 Dr. Blaisdell left Thursday for New York City where he will meet with representatives of the College Board of Education from which body he will attempt to secure a donation of one hundred and fifty thousand dollars to increase the present endowment of the college.
 The six strongest men around Alma failed to tear up a pair of trousers which Fred Slater, the enterprising clothier, gave them to try to rip in a tug-of-war. Three men pulled on each leg and though they put forth their best efforts, they could not even break a thread. By some mischance the pair which the pant company was to have sent for this tug-of-war failed to arrive in time so that Fred simply took a pair off the shelves rather than disappoint the crowd which had gathered. Apparently the guarantee which covers this feature of the garment is good, for the pair in stock stood the test well.

Good Clothes Are Most Expensive To Build— Most Economical To Buy

Our Society Brand models are among the conspicuous clothes values of the season.

Society Brand Clothes

You have tried Tailor-to-the-Trade houses, with poor success.

In every line of design, in every detail of finish, these clothes display the refinement and elegance that classify them as distinct among reputable makes of clothing.

It costs you nothing to step into Messinger's and put on a Society Brand Coat.

The comparison will be a revelation to you.

Hard Play Ruins Boys' Clothes

But to Save His Clothes You Would Not Care to Have Your Boy Stop Playing

Games sharpen a boy's wits; they make him bright and keen as a razor, and lay the foundation for successful, hardy manhood.

But it's hard on clothes, and for that reason you should buy the clothes that will wear the longest while maintaining good appearance. That is why

XTRAGOOD Clothes for Boys

Sell so regularly season after season to the same mothers. They have learned that the wearing period of an EXTRAGOOD suit is twice as long as the ordinary boy's clothing.

They have found that the designing and fabrics are the same or better than in Men's clothing. And they have found that the price is not more.
