## The Corley Company

The House That Made Richmond Musical.  
213 East Broad Street.

Henry College with Judge John A. Buchanan, of the State Supreme Court, and with State Accountant W. Frank Smyth. He has for many years held the office of commissioner of the revenue of the city of Danville, and has a wide reputation for the accuracy of his knowledge of the present revenue laws, and for the completeness of his reports.

Senator Edward Echols, who leads the list of Lieutenant-Governor Elyson's appointments, is chairman of the Senate Finance Committee, and is regarded as an expert in the matter of the State's finances. He is a former Lieutenant-Governor of Virginia, and a recognized leader in the activities of the State Senate.

Senator B. F. Buchanan, of Smyth County, was recently elected to the Senate to fill the unexpired term of the late Senator D. C. Cunningham. He is a lawyer by profession, a man of high standing and of large practice, and in the one term he has served has made a reputation as one of the few real orators in the General Assembly. Though gifted as a speaker, he was seldom heard save on important issues, and his opinions always carried weight.

Senator Arthur C. Harman, of Rich-

mond, is a former member of the City Council, of the House of Delegates and for two terms of the State-Senate from Richmond. He is a member of the Senate Finance Committee, and has an intimate acquaintance with the workings of the State departments and institutions and their financial needs. He is engaged in the real estate and insurance business.

**From House of Delegates.**  
Delegated D. H. Pitts, of Albemarle County, makes his home at Scottsville. He has served several terms in the House, and is known as a quiet, useful, hard-working member, serving on important committees and seldom taking up the time of the body on the floor. He served as one of the conferees on the recent appropriation bill, having held membership on both the Finance and Appropriations Committees.

John W. Chalkley, of Wise County, a lawyer by profession, and one of the ablest men on the floor of the House of Delegates, enjoys the distinction of being the only member from either House or Senate to be named on the Tax Commission, who was not a member of the Finance Committee at the recent session. Mr. Chalkley was prominently spoken of, as was Senator

Buchanan, as a possible Democratic candidate for Congress from the Ninth Congressional District, when the recent convention selected R. Tate Irvine as the standard bearer. Mr. Chalkley was patron of a number of the most important bills considered at the recent session.

Aubrey G. Weaver, of Front Royal, representative of Clarke and Warren Counties, was chairman of the House Finance Committee at the recent session. He is a lawyer and an active member of the House, presenting his views with force and decision. He took a leading part in the fight early in the session to segregate to the State the tax on money in bank or otherwise. Later in the session he came out clearly in opposition to the present antiquated financial policy of the State, which appropriates by statute all of the proceeds from certain forms of taxation directly to the use of certain boards and departments, regardless of the total amount derived, or of the needs of those and other departments.

**Richmond Has Two Members.**  
Delegated Hill Montague, of Richmond, has served several terms in the House of Delegates from this city. He is a lawyer by profession, and is widely known in church and lodge circles. Mr. Montague was patron of the general bank bill presented at the recent session, probably the most extensive piece of legislation considered. Messrs. Montague and Chalkley were among the patrons of the joint resolution proposing a constitutional amendment for woman suffrage, which failed of passage at the House. Mr. Montague was the patron of several bills presented by business men's organizations of the State, which secured final approval.

### Milton McLaurine

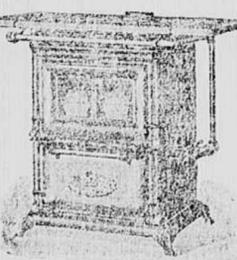

(Special to The Times-Dispatch.)  
Chester, Va., April 4.—Milton McLaurine, seventy-one years of age, and a life-long prominent citizen of Powhatan County, Va., died here last night at 8:30 o'clock. Suffering from disease, he spent his last days here with Dr. A. J. Hurt, a son-in-law, who gave him close and careful attention, and was a Confederate veteran, and fought through the Civil War, and was nineteen months a prisoner in Forts Mifflin and Point Lookout. He was a member of Company E, Fourth Virginia Cavalry, commanded by Captain Joseph Hobson, Wickham's Brigade, under General J. E. B. Stuart, and fought from Manassas to Appomattox, where he started as a citizen of General Rosser to join General Joseph E. Johnston in North Carolina, but was disbanded with others, at Lynchburg. He and four brothers were in the war—two were killed and two wounded, and he alone escaped unhurt. He was vice-president of the Powhatan Troop Association, and a member of Lee Camp at Richmond.

Mr. McLaurine was a prominent and popular citizen of Powhatan County, and leaves a host of friends, a widow, Mrs. Rosa McLaurine, four daughters, Mrs. A. J. Hurt, Mrs. F. M. Tyler, and Mrs. T. J. ### Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trustee did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter, and I have no operation, no last time no trouble. I am no longer in pain, but will give full information to all who will send me a complete care without obligation, if you write to me, Eugene M. Pullen, Carpenter, 405 MacCallister Avenue, Manassas, N. J. Better cut this notice and show it to any others who are ruptured, and may save a life or at least stop the misery of rupture and the worry and danger of an operation.—Advertisement.
