PUT UP GREAT FIGHT

High Schoolers Fall Before Heavy Saginaw Team in Game.

The heavy Arthur Hill high school football team of Saginaw, which has been registering victories by scores of over half a hundred points, found a tough nut when it essayed to defeat Alma last Saturday, and had not the locals entered the game in a nervous condition the Hillites would never have won a 20 to 0 victory.

The glowing reports coming ahead of them had the high school team here worried and the size of the Hillite team when it trotted on the field worried them some more, and before the locals had scored twice, in five minutes. By this time the local discovered that Saginaw wasn't so much pumpkins after all, and a terrific battle was waged the rest of the game between the two teams.

Just as the second half started the Hillites made a spurt that sent them over for the third touchdown, but for the rest of the game Alma played them about even. Once Alma got close enough to the Arthur Hill goal to try a dropkick, but it went wild.

Aside from the first five minutes of the game the Alma lads covered themselves with glory, putting up the best fight that has been seen for many a day on Davis field. Hopkins and Campbell were the stars for the locals. Both men fought hard and tackled in great shape the entire game. Spaulding and Graham starred for Arthur Hill.

Lineup and summary: Arthur Hill Pos. Alma Barrett L. E. Richards Brooks L. T. Greenhoe Allerton L. G. Mahr Buekle R. G. Sartor F. Smith R. T. Boyd B. Graham R. E. Medler Schem L. H. Walker Stickey L. H. Hopkins Spaulding F. B. Campbell

ANNUAL BOYS' CONFERENCE

The 14th annual boys' conference will be held in Lansing, December 1, 2, and 3rd. The new Prudden auditorium will be used as the conference headquarters.

The purpose of this conference is to bring together the older boys from all parts of the state, representing church groups, high school classes, young people's societies, etc., to discuss their life problems and to hear inspirational addresses by speakers of national reputation, so that they will go back home and render a larger service in their respective fields and organizations.

The program this year is an exceptionally strong one and includes such speakers as Chas. D. Hurrey of New York, Branch Rickley, vice president of the St. Louis Americans, J. M. Artman, dean of boys' work in the Chicago training school, Bishop Henderson of Detroit, H. R. Pattengill of Lansing, and Dennis Upton, the well known Grand Rapids Central high school football coach. The music this year will be a rare treat. Several boys' bands will be present besides the M. A. C. Industrial school, and Reo bands.

Last year a dozen boys attended from Gratiot county and it is hoped to have fifty from Gratiot at Lansing this year. It is planned to have a special car for the Gratiot delegates, leaving Alma on the morning train, December 1st, and returning December 4th, if enough boys signify their intention of going.
