these prices had been estab-there was a slomp of fifty broughout the list by Satureas' December 28. This reaction chiefly to liquidation by some exporters' or spinners agents induced to follow the rise to over-cent basis with additional pur-of spot cotton or contracts, this reaction there was fresh selling, and it appears that a and Memphis traders

The Speculative Position.

After the market had been railied nearly twenty points from last Saturday's closing by the end of business on Tuesday of this week, a sudden squeeze was sprung on the shorts in Januars. That occurred upon the resumption of business Thursday morning after the That occurred upon the resumption of business Thursday morning after the business Thursday. The price of January was bought and bid up forty-one points that day to the highest record price for any month since the bull movement culminated on July 28.

The sharp rise in January to 18.15 on this bulge drove in most of the shorts in that month, but there still appears to the considerable short interest out.

bulge drove in most of the bulge drove in most of the hard month, but there still appears a considerable short interest outding. The scare this caused ing the shorts in the rest of the caused enough covering in those veries by local and Southern opens, to send the whole market up in a to send the large supplies they have already accumulated.

This would points, with January selling at compare with the revised estimate of March and May 12.87, July 12.88, 17.428,525 made by the Census Bureau to December 13, against 14.317,000 last mying, however, or further agree the bullish activity after those shad been established, and just from the beginning of which crop seate the close the market had a son this year's crop has been very slump of fifteen to eighteen similar.

New York, January 5.—The summing that preparations for the yearly setup of results for the year just ended to which last week was largely given up in the stock market, offered no more striking fact than the small net changes in the price level.

The average price of the most active stocks, in which the largest part of the year's dealing occurred, varied became so pronounced as to invite fresh requisitions on New York's resources from abroad, which was reflected in the rise in foreign exchange. The question is presented of the demands the year's dealing occurred, varied by the proposal stringency. The relaxation became so pronounced as to invite fresh requisitions on New York's resources from abroad, which was reflected in the rise in foreign exchange. The guestion is presented of the demands to be made on New York for help in meeting the obligations to follow the Balkan settlement. Huge government backened at the preparations for the yearly settlements had been ample to avert the expected stringency. all departments of manor, comindustry and agriculture have

Minister Recently Exonerated of Serious Charge Advised to Do So by Friends—Inspection of Military Companies.

[Special to The Times-Dispatch.] and is survived by her husband and Winchester, Va., January 5.—It was two small children.

Winchester, Va., January 5.—It was reported here that Rev. Walter J. Hubbard, one of the best known members of the Shansandoah Baptist Association, and until recently superintendent of the Davis Child Shelter at Charleston, W. Va., who is now at his home at Broadway, Rockingham County, is awaiting definite information from Charleston as to whether the prosecuting attorney intends to lay before the gramh jury the charges of which the minister was recently dismissed in the magistrate's court at Charleston, the magistrate's court at Charleston—that of attacking a twelve-year-old girl, an immate of the home, which was founded by former United States Senator Henry G. Davis, of West Virginia, In the event the attorney for the Commonwealth does not press the charge it is stated that Rev. Mr. Hubbard, yielding to the entreaties of nis intimate friends, will shortly file a suit for heavy damages against the matron of the school or the board of trustees, by whom he was summarily dismissed several weeks ago. *t the hearing, held by Justice Alkinson in Charleston, very little evidence was given against the minister, while on the other hand there was a vast deal of testimony in his behalf. The little girl whom he was alleged to have attacked, testified that she had been siven presents of candy and other gifts to induce her to relate a certain story on the witness stand, and that she had told one of the nurses that she did not intend to tell any more stories about Mr. Hubbard, Altorneys the section will be hald to the control of the Mrithday of General Robert F. Lee on January 20 in Win-festion will be hald.

warded the same to the State Chemist at Richmond, who, after making a chemical analysis of the cider, reported that it contained 7-1-2 per cent of alcohol, or 1-1-2 per cent more alcohol than the Byrd liquor law allows for "pure apple cider." A number of que the Alexandria company to take it back and refund their monay on the strough that they were told by one of the companys representatives that the cider was not adulterated or misbranded, and that the internal revenue department had authorized its sale deared they die not care whether Winchester ever had saloons again, so long as they could buy that kind of Mer.

Mrs. Clevenger, young wife of Archibaid Clevenger, of Frederick County, with its splendid agricultural possibilities, is to have the benefit of n county agent to do farmers' co-operative demonstration work. There is in Beaufort County and it is expected that when its farmers have eadopted proper methods of farming it will not be excelled in wealth by any county in the entire State.

balance of the crop tana is now appared to balance of the crop tana is now appared to balance of the crop tana is now appared to balance of the crop tana is now appared to turn out a total commercial movement of 14,200,000 bales, as indicated from the recent government estimate of 13,200,000 bales, as the nettad yield, without linera, there are about 1,800,000 bales, as the nettad yield, without linera, there are about 1,800,000 bales of the crop still in farmers' hands, as about 1,100,000 bales of the crop still in farmers' hands, as about 1,100,000 bales of the crop still in farmers' hands, as about 1,100,000 bales of the crop still in farmers' hands, as about 1,100,000 bales of the crop still in farmers' hands as about 1,100,000 bales of the crop still in farmers' hands as about 1,100,000 bales of the crop still in farmers' hands as a crop estimate has oversated the actual yield; also that the world's spinners' consumption will certainly be 15,000,000 bales. They are so sure of their position on these points that they for these who cannot see the market a position on these points that they do. The speculative long interest in this market alians is estimated at over 1,000,000 bales of confirmed at a least 1,000,000 bales of confirmed and the confirmed at a least 1,000,000 bales of confirmed and the confirmed at a least 1,000,000 bales of conf

banks and textile mills and for leaf tobacco.

On January 26, 27 and 28 the Virginia State Conference on Charities and Corroctions will be held here. The meetings will be held in the auditorium of the Young Men's Christian Association. The first day of the conference, which falls on Sunday, will be marked by special sermons, which will be preached by members of the conference in the city pulpits. There will be about forty or fifty delegates attending the conference, among them Dr. H. H. Hart, of the Russell Sage Foundation; W. H. Whittaker, superintendent of the District of Columbia Prison Reform Association; Dr. Douglas S. Freeman, president of the State Conference on Charities and Corrections, and Dr. Webber, of Philadelphia, who is a student of Housing Conditions and Family life.

Quite a number of people here are availing themselves of the new parcels post system, which went into force on Wednesday. On Thursday the parcels post system, which went into force on the day. Many failed to purchase the specially issued stamps for the new departure, but used the usual letter stamps, with the result that quite a number of packages were held up.

To-morrow the civil turn of the Corporation Court convenes with Judge R. W. Peatross presiding. A docket of

forty-five cases is to be dis.
There are, however, but very is
of unusual interest. There is
for the recovery of \$1,200 for the recovery of \$1,200 damages against the city, instituted by the Dan ville Lumber Company, for alleged less incurred during the flood of March

The earthquake which was felt generally through the Carolinas last Wednesday, was also observed here to some sitzht degree. It was felt chiefly in the west end residential section. It was not felt by anybody in the city, and inquiries made over the telephone to business men were regarded lightly.
