

# OUT WITH THE OLD IN WITH THE NEW!

Surprising Announcement of Our Final Clearance Prices on All Coats and Suits, and the Complete Readiness of Our Department to Show You  
**A Wonderful Collection of New Fall Suits, Coats, and Millinery!**  
 By Constantly Coaxing Our Manufacturers We Have Succeeded in Securing a Big Percentage of Our New Fall Suits Now in Time to Meet the Demand That Always Commences in August

Expert style authorities tell us that this is to be the biggest suit season ever known. Why not enjoy the full measure of suit service by buying your new suit now. Surely the variety cannot be better. Styles are absolutely determined and authoritative for the next six months

## Fashion Decrees Natural Figure Lines For Fall

Fur trimmings are a real craze, Military effects are prominent, plaited skirts are the vogue. All these correct style features are to be found in our suits and coats. In our showing of these new Fall garments there are many special models for the tall and short, the stout and slender, the old and young, in short we have styles for YOU in such variety that it will be strange indeed if you cannot be suited. Now that these lovely garments are here we are more than anxious to show them to you and you may be assured that every inquiry will meet with our willing and liberal attention.

### PHILLIPS' NEW YORK PATTERN HATS

Every express is bringing us new creations from this great maker. Our hats are all exclusive models, no danger of similarity of trim, yet each hat bears distinctive evidence of the approaching season's style trend.

Everyone Is Cordially Invited to Attend This Advance Exhibit at Once
