

Greatest Assortment of RUGS CARPETS AND LINOLEUMS

*Never were we better equipped to serve
you with Quality Floor Coverings*

IT'S genuine economy to buy dependable quality Rugs rather than buy inferior grades which are not guaranteed to give long service. It's also wise to buy now before the greater advances in prices, are in effect, which are sure to come as woolen yarns for rugs and carpets are steadily on the increase in price.

We Bought Heavy to Protect Our Patrons

Little concerns in the retail business do not as a rule, buy large quantities but carry on a hand to mouth business which necessitates their paying the market price which advances continually and the customer must therefore pay high prices. We are firm believers in protecting ourselves as well as our customers against the steady price advances and are in a position to save you money.

Rugs for Every Room in the Home

Whether you desire the smallest door mat or the largest size rug for the Living Room our stock is amply complete to select from. The range of colorings is large enough to supply every need in the way of color schemes both plain and figured designs.

Rare Rug on Exhibition

in our window this week

A Magnificent specimen of Rug-weaving is on display in our show window this week and everybody should manage to come and see it.

It comes from one of the largest rug-weaving mills in America and demonstrates beyond a question of doubt that "made in U. S. A. rugs" are superior to any in the world.

In it are woven in beautiful colorings the crest of all of the allied nations that are at this present hour engaged in the tremendous conflict across the seas for the world cause of democracy.

This exceptional rug is traveling all over the country for exhibition purposes and is worth while seeing.

Linoleums of the Better Sort

Both Printed and Inlaid

MANY a householder has abandoned the idea of having to scrub and scrub that kitchen floor and are covering their kitchen floors with a good quality linoleum.

Both as a labor saving and neat appearing arrangement the linoleum covered floor is without an equal. No scrubbing necessary, a damp cloth brightens it up like new and it's much more comfortable and quiet to walk upon than the bare wood floor.

Linoleums are also coming into much more general use for Bath Rooms, Vestabules and because of the new soft appearing figured designs they are also much in use for dining rooms.

Buy Linoleums now before the next price advance.
