

Scrofula

Is a disease as old as antiquity, and as young as the newest born infant. It has infested the blood of humanity from ancient times down to the present minute.

It is hereditary or may be acquired. It appears in swollen glands, scrofulous sores, hip disease, boils, pimples, eruptions, and, as believed by high authorities, even in the forms of catarrh and rheumatism.

It can be cured by taking Hood's Sarsaparilla faithfully and persistently. We know this, because Hood's Sarsaparilla has done it.

It will cure you if you give it a trial. You should begin to take it today.

Hip Disease—I suffered from hip disease; had 5 running sores; used crutches and each winter I was confined to my bed for weeks at a time. Hood's Sarsaparilla has accomplished a perfect cure—saved my life. I have a good appetite and feel strong and well. ANNE ROBERT, 49 Fourth St., Fall River, Mass.

In Her Eyes—My little girl had scrofula and sores appeared in her eyes. A few bottles of Hood's Sarsaparilla entirely cured her and she has never had scrofula since. MRS. HOWARD POPE, Alpha, Oregon.

N. B. If you decide to take Hood's Sarsaparilla do not be induced to buy any other.

DOWN ON THE FARM

Tillers of the Toil Appreciate the Little Wonder-worker.

Near the little town of Woods Corners about six miles from Ionia, resides R. L. Pierson, a farmer. Mr. Pierson by occupation, and like all hard working tillers of the soil, has found the burdens the back must bear no light load to carry. Few people who never lived on the farm appreciate what it means to follow the plow from sunrise to sunset, but if the public in general don't know how hard such work is the kidneys do. Long hours of any kind means long hours for the kidneys and they can't stand it without rebelling. When the farmer comes home tired out at night, if he only realized that the tired feeling, mostly always came from tired kidneys and that the little wonder-worker, Doan's Kidney Pills would right the wrong brought on by overwork, life would be easier for him. Read what Mr. Pierson says about his experience: "I noticed when I stooped, lifted or changed my position suddenly, early in the fall of 1897, that I was always rewarded with sharp pains across the small of my back and in the morning I was so lame and sore that I could scarcely get out of bed. The too frequent action of the kidney secretions, especially annoying at night, plainly indicated that my kidneys were the cause of the trouble. I had often heard Doan's Kidney Pills spoken about by my neighbors, and as it was the first time I required such a preparation I procured a box. I noticed their beneficial effects in a day or two and I continued the treatment until my backache was cured and the other weakness was thoroughly relieved. I make no mistake when I say that Doan's Kidney Pills cure backache and kidney complaint."

Doan's Kidney Pills are sold by all dealers. Price 50 cents per box or six for \$2.50. Mailed by Foster Milburn Co., Buffalo, N. Y. Sole agents for the United States. Remember the name Doan's and take no substitute.
