A Very Reasonable Price

Our Window Display

Will be of assistance to you in seeing just what effect will be in your own home. We urge you to take advantage of this convenience.

Furniture That Adds To The Joy of Living

There is something about fine furniture that its surface imitations never attain to. Far better a fewer number of really art conceived and art constructed pieces---Chairs, Tables, Davenport and Book Cases---than a quantity of substitutes that you soon remember only in terms of rack and ruin.

Book Cases

You can get a safe place in which to keep your books—a book case that will expand as you add more books to your library—and a pleasing addition to your living room. A special lot of these sectional cases in Early English design of fumed and golden oak.

Smoker's Stand

Stoutly made of solid oak or in golden fumed or mahogany finish. Brass and glass ash-tray goes with it.

Ladies' Desks

A lady's closed or open desk in golden or fumed oak makes an excellent gift for the home. We have a large selection to choose from.

Tea Wagons

Beautifully finished in oak or mahogany. Removable tray with glass top. Rubber tires on all four wheels.

Davenports

Ideal for the small apartment—a handsome davenport in day time or a comfortable bed at night—a space saver. Beautifully made in several designs and finishes.

Buffets

In selected oak. Just as massive and as handsome as you have seen them pictured. Plank top, plenty of drawer space and is handsomely finished.

Dressers

These dressers are very handsome, both in design and finish. They are much better than the ordinary—in fact they are an exclusive design and made in one of the leading factories.

Floor Lamps

A present for the entire household to enjoy. Reading lamps, boudoir lamps, table lamps and floor lamps.

Card Tables

What is more suitable than a card table for an inexpensive gift? Always acceptable.

Foot Stools

One of those pieces of furniture that "adds to the joy of living." Many designs.

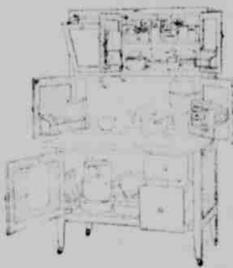

Dressing Tables

The bedroom is not complete without one of our beautifully finished and artistically designed dressing tables.

Rockers

We have a complete line of rockers in almost every finish and design. Better come in and pick one out for "her" before it's too late.

Kitchen Cabinets

With full nickel sliding top, removable sifter bin, metal bread box, large base and cupboard.
