The limit set by Commissioner Parker for the cutting and destroying of all noxious weeds was announced as July 5, but several property holders in the central part of the city have not as yet given heed to the warning. It should not be the duty of the commissioner to make further announcement as the state law gives him the power to deal with such offenders. Steps should be taken immediately. A few examples of stringent application of the noxious weed law would be sufficient.

Miss Ella Leonard is again on the sick list.

BACKING UP PROOF  
The Kind That Alma People Cannot Deny  
Many an earnest Alma man or woman has publicly endorsed Doan's Kidney Pills.  
Week after week, month after month you've read their statements. Would these Alma people recommend any medicine if it were not good?  
Would they confirm and repeat their statements as they have had passed?  
Local proof is good evidence. Testimony confirmed years after is better evidence.  
The following Alma man's statement leaves no room for doubt. It must convince every kidney sufferer who reads it.  
If your back aches—if your kidneys are weak, profit by Mr. Griffin's experience:  
E. Griffin, carpenter and contractor, 312 Woodworth avenue, Alma, says: "I have used Doan's Kidney Pills on several different occasions for kidney weakness and backache and they have regulated the action of my kidneys and removed the lameness and soreness in my loins."  
After a lapse of over three years, Mr. Griffin added: "I am glad to confirm my former endorsement of Doan's Kidney Pills. They are a most valuable medicine for kidney complaint."  
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Griffin has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

### What your Neighbors Say Of Tanlac is What Counts

"A friend of mine told me about Tanlac."

"Nervous Woman Unable to Sleep"

Grand Rapids Woman Explains How "Master Medicine" Has Been of Great Benefit

Finally Found Relief When She Began Using Great Tanlac

"A friend of mine first told me about Tanlac," said Mrs. Teigenhof, of 431 Cedar street, Grand Rapids, while talking to the demonstrator a few months ago.

"I was all sick and run down following a long siege of liver and stomach trouble and when Tanlac gave me such instant relief I was overjoyed," she went on to say.

"Hardly a day passed that I did not suffer from headaches, and bad ones too. I also had backache, and sometimes could hardly move about on account of the pain I was suffering.

"My stomach was very badly out of condition and I suffered to a great extent from gas on my stomach. I ate very carefully, choosing only such foods as I thought would agree with me, but even then I suffered just the same.

"I slept so badly that I would always wake up feeling tired and listless. I sometimes hardly had the energy to dress and the thought of doing my work would be almost too much.

"After I had heard Tanlac recommended a bottle and began using it, I improved almost from the first dose and have been getting better all along. My stomach is again ETAOINAOIN

trouble any more. I have a good appetite, sleep well and feel strong and well. I take pleasure in telling all my friends about Tanlac and many of them are trying the medicine with good results."

"I began taking Tanlac because I saw it advertised in the newspapers, and because it was so highly praised to me by friends who had taken it.

"Since using Tanlac I have been relieved from my severe headaches. I can sleep much better, and I am now able to eat heartily. I have taken three bottles and during that time I have increased in weight from eighty-nine to one hundred sixteen pounds.

"I now recommend Tanlac because of the great good it has done for me, and because I want others to know that it will do for them what it has done for me. I cannot speak too highly of Tanlac as a system builder."

Mrs. M. Histed, of Mungor, Mich., near Bay City, made the following statement while talking to the demonstrator in October last:

"Tanlac is a wonderful medicine. It has improved my condition wonderfully.

"I was generally run down in health before I started taking it, and suffered from nervousness, headaches, loss of appetite, loss of energy, indigestion and sour stomach.

"My general health was extremely bad. I could eat scarcely anything, and was so nervous that it was almost impossible for me to sleep. I had no ambition to do my work, and it was even an effort for me to dress when I would wake up.

"I began taking Tanlac because I saw it advertised in the newspapers, and because it was so highly praised to me by friends who had taken it.

"Since using Tanlac I have been relieved from my severe headaches. I can sleep much better, and I am now able to eat heartily. I have taken three bottles and during that time I have increased in weight from eighty-nine to one hundred sixteen pounds.

"I now recommend Tanlac because of the great good it has done for me, and because I want others to know that it will do for them what it has done for me. I cannot speak too highly of Tanlac as a system builder."

HERE is an old saying that "men make houses, but women make the homes."

That is a tribute to woman's natural good taste and judgment and regarding household matters.

Therefore, gentlemen, authorize a moderate expenditure for new Furniture, entrust its selection to your wife, and see what a home she will make of the house you live in.

What is home anyway without a good wife and up-to-date Furniture?
