

TAX ASSOCIATION WILL MEET HERE

Distinguished Body Will Hold Annual Session in Richmond in September.

USE MOVING PICTURES

May Be Feature of School Work in Future—Seek Information About South.

It was announced yesterday by Governor Mann that the International Tax Commission will meet in Richmond on September 5 to 8, of this year.

Discussions were had regarding all modern forms of taxation. Experts in different lines read papers on various phases of the general topic.

The Governor yesterday sent out letters to executives of the States, asking that representatives be sent to Richmond at this time.

The financial situation has hindered an earlier settlement of the matter of bringing this convention to Richmond.

USE MOTION PICTURES

Superintendent Eggleston Believes They Will Help in Schools.

The use of moving pictures in the public schools as a mode of instruction is a development of the near future.

ABOUT THE SOUTH

Governor Sends Information to Western Home-Seekers.

Glancing over the last number of the Manufacturers' Record, Governor Mann's eye was arrested by a mention of information regarding the progress of the South.

If there is anybody who is long on information about the South's progress, it is Governor Mann.

The Governor believes that there are many more such people in the West who would be glad to avail themselves of the kinder climate.

Prospects for Bond Issue. State Highway Commission, F. St. Julien Wilson thinks that some of the district in Mecklenburg county which are about to vote on good road bonds, will favor the proposition.

Wedding Announcements. (Special to The Times-Dispatch.) Heathsville, Va. June 12. Miss Mary Thrift, of Village, this county, and Richard Garner, of Washington, D. C., were married Wednesday at 5 o'clock P. M. at Bethany Baptist Church by Rev. E. L. Hardcastle.

S.S.S. CURES OLD SORES

Every person afflicted with an old sore realizes, sooner or later, that the ulcer exists because of bad blood; the character and condition of the place depending on the nature of the blood infection.

Money Spent For PANACEA

Mineral Spring Water is An Investment

Incomparably more judicious than in Government bonds. The one brings Health and Happiness—the other may bring neither.

PANACEA SPRING CO., Littleton, N. C.

D. Louthan.

Bachelor of Science—John Elwood King.

Bachelor of Laws—Richard Allen Ammons, Virginia Loud Arnold, Alexander Bruce Bellfield, Joseph Addison Ellingsley, Jesse Louis Broudy, Walling Bowie, Oswald Lee Cole, Raymond Willis Gill, Herbert Bragg Gilliam, John Kendrick Hutton, John Littlepage Ingram, Allen Carter Jones, Jr., Arthur R. Kershaw, Irving May, Josiah Carl Peck Samuel William Shelton and James Rosenbaum Shopherd.

Funeral of O. C. Harman. [Special to The Times-Dispatch.] Staunton, Va., June 12.—The body of Oliver C. Harman, who died at Eriton, Va., was brought here yesterday to-day. He was a son of the late Colonel A. W. Harman. He leaves a wife and two children.

COLLEGE ORATORS ROAST GRADUATES

But Fair Co-Eds Are Spared, Getting Oceans of Praise at Finals.

ONE DIPLOMA GOES TO CHINA

Fifteen Years Late, but Dr. Louthan Is Rewarded Class Honors.

Orators and historians of the Richmond College graduating classes bade official farewell to college days in the auditorium last night, when each man stood before the large audience and heard his estimate read in none too complimentary terms, and each woman—there were ten co-eds—listened to nothing but praise.

Clad in cap and gown, the graduates formed in double line at the entrance of Science Hall and marched to the rostrum, where they were seated. President A. O. Lynch delivered the address of welcome.

None was spared, but all were exonerated on the ground that the barriers had fallen and diplomas would be documentary evidence that all requirements had been complied with.

To Get Diploma in China. Most interesting of all those who will receive their diplomas to-morrow is one man older than any of the rest, and who had not been matriculate of the college for fifteen years, and who will not be present when his name is called.

Dr. Louthan, when a member of the college, failed to pass an examination in one of the departments. He then entered the Southern Baptist Seminary at Louisville, where he graduated with the degree of M. A. and held a pastorate for several years.

New Process Gas Ranges At Jones Bros. & Co., Inc., 1418-1420 E. Main St.

Livingston THE CASH SHOE AND TRUNK MAN WHO UNDERSELLS

The Use of This Milk is Like Cooking With Cream

Here is rich, whole milk—8 per cent butter fat—absolutely free from germs. It costs less than milkman's milk.

Here is a milk from high-bred Holstein cows, fed in America's best dairying districts.

It comes from normal dairies—inspected cows. Close to each dairy we have built an aseptic plant for evaporating.

The milk, fresh from the cows, is put into a vacuum. There we remove two-thirds of the water by evaporating at a low heat. That is done to save bulk.

Nothing is added—no sugar, no preservative. Nothing whatever is taken out save the water, which you can replace.

This milk is sterilized after being sealed. It comes to you utterly germless, and fresher than milkman's milk.

It Cost Us \$100,000

To perfect our process we brought famous experts from Switzerland and Holland. We have spent seven years and \$100,000 to perfect in America a milk equal to Swiss.

As a result, we have a milk that can't separate—a milk that is sterilized without being scorching—a milk 28 per cent solids, 8 per cent butter fat.

Van Camp Packing Co Indianapolis, Ind.

No country in the world produces a milk which is finer than Van Camp's.

Milk Dishes

In cooking, this milk gives a richness and flavor never obtained from raw milk. Milkman's milk separates, before and after you get it.

The butter fat rises and the solids fall. You never get a whole milk. When the milk gets to your cooking it is rarely more than a half-milk.

Van Camp's milk for cooking is almost like using cream. Here you get the whole milk. A single milk dish made with Van Camp's will show you how great is the difference.

Yet milkman's milk of the poorest grade costs more than Van Camp's. The main cost lies in the daily delivery. The use of Van Camp's saves that.

Utterly Germless

Milkman's milk is always germ-laden. A myriad germs lurk in every drop—even with the cleanest milk.

Van Camp's milk is absolutely sterile. No food or drink which you serve on your table is any more free from germs.

The milk comes to you as thick as thick cream—so thick that you add one part water for coffee. For cooking or drinking reduce to the richness you want.

If you reduce Van Camp's to the usual milk's richness the cost will figure about six cents per quart.

No Waiting—No Waste

You can buy, if you wish, a month's supply at a time. Then you have milk or cream for any purpose—all you want. You never run short—never run over. There is no milk to throw away.

We want you to know this milk. It is not like condensed milk—nor like the common evaporated milks.

The demand is so great from people who know it that we now milk 30,000 cows per day. A single can will make you one of these users.

The 15-oz. can—a full pint of Van Camp's—costs 10 cents. The 6-oz. can costs 5 cents. Evaporated and sealed at our dairies in six states. Order from your grocer.

Van Camp's Milk

Evaporated—Sterilized—Unsweetened

News of Petersburg

Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., June 12.

The monthly meeting of the Baptist Sunday School Association of Petersburg and Vicinity was held yesterday afternoon with the Matoaca School. The reports from the six schools showed the following organization for the month:

Table with columns: Schools, Ave. Attend., Per. First Church, 255, 261, 91; Second Church, 347, 310, 90; West End, 430, 403, 94; Ettrick, 169, 159, 80; Matoaca, 100, 86, 85; Grove Avenue, 72, 64, 90.

Death of Engineer Dolan. John Dolan, for years employed as an engineer on the Norfolk and Western Railway, and more recently on the Atlantic Coast Line, died very suddenly yesterday morning at his home, on Bollingbrook Street, of heart trouble.

Death of Nonagenarian. Mrs. Martha Ann Starke, probably the oldest native resident of the city, passed quietly away on Sunday at her home, on South Sycamore Street. She was born on November 11, 1818, and was consequently in her ninety-third year. She had lived all her years in Petersburg, and was much esteemed in the community. She is survived by one son, B. W. Starke, of this city.

Commencement Exercises. The commencement exercises of St. Joseph's Academy were held to-day in the Lyric Theatre, which was crowded to the doors by an audience which manifested deep interest. The program was an exceptionally attractive one, embracing among other features some fine selections of music rendered by the pupils. The graduation essay was read by James T. Powers, and the address was delivered by the Rev. T. O'Farrell, who also awarded the honors.

Diaviddle High School. The graduation exercises of the Diaviddle High School, at the county courthouse, were held on Friday, and the patrons and friends of the school were present in large force. Five graduates received diplomas, as follows: Miss Carrie Mason Galaska, Miss Mattie Lewis Clark, William Potter Steino, Branch Pegram Epes and Karl Butterworth. Mr. Steino received the medal for having obtained the highest grade.

Personal and Otherwise. James H. Bailey and W. W. Warren, representatives from Post C, left yesterday for Philadelphia to attend the convention of the National Travelers' Protective Association of America. Children's Day was observed in the First Baptist, Washington Street and Market Street Methodist churches on Sunday, with very interesting exercises. The hour of morning worship was given up to the services.

The Circle of King's Daughters in Petersburg is quietly and unostentatiously doing a noble work among the sick and poor. Food, clothing, medicines, etc., were furnished many families, and the Circle's trained nurse had twenty-six patients under care during the past month.

Bolling Moore, one of the oldest and most esteemed citizens of Petersburg, is quite ill at his home on Liberty Street.

The funeral of the late J. Beverly Harrison took place from Market Street Methodist Episcopal Church, the Rev. J. T. Boaman officiating.

The funeral of the late Major Harrison Walte took place yesterday from the family residence.

Meeting of Medical Association. The Southside Virginia Medical Association of this city, in the president, Jones, of this city, in the president, will meet in semi-annual session in A. P. Hill Camp Hall to-morrow afternoon, and will hold a second session at night. The association embraces nine counties, and its meetings are well attended. The program calls for the reading of a number of papers on interesting subjects by physicians of Richmond, Petersburg and of the counties.

Splendid Rain. A splendid and much-needed rain fell in this section this afternoon. For nearly an hour there was a continuous downpour. The collections amounted to \$132.31.

Concert in Monroe Park. The band concert scheduled for Riverdale Park to-night will be transferred to Monroe Park.
