Rim-Cuts Ruin 1 Clincher Tire in 3 This is why hundreds of thousands of men use Goodyear No-Rim-Cut tires. The clincher tire—the hooked-base tire—will rim-cut. You must, with that type, turn your rim flanges inward. And those thin curved-in edges cut the tire when wholly or partly deflated. Statistics show that 31.8 per cent of all rimmed clincher tires are discarded for rim-cutting only. And these statistics were gathered by certified public accountants. We do this so the fabric won't be left wrinkled. So every part of the fabric assumes its full share of strain. All other tires are vulcanized on iron cores alone. The fierce compression often wrinkles the fabric and that wrinkled fabric escapes the strain. That causes thousands of blow-outs. This "On-Air Cure" adds to our cost \$1,500 daily. It is so costly that no other maker employs it. Tread Separation Loose treads have cost tire users millions of dollars. A breaker strip, in all well-made tires, comes at the base of the tread. It is near this strip that separation comes. This breaker strip in No-Rim-Cut tires has hundreds of holes in it, made by a special weave. The tread rubber is forced down through these holes, forming hundreds of large rubber rivets. Then the tire is vulcanized en masse. We paid \$50,000 for this patented way to prevent tread separation. Please consider these savings. Rim-cutting completely avoided. Blow-outs and loose treads saved. All done by methods which we alone employ. Yet these tires, because of our mammoth output, now cost you no extra price. Is it any wonder they outsell any other tire? Our dealers are everywhere.

Pittsburgh, September 13.—The giants captured the first game of the day's double-header with Pittsburgh, 4 to 2, but Hendrix shut them out in the second, the Pirates winning 8 to 0. Old Chris Mathewson held the Buccaners to seven hits, which were good for two runs, while the league leaders fell on O'Toole's shoots for eleven safeties, netting them four runs. Hendrix was in star form to-day and allowed the giants but four hits in the closing session. The Pirates pointed from the mound in the opening frame, and he was replaced by Doc Crandall. The latter retired Schupp's favor in the eighth. The score: FIRST GAME. Pittsburgh, 4 to 2; New York, 0 to 0.

Washington, D. C., September 13.—Nothing in the world but the breaks in the Chicago team, the Richmond thundering in the game with the White Sox here to-day. The Chicago club won the contest, 6 to 4, and Joe only went two and a third innings. In this short space of time, the Sox nicked him for five hits and four runs. Two of these hits were clean. The others were freaks, that's all. With one down in the second, and Bodie on first, Chappell hit Berger through the box and the ball hit Boehling's glove and bounced over to McBride, who caught the ball on the fly and held it, he had an easy double play, as Bodie was on second base and could not possibly have gotten back to first ahead of the ball. After this Schalk hit a slow roller through short, which McBride had to hustle to get, and he beat the rest to first. Berger fled to Moeller. Bodie scoring, and Moeller proceeded to allow Chappell to score when the Sox wild to third. In the next frame the Sox made two more off Boehling. Weaver singled and was sacrificed to second. Collins hit to right and scored. After this counting. Chase hit through the box, and Collins counted. Griff then sent Gallia, who scored. The next two men were easy outs.

PHILLIES WIN IN TENTH St. Louis, September 13.—The final game of the series between the Phillies and Cardinals was won by the Phillies in the tenth inning to-day by the score of 3 to 2. The Cardinals were leading 2 to 1 in the ninth, but the Phillies, who were on the mound for the Cardinals, twirled a cork ball. The Phillies scored a winning run in the tenth on Luden's double, Doolan's bunt, Miller's single and a wild pitch. The score: Philadelphia, 3 to 2; St. Louis, 2 to 1.

BRAVES AND REDS SPLIT Cincinnati, September 13.—The Boston Braves and the Reds broke even in to-day's double-header, the locals taking the first, an extra inning contest, 5 to 4, and losing the second 1 to 0. In the first, Ames outpitched Tyler, a southpaw, and Perdue was a pitchers' duel over Rowan. The latter allowed but two hits, but they netted the winning run. The first game was enlivened by a fast flight between Maranville, the Brave shortstop and Manager Tinker. In rounding second, Maranville bumped into Tinker and each said the other tried to knock him over. Tinker also said that Maranville tried to spike him. Blows followed, and even the players who tried to separate the fighters became involved, and a number of punches were exchanged. The scores: FIRST GAME. Cincinnati, 5 to 4; Boston, 1 to 0.

ASHLAND LOSES TO DOSWELL Doswell, Va., September 13.—In a fast, well-played game here to-day Doswell defeated Ashland by the score of 4 to 2. The features of the game were Vaughan-Lloyd's work at short and the pitching of Dixon for Doswell. Dixon struck out sixteen men, allowing only three scratch hits. Doswell made seven hits off Blanton's delivery. The batters for Ashland were Blanton and DeJarratte; for Doswell, Dixon and Halslip.

RED SOX TRIM BROWNS Boston, September 13.—The Red Sox won a very clean and hard fought game from the Cleveland Browns by the score of 3 to 2. This was the first game of the series, with just enough suppressed excitement in the ninth inning to warm up the crowd. Moseley was a triple wild, passing four Browns, but held them to five hits. The score: Boston, 3 to 2; Cleveland, 2 to 0.

VAUGHN IN GREAT SHAPE Chicago, September 13.—Big Jim Vaughn, the ex-Yankee, shut out the Dodgers here to-day, the Cubs winning 4 to 0. The big southpaw allowed the Dodgers but one hit and that was made by Allen, Vaughn's opponent on the mound. A combination of singles, a double steal and two errors netted the Cubs four runs. Aside from that frame the game was a shut-out.

The Tigers threatened to even up matters in the eighth, but could only get one man across. The score: New York, 4 to 3; Detroit, 3 to 0.
