LIBERTY THEATER

In bringing “Virtuous Wives” to the Liberty at this time, the management of that theater is deserving of great credit and liberal patronage. It has been only a few weeks since this magnificent production was presented at Detroit's largest motion picture theater, the Majestic, where it broke all records for that theater or any other theater in Detroit.

“Virtuous Wives” is described as a truthful story of married life in New York society. According to the author, in the introduction to his story which appeared in the Cosmopolitan Magazine in serial form, a virtuous wife is becoming an extinct species of femininity under present day conditions. The reasons for this, as described in his novel, have been included in the screen adaptation.

Anita Stewart, who plays the lead, makes her return to the American screen after an absence of several months, in the role of Amy Forrester, the “only member of a social set to whom pleasure is young.” As the wife of Andrew Forrester, and obsessed only with the idea of constant and evening continuously, starting at appears in the role of the young society matron who finally realizes that unbridled pleasure is but the ash of happiness.

“Virtuous Wives” will be shown Tuesday and Wednesday afternoon and evening continuously, starting at 2:30 o'clock.

Another noteworthy attraction at the Liberty is William Farnum in “Riders of the Purple Sage,” taken from Zane Gray's popular novel on the same title. This is one of the strongest pictures ever produced by Farnum, is full of thrilling and dramatic action, and in every way is the character of picture that is sure to deliver 100 per cent satisfaction.

While the picture is complete in itself, there has been produced a sequel to it, “The Rainbow,” which will be shown two weeks later, and in order to secure the most complete enjoyment of the whole story, both pictures should be seen.—adv.

KARL ADAMS, Clerk

Women of Michigan This is Your Affair!

IS IT NOT PROVIDENTIAL that the first vital issue to come up since the women of this state have gained their franchise is that issue which most intimately and most seriously affects the life and happiness of woman—the booze question?

IF THERE WAS ONE QUESTION on which women have always wished they could register their convictions it was on this one of the saloon.

ON APRIL SEVENTH the enfranchised women of Michigan will enjoy that golden opportunity—and for that reason we are absolutely certain not only of success, but of a vote so overwhelmingly against this last forlorn effort of the “Wets” as to end the matter for all time.

FOR WE CONFIDENTLY expect that the most intelligent voter ever cast in this state will then be recorded—the intelligent, clear-seeing decision of the women added to that of the men who previously voted this same question down.

FOR—MAKE NO MISTAKE—while the so-called “Light Wines and Beer” amendment sounds almost harmless, it is the old question under a cloak of verbiage—it means in plain language the re-opening of the saloon.

AND YOU KNOW WHAT that means—women know only too well.

SO WE WILL NOT ATTEMPT to analyze that particular document here. Time enough for that before election day.

OUR PURPOSE NOW—our ardent desire—is to impress upon the women of the state, the necessity of registering at once.

TRUE, YOU HAVE until March 22nd—and in cities or townships of less than 10,000, until March 25th—to register.

BUT YOU KNOW how dangerous is delay. Something may crop up—you may delay and then forget until it is too late—and then find yourself barred from exercising that precious privilege for which so many good women have fought so long.

DON'T DO IT—DON'T put off this matter from day to day. It is vital. You will want to vote on this amendment. We need not advise you how—there is no doubt as to what women will do on this subject.

ALL WE ARE ANXIOUS ABOUT is that you register—so you will be able to vote on this pernicious bit of attempted legislation on April seventh. And on every other issue that is to be voted on then.

IF YOU DON'T KNOW the conditions of registration, read below—we give a brief outline.

YOU WILL OBSERVE among other things that you are not asked to tell your age—merely to state that you will be 21 or over on election day.

SO THAT IS EASY— isn't it? And the rest is just as simple.

ALL YOU NEED DO IS—do it! Don't delay. Don't put it off. Exercise your voting privilege now that you have it. Prove that you prize and that you deserve it.

REGISTER!—Today is the best day.

BUT IF YOU JUST CAN'T go now, set down on your calendar a certain day and make a solemn resolve that on that very day you will go and register.

REMEMBER—MARCH 22nd is the last day, except in cities or townships of less than 10,000. Then you have till the 29th. But don't wait till the last day. Register now.

THEN YOU CAN VOTE—cast your first ballot against that dangerous bill, and as you may desire on any other—April 7th.

Simple Rules For Registering

Any woman 21 or over, an American citizen by birth, marriage or naturalization can vote—if her name is on the registration book.

You must appear in person.

Register with the city or township clerk any day except Sunday or holidays up to and including March 22nd.

In any city or township of less than 10,000 up to March 25th.

Register in your own name not your husband's. “Mary Smith”—not “Mrs. John Smith.”

You do not have to give your age—only to state that on election day you will be 21 or upwards.

You must have lived in Michigan six months or more; and been a resident of township, village or ward 28 days preceding election.

Because of the tremendous amount of work to fall upon the clerk this spring by reason of the extension of the voting privilege to women, it is important that you register at once.

It is simple. Requires only a few minutes—only that you do it—now.
