An Economic Necessity Not a Luxury

Such is GAS, the greatest labor saver in the home. No heat till you need it, and none after you're through. It brings health and comfort, and goes a great way toward solving the servant problem. Not only does it save hard work and drudgery for mother, but it saves money for the old man. It is cheaper to burn than coal or wood, and saves you the drudgery. Ashes, smoke and dirt are taken care of in the plant from which this fuel is sent out to you. Every burden removed adds more time to your lease on life. Remove this one now. Come in, select your range, we'll connect, and easy payments will settle it for you.

To make room for our April shipment we are now selling all cabinets at a reduction.

WORMS HANDICAP YOUR CHILD
Worms drain the strength and vitality of children, making them dull and listless. Their power to resist more serious diseases is reduced and energy and interest in play is lacking. Kickapoo Worm Killer is a mildly laxative remedy in candy tablet form that children like to take. It kills and removes the worms and lets your child grow strong and healthy like other children. Don't let your child be drugged down by worms. Full directions on the box. At all druggists, 25c.—Adv. 2.

HOW TO REGULATE HIGH BLOOD PRESSURE

Take SAN-YAK. It prevents a lony-like hardening of the arteries at ages past 50 years. DR. BURNHAM'S SAN-YAK is the sure way to prevent paralysis and apoplexy. In its use you have prevented or cured kidney and bladder trouble. It is the greatest in use to prevent the clumsy, stiff joints and muscles and for neuritis and rheumatism and constipation. It has no parallel for the quality and results.

F. E. Gray, Alma, Michigan, the leading restaurant man, says: "I was sick from overwork and kidney trouble, had paralysis in my toes for several years, swelling of the feet and ankles. San-Yak has done wonders for me and for my wife also. I am willing to boost for a good cause."

L. B. Kehn, the tailor, of Alma, says: "I was badly afflicted with rheumatism seven years ago. I found relief from the use of San-Yak and kept it in the house to protect my health."

P. C. Johnson, Masonic Home, Alma, says: "I was nearly dead from bladder and kidney trouble and rheumatism. San-Yak gave me quick relief and I had no trouble for more than one year."

F. Garrison, leading grocerman of Hudson, Michigan, suffered more than ten years with throat and stomach trouble. He says SAN-YAK is the only medicine that just suits the case, and if people would try it they could boast from good results.

George Soper of Quincy, Michigan, says he has been an invalid since out of the hospital three years ago. "I could scarcely eat or walk. SAN-YAK has made a new man of me. I was broken out so I was not fit to be seen. SAN-YAK has cured the terrible sores in the flesh and I am free from rheumatism for the first time in years. I can do a nice day's work and not on the lag at the end of the day."

D. H. James, Homer, Michigan, says: "I was greatly troubled for several years with high blood pressure, short in breath, bad kidney and bladder trouble, dizzy and sick. San-Yak has done everything for me and my health is fine at 72 years; I can work with ease and comfort."

Mr. A. H. Blair, Homer, Michigan, writes: "Dear Doctor:—Your San-Yak did everything for me for kidney and bladder trouble. I can rest at night without inconvenience."

We can tell you of more cures in Alma. Sold by Chas. Murphy, successor to Rhodes, Alma, Michigan.
