

WOMEN TO VOTE MUST REGISTER

Women Who May Have Registered to Vote Upon a Bonding or School Matter Must Register Again.

To the Women of Michigan:

1-The next general election-your first opportunity to vote-will be held April 7, 1919.

2-On that day important constitutional amendments will be voted on by the voters of Michigan.

3-All women American citizens by birth, naturalization or marriage, who are 21 years of age, or who will be 21 years of age on election day, are voters for all purposes. But no voter, man or woman, can vote whose name is not upon the proper registration book.

4-Registration is a listing, for use on election day by election inspectors, of all qualified voters. This is done to prevent illegal voting. The City Clerk or Township Clerk is the official before whom you must register. In order to be sure you can vote on April 7, 1919, you should go to his office and register at once. You do not have to write out any statement. The Clerk will write the proper matter in his book.

5-You must register in your own given name. You do not have to give your age. All you need to do in that regard is to state that on election day you will be 21 years old or upwards. You must give your residence and street and number, if any.

6-A woman born in the United States is an American citizen whether her parents were citizens or not, but a woman citizen of the United States who marries an alien loses her citizenship by reason of said marriage and she cannot vote thereafter unless she becomes naturalized through court proceedings. The naturalization of her husband alone would not be sufficient, nor would the death of her alien husband restore her to American citizenship. A subsequent marriage to a United States citizen would, however, make her a citizen.

7-In order to vote in Michigan a woman must be:

- (a) 21 years of age or upwards on election day.
(b) A resident of Michigan for 6 months prior to election day.
(c) A resident of the township, village or ward for 30 days before election day (except in case of change of residence from one precinct to another in the same ward or township.)
(d) A citizen of the United States, the wife of a citizen of the United States, or the wife of an inhabitant of foreign birth who, having resided in the state two years and six months prior to November 5, 1894, declared his intention to become a citizen of the United States at least two years and six months prior to said date.

8-REGISTER RIGHT AWAY. A tremendous amount of work will fall upon City and Township Clerks between the present time and the next general election by reason of the extension of the vote to women.

9-By reason of charter provisions, certain cities may have special times for registration of voters other than or in addition to the times above mentioned. But under the 1917 registration law, every voter has the right to register with the City or Township Clerk as explained herein. DO NOT WAIT FOR ANY REGISTRATION MEETINGS. Go and register with your Township or City Clerk. DO IT NOW.

10-Any former registration of a woman to enable her to vote on a bonding proposition or at school meetings, is not sufficient now. Every woman must register with the Township or City Clerk now to entitle her to vote at elections.

11-On April 7, 1919, the voters of Michigan will vote, not only for the election of many officers, including local officers, Justices of the Supreme Court, a Superintendent of Public Instruction, Members of the State Board of Agriculture, Members of the State Board of Education and Regents of the University, but they will vote upon several important amendments to Michigan's Constitution, including an amendment relating to the liquor traffic and an amendment providing for good roads. More than half a million women should register in Michigan between the present time and April 7, 1919. The Republican party in Michigan has advocated Woman Suffrage. The State Central Committee of the Republican party adopted resolutions favoring Woman Suffrage many times. Many Republican State Conventions declared in favor of Woman Suffrage before it was adopted. Within the last six years Republican legislatures in Michigan have submitted the question of Woman Suffrage to the voters of the state three times. It was beaten in 1913 at the polls. It was again beaten at the polls in 1912. It carried in 1918, and is now an established fact. Unless the women of Michigan register and vote generally, little good will result from giving them the vote, and they cannot vote if they do not register. The Republican party of Michigan calls upon every woman in Michigan who will be 21 years old or over on April 7th next to go to her Township or City Clerk NOW and register as a voter, and appeals to her to go to the polls on April 7, 1919, and cast her first vote.

HURT D. CADY, Chairman, Republican State Central Committee.

Wanted to Know. Mother-"Writing to Harry? Why, he's only gone five minutes, and surely you must have said all you wanted to say to each other when you were on the porch?" Lillian-"No, mother, I asked him if he really, truly loved me, and he said he did; but I forgot to ask him if he would go on loving me for ever and ever, and that's why I am writing."

Mr. Besdan came to the store-Battlement Drug Co., Benton Harbor, Mich., with another man and said: "If you will take three bottles of San Yak and if it does not cure you, I will pay for the medicine myself. My nerves were all going to pieces and I was run down and could not sleep. Since taking San Yak I feel better than I have in ten years and I am 83 years old and can now walk at least four miles every day."

"WILLIAM BESDAN," 1030 Lavette St., Benton Harbor, Mich. A slight degree of kidney trouble effects the mind and body, nephritis (inflammation of the kidneys) causes mental diseases in two ways: Through changes in the walls of the blood vessels and through poisonous changes in the blood. Creatin, creatin and potassium salts, commonly produced in kidney diseases, irritate the lining of the animal brain.

San-Yak is the remedy that does actual wonderful daily good. It prevents the self-poisoning from which so many people suffer, thereby keeping the arteries soft and flexible at

ages past fifty. No better proof could be had than from the following letters:

Mrs. Jemima Tickle, Selina, Ohio, (grandmother of Perry Baker, county treasurer). She is 90 years old and was subject to a great dizziness and fainting spells, high blood pressure, stiff and clumsy in the muscles, but after taking San-Yak is again in normal health, being able to do her own housework and washing. She says she can walk a mile with most of the young folks.

J. B. White, ex-chief of police of Marion, Ind., and recently has become proprietor of the Hotel DeSoto, states as follows:

"SAN YAK, yes, I know that medicine. I used four bottles while I was in Benton Harbor, Mich. I was subject to short breath, heart, kidney bladder and liver troubles; bad blood. I am pleased to have an opportunity to recommend San-Yak to my friends. It is a wonderful medicine and its claims are true. Yours with pleasure, 'J. B. WHITE.'"

P. A. Kellogg, 289 Second St., Benton Harbor, says: "San-Yak cured me of paralysis of five years standing. I had had action of the kidneys, bladder and liver for many years. The hardening of the arteries has disappeared. People of advanced years should use San-Yak for health's sake and a longer life of activity and usefulness."

Dr. J. J. Weir, the eminent children's specialist, Millburg, Mich., says: "This is to certify that I have prescribed San-Yak for a bad case of stomach trouble and I am glad to say it helped really beyond my expectations. I can cheerfully recommend it to any one so afflicted. One teaspoonful in glass of water half hour before breakfast beats all antiseptics and tonics for the stomach, bowels and kidneys. I have tried all kinds."

CHARLES W. BENNETT HAD KIDNEY TROUBLE 50 YEARS

I am a soldier of '61 to '65, and a resident of Coldwater for over twenty years, and for over thirty years followed the business of traveling salesman; well known over Ohio Indiana and Michigan.

For over fifty years I have been frequently down and out from kidney trouble. I have tried everything that came to my notice, that was recommended for that disease with no beneficial results until "San Yak" was brought to my notice. I had very little faith, but before one bottle was used I found I was being helped. I have now taken five bottles and am nearly cured. I shall continue as I realize that I could not expect a disease of the fifty years' suffering to be cured quickly. If this testimonial will help any sufferer to find relief, I shall be sufficiently remunerated, and you are privileged to use it as may best suit your convenience.

Yours very truly, CHARLES W. BENNETT, Coldwater, Michigan, 241 Division St.

Mr. Besdan came to the store-Battlement Drug Co., Benton Harbor, Mich., with another man and said: "If you will take three bottles of San Yak and if it does not cure you, I will pay for the medicine myself. "Of late years I have been troubled with my heart. Upon being examined the doctors told me it was high blood

pressure. They tried to relieve me but did no good. I was told to try San-Yak on a guarantee which I did and am now very thankful. I have taken several bottles and am not now troubled one bit with my heart. My blood pressure is now down to normal. It is also a very good tonic, for I now feel the best I have felt for several years."-T. J. Parr, R. F. D. 3, Benton Harbor.

A dollar laid out to aid health is not an expenditure, but a loan; which will be returned a hundred fold.

Take San Yak. It prevents a boney like hardening of the arteries at ages past 50 years. Dr. Burnham's San Yak is the sure way to prevent Paralysis and apoplexy. In its use you have prevented or cured bladder and kidney trouble. It is the greatest in use to prevent the clumsy stiff joints and muscles and for Neuritis or Rheumatism and Constipation.

What this prescription does for other people it will do for you and we can supply every person that you get the results needed.

Catarrah Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrah Deafness, and that is by a constitutional remedy.

HALLE'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrah Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces.

ONE HUNDRED DOLLARS for any case of Catarrh Deafness that cannot be cured by HALLE'S CATARRH MEDICINE.
