

FLINT MAN SAYS, "I HAVE NEVER TAKEN ANYTHING THAT CAN EQUAL TANLAC"

"I am a man of 75 years," says Wm. H. Pitcher of 520 Wilson Street, Flint, while talking to Mr. Copp, the Tanlac man, the other day, "and for the past five years I have been almost an invalid. My back hurt me so badly I could hardly stand it. I thought it must be from my kidneys, and for the past two years the pain was so bad I was troubled with dizzy spells. I hardly dared to stoop over for fear I would fall.

I could hardly eat enough to keep me alive, and what I did eat would lie in the pit of my stomach like a hard lump forming, an accumulation of gas that was nauseating and distressing.

"I took Tanlac because I saw the great good it had done my wife. Since I have taken Tanlac the soreness has gone from my back and the dizzy spells are nearly gone. I can now eat without everything souring on my stomach and having that heavy weight in the pit of my stomach.

"I can sleep well and get up feeling fine, for the first time in a number of years, and I can truthfully say Tanlac is the best medicine I ever took in all my seventy-four years of life and I speak truthfully of the good it has done me. My wife has taken all kinds of medicine and I am surprised at the good she got from Tanlac, as it has helped her more than I ever expected."

TANLAC CAN BE OBTAINED HERE ONLY AT THE STORE OF LOOK-PATERSON DRUG CO.

Tanlac can also be obtained at the stores of T. A. GOODMAN at ITHACA, A. S. McINTYRE at ST. LOUIS, WM. KIPP at WHEELER.

WHEAT FLOUR 10.00 BBL. 23600 ENERGY UNITS

The United States Department of Agriculture, Bulletin No. 142, says white bread made from wheat flour is the most nourishing and cheapest food—above figures prove it.

Think of it! \$1.00's worth of wheat flour baked into bread provides enough nourishment to last a man in full vigor doing moderate muscular work, seven and one-half days.

This means that every dollar invested in

Lily White

"The Flour the Best Cooks Use"

goes almost twice as far, when baked into bread, as one dollar invested in any other variety of food.

Besides you save nearly one-half by baking your bread instead of buying it.

You will have better bread, too.

Every sack of Lily White Flour is all pure, wholesome, healthful and nutritious.

The next time you bake bread use Lily White Flour. Then spread a good, big slice of the fresh bread with good butter, and if you don't say Lily White bakes the best looking, best tasting, tenderest bread you ever ate we will treat.

Please remember every sack is guaranteed to give perfect satisfaction or money returned.
