### FLAG DAY PROCLAMATION

Governor Issues Proclamation for Flag Day.

Flag Day! Why? That we may not forget that our flag is the symbol of liberty, the national emblem of our free republic. The great bond which binds us together for the oppressed of every race and of every clime.

We honor the flag in times of peace. We are ready to follow it now in time of war, because we know that where it leads, liberty and justice and oppression cannot long endure. "Forever float that standard sheet! Where sweeps the foe, but falls before us!"

With freedom's sail beneath our feet And freedom's banner streaming o'er us!

We have hung out our banner to the breeze, that its gleaming stripes and shining stars may tell to all the world that in this nation the love of freedom still lives, and that liberty is still our watchword. Through its rippling folds, more than a hundred million souls proclaim their united purpose to uphold the cause of humanity.

"One flag, one land,  
One heart, one hand,  
One nation evermore."  
Therefore, I, Albert E. Sleeper, governor of the state of Michigan, do issue this my proclamation and I hereby request that Thursday, the fourteenth day of June, 1917, be observed as Flag Day.

I suggest not only that flags be displayed on all public buildings and, so far as practicable, on all private dwellings, but that both young and old of our people wear miniature flags upon their persons.

Given under my hand and the Great Seal of the state, this sixth day of June, in the year of our Lord one thousand nine hundred and seventeen, and of the Commonwealth the eighty-first.

ALBERT E. SLEEPER,  
By the Governor: Governor.  
COLEMAN C. VAUGHAN,  
Secretary of State.

### RESOLUTIONS

To the High Priest, King, Scribe and Companions of Alma Chapter No. 123 R. A. M.

Whereas, In his infinite wisdom it has pleased the Grand Architect of the universe to remove from our midst our dear friend and companion, Michael Polinsky, he being called from his labors on earth in everlasting refreshment in heaven on May, 1917.

Therefore be it resolved, that in his death we have lost a true friend and companion, the family a kind and loving father, and the community a just and upright citizen. He was kind, noble and generous, a faithful practitioner of our art, and his character stood for all that was good in Masonry. He was a man without, never hesitating in the least to perform even the most humble service for the uplift of a brother, and be it also

Resolved, That in view of our great loss and that in a way of touching remembrance to our departed companion, our chapter and great lights be draped in mourning for a period of sixty days, and be it further

Resolved, That a copy of this resolutions be spread upon the memorial records of this chapter and a copy sent to the bereaved family, and a copy printed in the Alma Record.

HOWARD C. LAKE,

**Sour Stomach.**  
This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have your stomach take one of Chamberlain's Tablets to aid digestion.

### OBITUARY

Lottie Ellen Hooks, daughter of Eli and Dora (Wheeler) Hooks, was born in Emerson township, Gratiot county, Michigan, March 30, 1877. At the age of 18 she was united in marriage to Jay D. Hood of Lafayette township, and to this union were born eight children; one daughter (Myrtle) being dead. Those living are Mabelle, Arthur, Earl, Ithel, Ruby, Thelma and Cyril.

Mrs. Hood passed away Sunday morning at her home in Alma after a very short illness, at the age of 39 years, 1 month and 29 days, leaving a husband and children. She also leaves a father and mother, Mr. and Mrs. Eli Hooks, one sister, Mrs. Carrie Lemhart, and two brothers, Samuel and William, all of near Breckenridge, besides a host of relatives and friends.

The funeral took place Tuesday at 2 p. m., at Breckenridge, Rev. Brown officiating. Interment was made in the Breckenridge cemetery, beside her daughter.

### OBITUARY

S. V. Hollenbeck was born October 7, 1830, in Broon county, New York. He was married to Maria Walker in New York state in 1858. She died February 6, 1883. To this union was born one son, V. S. Hollenbeck. In 1866, they came west, locating in Kalamazoo county. They moved to Lenawee county soon after. He was married in 1885 to Martha J. Clark and moved to Lupton, where he lived until 1895, when he moved to Alma, where he had since made his home. He died May 30th, and interment was made in Riverside cemetery.

### Cholera Morbus.

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Eyncart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."

Buy a Liberty Bond

**M**ONEY is needed now for food, clothing, and to care for those who are to fight for you. For the sake of humanity, Help! For the sake of civilization and the freedom you enjoy. Help! In this great struggle money is as important as men. Not all may fight, but all may help.

EVERY MAN MUST DO HIS PART  
EVERY WOMAN MUST DO HER PART

If you can't enlist you can do your share to help "make the world safe for democracy" by loaning your dollars to your Government.

It is Your Patriotic Duty to subscribe to this loan. You don't need any financial experience or advice. The Liberty Loan is absolutely safe. It is backed by Your Country, now the richest in the World, by all the resources of These Free United States.

Make up your mind today and "come across." The immediate lack of sufficient money to pay for a bond need not slow up your effort to help.

All the Stores Are Helping

This Store Will Help You to Help Your Country

We ask for no payment of money until the bonds are ready for delivery. All you have to do is to make an application over your own clearly written signature and address, stating the number of bonds you want and the denomination of the bonds. Your orders will be filed in the order received and filled in the same order up to the amount of the allotment of bonds to us.

Pay for Your Bonds from Your Savings

The Government prefers that you do not withdraw money from savings banks to pay for Liberty Bonds, but that you pay for them from your current savings. If you haven't enough to buy a \$50.00 or a \$100.00 bond you can buy a Thrift Bond for \$10.00 which earns interest at three per cent. Buy one as often as you save \$10.00, and when you have five or ten Thrift Bonds we will exchange them for Liberty Bonds earning three and a half per cent.

The Point Is This

Make application for your Liberty Bonds NOW, here at the banks, or through any of the other agencies that are giving their time and men to help the Government. But act at once. There are so many easy ways to help the Government. Do not delay another day.
