Yo: Ho: Freckle-Face

Now is the Time to Get Rid of These Ugly Spots

Do you know how easy it is to remove those ugly spots so that no one will call you freckle-face.

Simply get an ounce of carbol, extra strong, from your druggist, and a few applications should show you how easy it is to rid yourself of freckles and get a beautiful complexion. The sun and winds this month have a strong tendency to bring out freckles, and as a result more carbol is sold in these months. Be sure to ask for the extra strong, as this is sold under guarantee of money back if it fails to remove the freckles--Carbol Laboratories, Boston, Mass., Sta. M. Mail orders filled.
