It takes hustle to win out, girls and boys, and the contestants who are so far making good are out after subscriptions early and late, and will keep after them until the last hour of the last day. The bonus vote offer on this week is an exceptional opportunity, and every contestant should do all possible this week. Ten thousand extra votes with every \$25.00 worth of subscriptions is a big inducement. There is not a single one in all the list of workers that cannot secure at least one of the bonus offer coupons if he will go after them. It's up to you, boys and girls, to take advantage of this great opportunity to win a pony outfit or one of the other prizes that are to be given away by The Times-Dispatch. The contest closes on September 20. Less than two weeks yet to work. A mighty short time, and still long enough to secure the winning vote, if you make up your mind that you are going to WIN and go after it with a determined spirit. Watch for the next list of standings, to be published on Sunday. Make up your mind TO-DAY to be among the leaders, then, and once you gain the top of the list, KEEP THERE by systematic work every day until the close.
