The summer is past with its heat and dust, but the days spent at Richmond Hall of the Union Theological Seminary, Ginter Park, by the Young Women's Christian Association, were full of good cheer and pleasure. On May 25, the old centre of the Y. W. C. A., at 709 and 711 East Franklin Street, was vacated as the association keeps step with the march of Richmond's progress and is aiming at greater things. The boarding home was transferred to Ginter Park for the second time, and it has been thoroughly demonstrated that an outing centre is a good thing and that it has come to stay. The association hopes to have its own quarters for such an outing. The first registry showed twenty-four, but was quickly raised until the capacity was taxed to its limits by sixty. Mrs. E. M. Nelson and Miss Sara Haley, who had charge of the house, gave their best to the service and welfare of the girls. A religious committee held weekly Bible classes and Sunday afternoon vespers.

The athletics under the able leadership of Miss Irene Armes, went forward to July 1, when she left for her vacation. Miss Haley and Miss Gertrude Crenshaw being substituted to carry on the summer's work. Two lawn parties were held on the campus and the people of the neighborhood aided most generously in all matters. Fireworks on July 4 and several automobile rides being among the many things that were done for the girls' amusement and pleasure. The tennis courts proved a great attraction, with an attendance of some 300 during the season. Two tournaments were held. Nature walks, picnic suppers, with cooking done at a camp fire, and watermelon feasts also added to the summer's fun. Three very pleasant evenings were spent at Richmond Hall, when the girls themselves arranged the program.

At least 1,200 girls came in touch with the Y. W. C. A. during this summer. It is hoped that the outing centre will become a permanency. Owing to transition period in its work, the association has had to give up its boarding department, but the outing centre will be renewed for another summer season.

"The Water of Eternal Youth"

(From Home Queen.) The beauties of the Austrian court used a lotion which was so effectual in keeping the face smooth and free from wrinkles, even in the aged, that they named it the "water of eternal youth." Some one has recently divulged the secret of this wonderful, though exceedingly simple, wrinkle lotion, which in her gratitude she has similarly dubbed as a preserver of youth: One ounce of pure saxonite (powdered), dissolved in a half pint of witch hazel—that's all there is to it. Any woman can get these ingredients at her drugstore, put them together, and use the solution with entire safety. To bathe the face in the same brings immediate results, even in case of the deeper wrinkles and furrows. This is also effective for hanging cheeks and double chin.
