but did no good. I was told to try San-Yak on a guarantee which I did. I have taken several bottles and am not now troubled one bit with my heart. My blood pressure is now down to normal. It is also a very good tonic, for I now feel the best I have felt for several years."—T. J. Parr, R. F. D. 3, Benton Harbor.

HOW TO REGULATE HIGH BLOOD PRESSURE A dollar laid out to aid health is not an expenditure, but a loan; which will be returned a hundred fold.

Take San Yak. It prevents a bony like hardening of the arteries at ages past 50 years. Dr. Burnham's San Yak is the sure way to prevent Paralysis and apoplexy. In its use you have prevented or cured bladder and kidney trouble. It is the greatest in use to prevent the clumsy stiff joints and muscles and for Neuritis or Rheumatism and Constipation.

What this prescription does for other people it will do for you and we can supply every person that you get the results needed.
