Millet's famous picture, "The Man With the Hoe," which inspired Edwin Markham's even more famous poem of that name, is the feature of the fine arts exhibit at the Lewis and Clark Exposition. The picture is insured for \$100,000.

The circus drew a big crowd and everyone seemed satisfied. A number displaced their necks watching for the flying machine, but it didn't fly. The manager said it was too windy and the trouble seemed to be contagious with the manager, so neither of them flew. As a whole it was good and we will welcome Pawnee Bill next season if he will come.

The crop of June weddings is now harvested.

General Merchandise.

Ansbacher's Paris Green

is a perfect chemical compound, contains no "free" or "uncombined" Arsenous Acid and therefore will not "burn" your vines, causing them to "shrivel" up.

PARIS GREEN MAY BE "CHEMICALLY" PURE

but if it contains this "free Acid" it will injure the vines.

Ask for booklet when you buy Ansbacher's.
