

With the Amateurs

By Joseph A. West.

How the mighty fall! Battle Axe goes to third place by losing a double bill to the Collegians. Who would have thought it?

The batting of Ford for the Collegians has added considerable strength to the team.

"Bill" Radz and "Goose" Hulcher go to make up the component parts of a good infield; quick thinkers and handle ground balls well.

The Collegians' base running combination, including long drives "Billy" Sitterding, is the main thing that is keeping them in the Capital City League race. Watch 'em, boys.

"Midget" Orbaugh, who has been sick for the past week, is back in his old position at second base for the Grays. He is hitting well and playing a most consistent game.

Saracino's batting, fielding and throwing make him a valuable man for some minor league team. The Grays would be greatly crippled, however, by his absence.

Denny Wright's pitching for the Collegian team deserves much credit, for Denny is a hard worker and has a good head.

Although the Grays will miss Jake Poh when he signs up with the Richmond Colts, they are well pleased at his chance for promotion.

The amateur sandlots will be the scenes of much activity for a few Saturdays to come, owing to double-headers.

"Mac" Pitt, who played shortstop for Richmond Academy team last spring, is playing third base for the Simon Sytle team of the Commercial League. He is a fast fielder, accurate thrower and a quick thinker.

"Pat" Canepa, star pitcher for the Richmond Grays, in the Capital City League, is a hurler not to be despised; he has speed, control and a personality about him which makes his teammates strive their best to help "Pat" win.

Two men were injured in yesterday's game when Denny Wright was pitching for Collegians in the game with Battle Axe. He was struck on the right leg by a batted ball, which punctured a blood vessel. The other was Saunders, who played for Woodall & Quarles in the game with Tyler. While sitting on the bench he was struck by a foul ball and had to be carried from the field.

John Whitfield and Gus Ezekiel nearly came to blows over a ball yesterday. Ezekiel, who caught the last ball, maintained that it was his by right of the agreement that the last one catching a ball in this game was entitled to keep it. Whitfield persisted that the ball was the property of the Battle Axe team. Finally Ezekiel settled the dispute in a very gentlemanly manner by giving the ball to Dr. Parker.

The Grays get credit for a win yesterday because Jacobs & Levy forfeited, but who likes to win in this manner?

Ed. Fox, Home Brewing Co.'s center fielder, is certainly playing good ball, and he is hitting close to the .400 mark.

Barfoot, Home Brewing Co.'s star pitcher, is going some eight straight victories. He is the "strong man" of the Beer Slingers' team.

Next Saturday will practically decide the winner in the Old Dominion League, when the Kahns of Richmond meet the Julian W. Tyler's team. It is nothing more than a toss up to decide who has the best team. The Kahns have defeated Tyler's team twice this year. The last game was played at Broad Street Park and was one of the fastest games seen by the amateurs this season, the score being 2 to 1, and only five balls were hit to the outfield. A fast game is promised when these two teams meet at Byrd Park next Saturday. Lou Bowers will pitch for Kahns, while Sanderson, the "Emory Joe" of the amateurs, will toss 'em over for Tyler's.

At last there comes a Saturday when no games were postponed because of rain.

Kingan's team played the game yesterday with four of their regular players on the bench, owing to vacations. "Clev" Morris, manager of Kingan's, last year's champions of the Packers' League, was right in the race for the pennant again this season, but is losing out because of his team being crippled. Morris has decided to play the game off that was forfeited to Kingan July 19 on account of Atkins not putting a team on the field. The weather was very unlikely then, so

the game will be played off at an early date.

Walthall, pitcher for the American Clothing Company, struck out seventeen men Saturday in the game with Kingan. Well, I guess that's bad!

"Bill" Creamer, for American Clothing Co., who was injured in last Saturday's game, is back in the line-up again.

Kennedy, of the Woodworkers, in the Central League, is catching a good game and hitting close to the .400 clip.

Wharton was back in his old position Saturday for the Woodworkers and played a great game. Each of the Woodworkers' only slubman, pitched and won two games yesterday. He struck out twenty batters. How's that?

Chewing and Clepton are Lovestain's two best pitchers and both are expected to go to higher company next season.

Barton Heights-Ashland Split.
Barton Heights and Ashland split even in a double header at Barton Heights yesterday afternoon, Ashland taking the first in a ninth inning rally after two were out, scoring six runs in that frame on wild throws and errors.

This game, which was to go only seven innings, was anybody's game until the ninth; both Blanton and Lohmann pitched stellar ball, with the score standing 2 to 2 after the fourth. Barton Heights went after the second game with a vengeance, scoring enough runs in the third to clinch the game. Powell and Shelton opposed each other, and both pitched good ball, Shelton having one hit in the game.

Amos, with five hits, and Gordon with four hits, carried the batting honors for the Heights, while Blanton and Midyette starred for Ashland with the stick.

Collegians Win Double Header.
The Collegians defeated Dr. Parker's Battle Axes yesterday in two games. The score of the first was 15 to 4, while the second ended 8 to 4.

The Collegians simply out-played the Axes, and therefore won both games. Word got nine hits, but as the whole Collegian bunch featured, we will not flatter any one.

Second game: Axes, Whitfield and Hay; Collegians, Wright and Word.

Kahns Win, 9 to 6.
The Kahns of Richmond were very much disappointed yesterday afternoon when the team that was supposed to take the Horace S. Wright franchise failed to show up. This makes things very uncertain for Kahns, as the boys only have one day a week to play. I would like very much for some good sport to take this franchise and put a team on the field every Saturday. Any one desiring to take this up, will please phone Madison 7122, or communicate with Manager Clements, of the Kahns of Richmond team.

Tyler's Win Double-Header.
Tyler's defeated Woodall & Quarles at Byrd Park a double bill. The first game, French, the left-hander, did not allow but three scattered hits and struck out sixteen men. This is the first game that he has pitched this year. Sanderson pitched the last game of six innings, and had them at his mercy. The first man hit safe. After that he did not allow but two men to get on, and both of them walked. One scored on a bad throw to second. There was but one man left on base for Woodall & Quarles, which will show that he was invincible throughout the

game. He struck out fourteen men out of eighteen which was put out. The features were the hitting of Powell in both games and the home runs of Heikes and French.

The Cherry Smash, after a bad start, settled down and played good ball after the first inning, and defeated Burk & Co. by the one-sided score of 12 to 4. The features of the game was the batting of the whole Portner team, the brilliant one-hand catch of Koenig at short, and the fast fielding of H. Blackburn in left field. In a very uninteresting game the American Clothing Co. defeated Kingan & Co. by the score 17 to 2. The features of the game was the pitching of Walthall, the Americans iron man. Livesay also caught a good game. Walthall struck out seventeen of Kingan's men. The batting honors are due to L. Creamer, he getting four hits out of five times up, two of them being home runs and two doubles. Next Saturday the Portner and Americans clash for top place. Score:

It's Here—The Maxwell "25" \$750

On Tuesday last 50 cars of the Maxwell "25" Model were shipped to fifty important points in the U. S. We will receive one of these cars to-day. Come and see it.

OUR RESPECTS to our esteemed competitors who have been wasting so much sympathy on us while telling us this car would never appear. WE CORDIALLY INVITE them—one and all—as well as the public generally—to come and see this real automobile.

WE HAVE A SURPRISE in store for them. Instead of a "dinky tin car," such as they have been telling you this would be if it ever did happen, they'll find an automobile that classes with the best in the thousand-dollar group—but selling for 25 per cent less.

IT'S AN ENGINEERING TRIUMPH—you'll say so when you have examined it carefully. And so will they—under their breaths, however, for, of course, they can't afford to say so out loud. "CLEVER—WONDERFULLY CLEVER," exclaimed one of the foremost automobile engineers after he had examined the various features. And he is connected with a rival concern, too.

AND IT IS CLEVER—You will be lost in admiration of the way designer Benner has done some things. You will not find a really new nor a freakish feature in it. But you will stop and try to figure out just how he has arrived at some things—by a shorter and at the same time a vastly better route.

WE'D LIKE TO TELL YOU in detail about this great Maxwell achievement, because we are enthusiastic to the bursting point. But space forbids and we refrain. You will be the more delightfully surprised and pleased when you see with your own eyes and ride in it yourself.

IT WILL BE HERE—this first car—for only a day or two, then we are going to drive it around our territory to let the various other dealers and their friends see it. So you will have to hurry—come in to-day—if you want to see this car about which the entire automobile trade has been talking for several months past.

Demonstrator on hand at Hotel Richmond, Richmond, Va., Wednesday, August 6. All Virginia dealers are cordially invited to come in, inspect and ride in car.
