroad Company in the matter of laying a water main across the company's right of way. The company is to be granted freedom from damages in case of accident. The Board of Aldermen will concur in the action of the Council. At the annual meeting of the Petersburg Investment Corporation yesterday afternoon the following officers were elected: President, M. C. Jackson; Vice-President, H. S. Seward; Directors, M. C. Jackson, H. S. Seward, W. L. Zimmer, W. A. Totty, H. P. Harrison, R. H. Mann and Bartlett Roper. Under decree of court, Bartlett Roper, Jr., of this city, and J. A. C. Grover, of Norfolk received title to the steamer Aurora and other assets of the Phillips Line, at auction on January 31.

The subscribers to the proposed new steamboat line will take no definite action until it is seen what private enterprise, now in contemplation, will do in the matter of putting a steamer on the line between Richmond and Petersburg. Dr. Callach, of Richmond, conducted the funeral services to-day of the late Jacob Cohen, which took place from the residence on Adams Street, and which was largely attended. Henry P. Moody, a Confederate veteran and well known citizen of Prince George, died this morning at his home in that county. He is survived by his wife, two daughters and three sons. Nathan Schenkel, an employe of the Life Insurance Company of Virginia, died last night at his home on Halifax Street. He was a native of Germany, and had lived in Petersburg for ten years. Sales of tobacco warehouses to-day aggregated \$15,000. For fine wrappers, \$35 was paid.

convention, and then deferred final vote until the night of February 1. North Carolina bankers have induced the Joint Finance Committee of the General Assembly to hold a meeting Thursday night to give them a special hearing on proposed legislation affecting banking interests.

The Senate and House Committees on Counties, Cities and Towns are up to their necks in a consideration of propositions to establish new counties, and the entire time of Tuesday afternoon and evening was devoted to hearing the presentation of claims for and against creating Hoke county out of Robeson and Cumberland, and creating North Robeson out of Robeson, and creating Rowland out of the southern portion of Robeson. Hoke county's claims were presented by Mr. Hayes, of Pittsboro, and Senator McLaughlin, of Cumberland. A. A. F. Seawell spoke for North Robeson, and Professor Tracey, of Rowland, for the establishment of Rowland county. Representative Rose, of Cumberland, led the opposition to Hoke county, and Cumberland citizens who spoke against the project were A. K. McKelthan, A. L. Gilliland, Q. K. Nimocks, R. H. Dye, Representative McCall and J. H. Curry. Citizens of Robeson who spoke against all three new county propositions were Hon. G. B. Patterson, D. D. McCloud, N. A. McLean, D. L. McBryde, R. L. Lawrence and others. Mr. Lawrence making the point that no one in Robeson lives over seven miles from a railroad.

Each side seemed determined to make a desperate fight, the striking declarations of the different speakers being heartily applauded by the bands of "rooters" gathered in the hall. The question of establishing Avery county out of Caldwell and Mitchell is still hanging fire, and the joint committees will not report for a few days.

Cost of Insurance. State Commissioner of Insurance James P. Young has made some calculations as to the comparative cost of fire insurance in North Carolina and neighboring States, as bearing on the contention being made through the Koonce bill for an investigation of the conduct of insurance companies in North Carolina. He says that during 1909 stock companies \$24,157,538 of insurance, at an average rate of \$1.19, and that if the citizens of this State had paid on this insurance the average rates of the several States with which the comparison is made, they would have paid the following amounts more than they did: In Georgia, \$367,736.42; Kentucky, \$367,736; West Virginia, \$430,315; Texas, \$612,893; Virginia, \$687,409; Tennessee, \$686,441; Louisiana, \$1,155,146; Arkansas, \$1,103,205; Alabama, \$1,178,765; Mississippi, \$1,569,008; Florida, \$1,867,071. From these figures Commissioner Young figures that citizens of North Carolina have for the year 1909 saved \$80,338, compared with what they would have paid had they been in either of the eleven States with which the comparison is made.

The Raleigh police officer, E. H. Barker, has returned from Martinsville, Va., where he went to bring back Emma Greene, known as "Dr. Mack," charged with having kidnapped the little Velase child here last November. The child and its father returned with the officer, the father having traced the woman to Martinsville with his child. The woman is in Wake jail, awaiting the preliminary hearing.

The Governor's mansion presented a scene of splendor and brilliance this evening, the occasion being the formal reception of the Governor and his wife in honor of the members of the General Assembly and State officers. Governor and Mrs. Kitchin had made elaborate arrangements for this event, which was to be one of the most elegant social functions ever given in the city. Besides Governor and Mrs. Kitchin, those in the receiving circle were the various State officers and their wives, President Newland, of the Senate, and his wife, and Speaker Dowd, of the House, and Mrs. Dowd. During the evening the mansion was thronged with handsomely gowned women and men in evening dress, the guests including many of the most prominent society people from all parts of the State.
