DON'T NEGLECT CHILDREN'S KIDNEY WEAKNESS

Alma Parents Should Not Overlook the Little One's Kidney Ailments.

One of the most annoying ailments of childhood is weak kidneys and inability to control the kidney secretions. Not only is this a discouraging trouble, and one that every mother is anxious to get rid of, but it is in many cases a signal of danger, of trouble that will get worse constantly if not attended to. If your child is frail or fitful, doesn't run around or play like other children, complains of backache and of feeling tired—suspect kidney weakness. Doan's Kidney Pills are very effective for kidney weakness in children and are perfectly safe. Alma parents recommend them.

Mrs. A. Carmer, 614 River avenue, Alma, says: "One of my children suffered from weak kidneys. The passages of the kidney secretions couldn't be controlled and caused much annoyance. Doan's Kidney Pills, procured at Murphy's Drug Store, completely cured the child."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Carmer recommends. Foster-Milburn Co., Props., Buffalo, N. Y.
